THE ASSOCIATION OF RETIRED NAVAL OFFICERS (A.R.N.O.)

MEMBERSHIP

All Regular Commissioned Officers on the Retired or Emergency Lists of the Royal Navy and Royal Marines are eligible.

Serving Officers can join as "Financial Members". They can be helped in the search for an occupation or be advised about non-Service matters, but are ineligible for full benefits until they retire. Their subscriptions count in full towards Life Membership and are returnable to the officer's legal representative in the event of death before retirement.

Widows of members, or of officers who died whilst on the Active List can become honorary members without subscription.

SUBSCRIPTIONS

Members or Financial Members—£1 annually, or Life Membership by payment of a lump sum varying between £15 and £10 according to age on joining.

OBJECTS OF THE ASSOCIATION

To bring together all regular commissioned Royal Naval and Royal Marine Officers after retirement, and thus be the means whereby they can help one another.

To help its members over pensions, legal and financial problems, and to obtain advice or information on almost any subject.

To keep in touch with employers and, by means of an employment register, to assist members seeking an occupation.

To award scholarships or educational grants to children of members with very limited incomes.

To make grants where temporary financial aid is needed, or advise as to the best source from which help should be sought.

THE NORE R.N. & R.M. CHILDREN'S TRUST

(FORMERLY PEMBROKE HOUSE, THE NORE, R.N. & R.M. CHILDREN'S HOME)

Patron—HER MAJESTY THE QUEEN

President—THE COMMANDER-IN-CHIEF, THE NORE

COLONEL W. S. NORTH, ROYAL MARINES

THE children of the Trust are being sent to, and supported at, various homes and schools, and the Pembroke House building itself has been closed. This step has been taken in view of the rising cost of maintaining the Home and the declining number of children requiring it, which together raised the cost per child to a figure commensurate with education at a good boarding school.

The Trust Charity Fund continues to provide for the fatherless and motherless children of men of the Royal Navy and Royal Marines, and ensures them a practical training; to maintain, clothe and educate them to earn their own livelihood. Every effort is made to secure good situations for them on leaving the care of the Trust.

All denominations are accepted, and orphans of men of the Royal Naval Reserve and Royal Naval Volunteer Reserve who have lost their lives whilst on duty in the Royal Navy are equally eligible with men of the Royal Navy. Age for admission, 5 to 12 years.

The extent of the good work of the Trust depends on voluntary contributions, and all donations will be gratefully received. Donations and correspondence should be addressed to: The Secretary, The Nore R.N. & R.M. Children's Trust, Royal Naval Barracks, Chatham.

KITCHENER MEDICAL SERVICES SCHOLARSHIPS

Medical Services Scholarships, for which the money is provided by the Services, are awarded annually by competitive selection (a) to sons of officers and men or women, or of ex-officers and men or women, of the Regular Forces or (b) to sons of officers and men or women, or of ex-officers and men or women, of the Reserve and Auxiliary Forces who served in the Great War of 1914-18 and/or the World War of 1939-45, who are over 17 and under 20 years of age on 1st January of the year of application (but the Committee may consider applicants over 20 who had before that age begun an approved medical course) and who require financial assistance to enable them to undergo a course of medical education with a view to obtaining commissions in the Medical Branches of the Royal Navy, Army or Royal Air Force.

The Scholarships are limited in number, at present to five each year, of which two are for applicants for service in the Royal Navy, two for the Army and one for the Royal Air Force. The value of each Scholarship is dependent on the financial resources of the scholar's family. The Scholarships are granted on the condition that the scholar, on becoming qualified to practise medicine and surgery, will apply at once for a commission under the current Regulations in the Medical Branch of the Service for which he was selected and that, if granted such a commission, he will render not less than five years' actual service on full pay ; if, however, he does not continue in the Service and serve for at least fifteen years, the money spent by the Service on his Scholarship will be deducted from any gratuity that may be due to him on relinquishing his commission.

Applications can be received only in January or February of each year, and must be made on an application form obtainable as below.

Further details of these and other Kitcheener Scholarship for University courses for sons of Service parents may be obtained on application to

Patron—HER MAJESTY QUEEN ELIZABETH THE QUEEN MOTHER

The Naval Home Industry was founded in the year 1917 to help the Widows, Orphans and Dependants of men of the Royal Navy and Royal Marines to earn money to supplement their pensions, especially catering for those who due to age or infirmity cannot undertake hard types of work.

They are trained to do expert knitting and crochet work and are paid a small wage while under training and when proficient they are paid by the piece for the work done, the Industry accepting all responsibility for selling the goods produced.

The Industry specialises in ladies' tailor-made coats and skirts which are entirely hand-made, will wash and never lose their shape, also knitted jumpers of up-to-date design and colours, and men's pullovers.

Inspection is invited.

Applications or recommendations for training should be sent to the Superintendent,
NAVAL HOME INDUSTRY, 41, CLARENCE PARADE, SOUTHSEA

The Bank with the Naval Tradition

Our experience of Navy matters goes back to 1772, when the firm of Stilwell & Sons was first founded. The business was later absorbed in the Westminster Bank, but its tradition of service to the Royal Navy goes on. At our Navy Branch in London we are able to combine the expert knowledge of the old-time Navy Agent with the wider experience of a great modern bank. In consequence we provide, here and at all our branches throughout the country, an efficient and friendly banking service for officers and men of the Royal Navy and for their wives and families as well

If an officer has less than the prescribed period of service in the rank, his retired pay will be based on the highest rank for which he is so qualified.

(c) Service from age 21

To qualify for the full standard rate, officers must have completed the following periods of service from age 21, reckonable in accordance with para. 12 (b) below.

Rear-Admiral, Major-General, R.M., or above	..	30 years
Captain, R.N., after six years' service in the rank, or	..	28 years
Colonel, R.M.	..	28 years
Captain, R.N., with less than six years' service in the rank or	..	26 years
Lieutenant-Colonel, R.M.	..	24 years
Commander, R.N., or Major, R.M.	..	22 years
Lieutenant-Commander, R.N., or Captain, R.M.	..	20 years
Lieutenant, R.N., or R.M.	..	20 years
Senior Commissioned Officer	..	20 years
Commissioned Officer	..	20 years

6. Deductions for service short of the standard periods.

Where the total service given is less than the period, according to rank, prescribed in paragraph 5 (c), the rate of retired pay otherwise admissible will be reduced by one deduction, at the following rates, in respect of each year or part of a year of the deficiency:—

Rate of retired pay	Deduction for each year or part of a year by which total service falls short of the period specified in paragraph 5 (c)
Above £1,000 a year	£50 a year
£1,000 and above £600 a year	£30 a year
£600 and above £400 a year	£20 a year
£400 and above £300 a year	£15 a year
£300 and above £200 a year	£10 a year
£200 and below	£5 a year

Where, after a deduction has been made, the net remaining rate of retired pay is less than the minimum appropriate to the rate of deduction, any further deductions will be at the next lower rate. For example, if the standard rate of retired pay is £675 a year but under the above conditions four deductions are to be made, the first three deductions would be at £30 a year, and the next one at £20 a year; thus the net rate of retired pay would be £565 a year.

7. Voluntary Retirement

(a) Officers who are allowed to retire at their own request, within two years of the date on which they attain the compulsory retiring age for their rank and branch, will receive the rate of retired pay for which they are eligible by rank and service that would have been payable on compulsory retirement in the circumstances set out in paragraph 5 (a) above.

(b) The rate of retired pay payable to an officer who is permitted to retire at his own request, except as provided in sub-paragraph (a) above, will be the rate which he would have received on compulsory retirement at the age-limit for service in his rank and branch reduced by one deduction on the scale shown in paragraph 6 above for each year or part of a year by which his age falls short, by more than two years, of that age-limit, with a further deduction of ten per cent. of the resultant figure.

8. Terminal Grants

(a) Officers retired from the Active List on or after the 1st September, 1950, and awarded retired pay under the regulations applicable from that date, will be awarded terminal grants in addition to retired pay under the following conditions.

(b) The standard rate of grant will be £1,000, irrespective of rank.

(c) Twenty years reckonable service as defined in para. 12 (b) will be necessary for the full grant. An officer retired with less than twenty years' reckonable service will be awarded one-twentieth of the standard rate for each year of reckonable service.

(d) An officer retired at his own request with retired pay, more than two years before reaching his compulsory retirement age, will have a deduction of ten per cent. made from the grant admissible under (b) above.

(e) An officer in receipt of retired pay under earlier regulations will not be eligible for the grant.

(f) An officer can receive a grant once only.

(g) The grant will be free of income tax.

9. *Gratuities*

(a) Gratuities at the following rates will be payable to officers on the General List holding permanent commissions who are allowed to retire voluntarily, or are compulsorily retired otherwise than for unsuitability, incapacity or misconduct, but have insufficient service to qualify for retired pay. The rate of gratuity is the same for officers of all Branches.

2. A Branch Officer with sufficient service to qualify for an award of retired pay, or for an award of pension on the ratings' scale (with special rank increments for service as officer), will not be eligible for an alternative award of gratuity on the foregoing scale.

3. Voluntary retirement with a gratuity on the scale laid down in sub-paragraph (b) will be allowable at the discretion of the Admiralty in exceptional circumstances only.

10. *Officers Invalided*

(A) *Officers with a minimum of ten years' qualifying service will be granted retired pay as follows :—*

12 Reckoning of Service

For the purpose of the grant or assessment of retired pay or gratuity full pay service on the Active List will reckon as follows :—

(a) for determining qualification for retired pay or gratuity, and for assessing rate of gratuity, all commissioned service as defined in (c) below ;

(b) for determining the rate of retired pay and the amount of the terminal grant, only service subsequent to the officer's 21st birthday (subject to (d) and (e) below) ;

(c) service counts as commissioned service for the purpose of (a) and (b) above as follows :—

(i) *In full* : Service as Acting Sub-Lieutenant ; Second Lieutenant, Royal Marines not below the age of 20 ; Branch Officers, R.N. and R.M. ; and above ;

(ii) *In half* : Service (not below the age of 18) as Midshipman or Cadet ; Second Lieutenant, Royal Marines under the age of 20 ; and in ranks below Commissioned Officer (Branch List) R.N. and R.M.

(d) In determining the rate of retired pay, sufficient service reckoning in half under (c) (ii) above may be taken into account to produce a notional date of commencement of reckonable officer service not earlier than the 21st birthday.

(e) An Officer promoted to Acting Sub-Lieutenant or Second Lieutenant R.M., during the period of hostilities, August, 1914, to November, 1918, may reckon his service from date of promotion for both (a) and (b) above.

13. Reckoning of Service—General Rules

(a) *Continuity of Service.*

Except as provided hereunder only continuous active list service on a permanent commission on full pay reckons for retired pay.

(b) *Reckoning of previous or non-continuous service.*

Previous active list service on permanent, short service, or other commission or engagement, may be taken into account provided :—

(i) there has not been a break in service of more than five years. The Admiralty may, however, at their discretion, take into account previous service notwithstanding a break exceeding five years provided that they are satisfied that the officer has been, for any excess over the five years, a member of a Reserve Force undertaking regular training ;

(ii) No gratuity (other than war gratuity) was paid to the officer on termination of the former service ; or if any such gratuity was paid, or the officer were entitled to such gratuity, arrangements satisfactory to the Admiralty are made for its repayment to the Admiralty.

(c) *Previous Army or Air Force Service.*

Previous service in the Army or Air Force may be taken into account as though it were Naval service in equivalent rank or rating.

(d) *Training Periods.*

Training periods on full pay, except individual periods of less than six months, may be taken into account as full pay service.

(e) *Half-Pay Service.*

Periods on unemployed full pay or on the intermediate rate of unemployed pay, or on half-pay before 1st Aug., 1938, not following the sentence of a Court Martial or the expiration of full pay sick leave, will reckon as service in full up to a maximum of six months in any one period or two years in all. Any such service not reckoning in full under the above rule reckons as a third subject to a maximum of six years such service reckoning as two.

(f) *Service in appointments not remunerated from Naval Funds.*

The Admiralty may, at their discretion, allow to reckon as service for retired pay, service in appointments not remunerated from Naval Funds which, the Admiralty is satisfied, are appointments which may be properly held, in the interests of the Naval service, by a Naval officer on the Active List during and as a part of his Naval career, to which the officer is required to bring Naval knowledge and experience, and from which he is considered by the Admiralty to acquire experience of value to his Service.

14. *Rank*

Only full pay substantive rank on the Active List will be taken into account in assessing retired pay under the New Code, except that:—

(a) New Officers substantively promoted to a rank before 1st July, 1946 (or in the case of officers compulsorily retired from the former Royal Indian Navy before 31st December, 1947), periods of service in Acting Rank between 3rd September, 1939, and 30th June, 1946 (30th December, 1947, in the case of ex-R.I.N. officers), may be reckoned towards the minimum qualifying periods of service in that rank; and service as Acting Captain, R.N., up to 31st Oct., 1954, inclusive, may reckon towards the requirement of six years service as Captain irrespective of the date of substantive promotion.

(b) Service in Acting Rank one step above substantive rank up to the 31st Oct., 1954, inclusive, may nevertheless count for increments of retired pay under the conditions laid down in A.F.O. 3149/52.

15. *Effect of National Retirement Pensions on Retired Pay*

Officers who (a) enter the Royal Navy on or after the 1st July, 1949 (except Dartmouth Cadets who, although not actually in the Service on the 1st July, 1949, nevertheless had at that date had an undertaking given on their behalf that they would make the Royal Navy their career) and (b) re-enter on or after the 1st July, 1949, after a break in service, except those who re-enter within 12 months of being invalidated or those who have already been granted service retired pay before re-entry, will have a deduction made from their service retired pay at the rate of 4d. a week for each year of service; subject to a maximum of 16/- a week; which will take effect from the date on which an officer attains the age of 65 and becomes entitled to a National Retirement Pension. No adjustment of service retired pay will, however, be made in the case of officers living outside the United Kingdom and not in receipt of National Retirement Pensions.

(A.F.O. 1458/52).
- (iv) Officers entered as Upper Yardmen and promoted to officer and granted Short Service Commissions for Pilot or Observer duties will receive a gratuity of £1,500 on completion of eight years Short Service (A.F.O. 908/53).

2. An officer who fails to complete the full period of Active List service which he has undertaken may nevertheless be awarded a gratuity as follows:—
- (a) If his service is terminated on account of disability not due to causes within his own control, or for non-employment, or for unsuitability or inefficiency not due to causes within his control, or if his service is terminated at his own request within six months of the completion of the full period of Active List service he has undertaken to give, he may be granted a gratuity proportionate to the length of Active List service he has actually completed.
- (b) In other circumstances, no gratuity will be payable unless he has completed at least one year's satisfactory service. If his service is thereafter terminated owing to disability due to causes within his own control, or to inefficiency or other cause within his own control but not amounting to misconduct, or if his service is terminated at his own request more than six months before the conclusion of the period he has undertaken to give, he may be allowed, at Admiralty discretion, such gratuity as may be determined, but not exceeding three quarters of the amount proportionate to the length of his actual service on the Active List.
- (c) If his service is terminated on account of misconduct, the award of a gratuity will be at Admiralty discretion, but the award will not exceed 90% of the gratuity which could have been awarded had his service been terminated at his own request.

4. If an officer serving on a short service commission continues on full pay beyond the period of Active List service which he has undertaken, payment of the gratuity may be deferred until the end of such further service. No additional gratuity will, however, be payable in respect of the period of extended service, unless special provision for such further payment is made.
5. A short service commissioned officer granted a permanent commission will not be eligible for any gratuity in respect of his service on a short service commission, but such service may count towards an ultimate award of retired pay or gratuity as a permanent officer. If, having received a gratuity in respect of short service an officer is granted a permanent commission, his previous service will not be reckonable towards an ultimate award of retired pay or gratuity as a permanent officer unless satisfactory arrangements are made for the refund of the Short Service Gratuity.

PERMANENT COMMISSIONED OFFICERS OF THE WOMEN'S ROYAL NAVAL SERVICE.

1. RATES. The full rates of Retired Pay will be as follows:—

Commandant or Superintendent (after six years)	£870 a year
Superintendent	£685 a year
Chief Officer	£450 a year
First Officer	£340 a year
Second Officer	£270 a year

CONDITIONS OF AWARD OF RETIRED PAY OR GRATUITY

2. QUALIFYING SERVICE.

Eligibility for retired pay or gratuity is dependent on the completion of the following minimum periods of qualifying service reckonable in accordance with paragraph 9 below.

Retired Pay.

On retirement for any cause other than invaliding	twenty years
On invaliding	ten years

Retired Pay may, however, be awarded on completion of not less than 15 years' service, on compulsory retirement only

- (a) To officers who necessarily entered, in the interest of the Service, at an age above the normal, and have in consequence of late entry not completed 20 years' qualifying service at the time of their compulsory retirement for age or non-employment.
- (b) To officers promoted from rating provided that they have not less than 22 years' service (including rating's service in full) from first entry or age of 18, whichever is the later.

Gratuity.

On compulsory retirement for age or non-employment or on retirement at own request (see also paragraph 7 (b) below) ten years

3. Conditions necessary for award of full standard rate.

(a) Compulsory retirement.

Subject to the following conditions regarding length of service and service in the rank, retired pay at the standard rate is payable to an officer either—

- (i) compulsorily retired on reaching the age limit for service in the rank, or
- (ii) compulsorily retired before reaching the age limit by reason of it having been decided that she will not be further employed or promoted.

- (b) An officer who retires for any cause other than invaliding must have completed two years' full pay service in the substantive rank to qualify for retired pay appropriate to the rank. If an officer has less than the qualifying period of service in the rank, her retired pay will be based on the highest rank for which she is so qualified.

(c) Service from age 21.

To qualify for the full standard rate, officers must have completed the following periods of service from age 21, reckonable in accordance with paragraph 10 below.

Commandant	..	..	..	..	..	..	28 years
Superintendent (after six years' service in the rank)	..	..	..	..	..	..	26 years
Superintendent (with less than six years' service in the rank)	..	..	..	..	..	..	24 years
Chief Officer	..	..	..	..	..	..	22 years
First Officer	..	..	..	..	..	..	20 years
Second Officer	..	..	..	..	..	..	20 years

Note.—So long as the compulsory age for retirement in this rank remains at 40, no Second Officer will be able to qualify for the full standard rate of retired pay.

4. Deductions for service short of the standard periods.

When the total service given is less than the period, according to rank, prescribed in paragraph 3 (c) the rate of retired pay otherwise admissible will be reduced by one deduction, at the following rates, in respect of each year or part of a year of the deficiency :—

Rate of Retired Pay.	Deduction for each year or part of a year by which the total service falls short of the period specified in paragraph 3 (c).
Above £800 a year	£30 a year
£800 and above £400 a year	£20 a year
£400 and above £300 a year	£15 a year
£300 and above £200 a year	£10 a year
£200 and below	£5 a year

Where, after a deduction has been made, the net remaining rate of retired pay is less than the minimum appropriate to that rate of deduction, any further deductions will be at the next lower rate. For example, if the standard rate of retired pay is £340 a year but under the above conditions four deductions are to be made, the first three deductions would be at £15 a year and the fourth at £10 a year; thus the net rate of retired pay would be £285 a year.

5. Voluntary Retirement.

(a) Officers who are allowed to retire at their own request, including those retiring on marriage, within two years before the date on which they attain the compulsory retiring age for their rank, will receive the rate of retired pay for which they are eligible by rank and length of service that would have been payable on compulsory retirement in the circumstances set out in paragraph 3 (a) above.

(b) The rate of retired pay payable to an officer who is permitted to retire at her own request, including retirement on marriage (except as provided in sub-paragraph (a) above), will be the rate which she would have received on compulsory retirement at the age limit for service in her rank reduced by one deduction on the scale shown in paragraph 4 above for each year or part of a year by which her age falls short by more than two years, of that age-limit, with a further deduction of ten per cent. of the resultant figure.

6. Terminal Grants.

Officers will be eligible for terminal grants in addition to retired pay, under the same conditions as apply to officers of the Royal Navy, but the standard rate of the grant will be £650.

7. Gratuities.

(a) Gratuities at the following rates will be payable to officers who are allowed to retire voluntarily or are compulsorily retired otherwise than for unsuitability, incapacity or misconduct, but have insufficient service to qualify for retired pay.

On completion of not less than ten years' service	£650
For each complete year of service in excess of ten years, a further	£100
Subject to a maximum of	£1,550

(b) A gratuity will not be payable on voluntary retirement unless the officer has held a permanent commission for five years, as well as ten years' qualifying service.

(c) On compulsory retirement for non-employment on the completion of five years' qualifying service, a gratuity of £325 will be payable.

(d) Officers transferred to the permanent list from an extended service engagement,

(i) if compulsorily retired through no fault of their own before qualifying for gratuity or retired pay as officers of the permanent service, or

(ii) if retired for marriage within three months after marriage, after the end of the period of their extended service engagement,

will remain eligible for a gratuity at the rate of £50 for each year's service on an Extended Service Commission before 24th November, 1948, and at the rate of £65 a year for each year of extended service after that date.

Officers who retire for marriage within three months after marriage, before the end of their extended service engagement will remain eligible for an extended service gratuity at the rate of £50 for each year of such service

(e) Officers granted a Short Service Commission in the Meteorological Branch will be eligible on the completion of five years of such service for a gratuity at the rate of £65 a year for each year of service.

8. Officers invalided.

A. An officer invalided with a minimum of ten years' qualifying service will be granted retired pay as follows:

(a) An officer with 20 or more years' qualifying service will receive the rate of retired pay for which she would have been eligible by rank and service had she been compulsorily retired.

(b) An officer with less than 20 but more than ten years' qualifying service will receive retired pay on the following basis. From the retired pay for which she would have been eligible under (a) above had she completed 20 years' qualifying service and retired in the rank of First Officer, or her substantive rank, if higher; a deduction will be made of twice the amount referred to in paragraph 4 for each year or part of a year by which her qualifying service falls short of 20 years.

B. An officer with less than ten years' qualifying service will receive a service gratuity at the rate of £65 for each year of such service.

9. Retirement on account of Pregnancy, Unsuitability, Inefficiency, Misconduct, etc.

The regulations to govern the payment of retired pay or gratuity or other non-effective awards to officers placed on the retired list for pregnancy, unsuitability, inefficiency or misconduct, or to those dismissed, are under consideration.

10. Reckoning of Service.

For the purpose of the grant or assessment of retired pay or gratuity full pay service on the Active List will reckon as follows :—

- (a) for determining qualification for retired pay or gratuity, and for assessing rate of gratuity, all commissioned service as defined in (c) below ;
- (b) for determining the rate of retired pay, only service subsequent to the officer's 21st birthday (subject to (d) below)

GENERAL REGULATIONS.

1. In calculating service for retired pay under the old code, the time of all Officers of the R.N. and R.M. while on full pay and while on unemployed full pay subsequent to 31st July, 1938, will count in full. Time on unemployed full pay prior to 1st August, 1938, on an intermediate rate, and on half-pay, will reckon as one-third of full service, subject to the proviso that such time in excess of two years after an Officer's last employment or, if promoted while unemployed, time in excess of two years, subsequent to date of promotion, will not be reckoned at all. The manner in which time is reckoned for purposes of gratuity on retirement or discharge from the Service is as indicated in the Regulations.

2. In the absence of special provisions to the contrary, service while on the Retired List does not count towards increase of retired pay nor do steps in rank on the Retired List confer any claim to increase of retired pay.

3. In the absence of special provisions to the contrary, gratuities under these Regulations will not be payable to the estate of an Officer who dies or is killed while serving on the Active List.

4. If an Officer be invalided and his unfitness be due, in the opinion of the Admiralty, wholly or in part due to his own negligence, misconduct or any cause within his control, any retired pay or gratuity

which might otherwise have been granted to him may be reduced or withheld at the discretion of the Admiralty.

5. The sentence of a Court Martial placing an Officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also when the sentence of a Court Martial takes away any seniority from an Officer, it thereby affects his half or retired pay or pension, where these depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, where the half or retired pay, pension, or gratuity depend upon actual service; but, although the time is forfeited, it is to be considered as service in reference to compulsory removal from the Active List.

6. An Officer placed on the Retired List under Order-in-Council of 15th August, 1941, because of unsuitability for further service by reason of incapacity, inefficiency, unsatisfactory performance of duties or other defect, such unsuitability having been held by the Admiralty to be due to causes within his own control but not of such a nature as to justify retirement for misconduct, may be granted such rate of retired pay or such gratuity within the scale provided for an Officer of such rank and service who is placed on the retired list for incapacity under Order-in-Council of 21st April, 1922, as the Admiralty, in their discretion, may think fit. The Admiralty may, at their discretion, award a gratuity of such amount as they think fit instead of retired pay, provided, however, that a gratuity shall not be awarded instead of retired pay to an Officer who would have been eligible for retired pay had he been permitted to retire voluntarily. The amount of a gratuity awarded instead of retired pay shall be within the commutation value, calculated according to the current table in use by the Pensions Commutation Board for the commutation of Officers' retired pay, of the retired pay which would have been payable had the Officer retired for incapacity under Order-in-Council of 21st April, 1922.

7. An Officer placed on the Retired List under Order-in-Council of the 11th September, 1941 by reason of an act or acts of misconduct or who through intemperate or irregular habits of life has become unfit for or unworthy of further employment may be granted such rate of retired pay or such gratuity as the Admiralty in their discretion may think fit, provided that:—

- (i) Retired pay be not granted to any Officer who would have been eligible for a gratuity only if placed on the retired list for incapacity under Order-in-Council of 21st April, 1922.
- (ii) Gratuity instead of retired pay may be awarded to any Officer who could have been awarded gratuity instead of retired pay had he been retired for unsuitability under

Order-in-Council of 15th August, 1941 (see paragraph 6).

- (iii) The maximum rate of retired pay shall be the lower of the two following rates, viz. :—
 - (a) The rate for which the Officer would have been eligible under Order-in-Council of the 21st April, 1922, after crediting the Officer with any service lost as a result of sentence by Court Martial, less ten per cent., or
 - (b) The rate for which the Officer would have been eligible if he had been retired for incapacity under Order-in-Council of the 21st April, 1922, calculated upon the Officer's service as reduced by sentence of Court Martial.
- (iv) The maximum gratuity payable shall be :—
 - (a) if the Officer would have been eligible for a gratuity only had he been retired for incapacity under Order-in-Council of 21st April, 1922, the amount of such gratuity, or
 - (b) if the Officer could have been awarded gratuity instead of retired pay had he been retired for unsuitability under Order-in-Council of 15th August, 1941 (see paragraph 6), a gratuity within the commutation value, calculated according to the current table in use by the Pensions Commutation Board for the Commutation of Officer's retired pay, of the retired pay which could have been awarded to the Officer under (iii) above.

8. An Officer who has been dismissed the Service or dismissed with disgrace by sentence of Court Martial or whose name has been removed from the list of Officers or who has been deprived of retired pay following upon the removal of his name from the list of retired officers or who has been allowed to resign his commission or warrant to avoid trial by Court Martial, may be awarded a compassionate allowance, but the grant of such an allowance and its duration, if granted, shall be entirely at the discretion of the Admiralty. No Officer may, however, be awarded a compassionate allowance in excess of the retired pay or gratuity which might have been granted to him if placed on the retired list for misconduct (see paragraph 7) and no Officer who has been deprived of retired pay in consequence of the removal of his name from the list of retired Officers may be awarded a compassionate allowance in excess of the compassionate allowance which might have been granted to him if at the date of his retirement his name had been removed from the list of Officers.

9. Nothing in paragraphs seven and eight shall confer on any person who has been removed from Her Majesty's Service any right to half-pay, retired pay or pension, compassionate allowance or gratuity.

3. The retired pay of all retired Officers of the R.N. and R.M. serving in any of these appointments will be suspended during such service, and their service will count for increase of retired pay on the scales and subject to the conditions set forth hereunder, subject, however, to the provisos that—

(a) an Officer who has been retired from the Active List of the R.N. or R.M. with a special rate of retired pay higher than that permissible under the ordinary regulations in force at the date of retirement for an Officer of like age, rank and service, shall not on the final cessation of his service in any of the above-mentioned appointments receive retired pay in excess of the greater of the two following sums :—

- (i) the retired pay for which he would have been eligible had he on retirement from the Active List of the R.N. or R.M. been awarded the rate of retired pay permissible under the ordinary regulations in force at the date of such retirement for an Officer of like age, rank and service and permitted to count the whole of his subsequent service for increase of retired pay under Rules 5 and 6 hereof, or
- (ii) the actual rate of retired pay awarded to him on retirement from the Active List without any addition for subsequent service.

An Officer of the R.M., who at the date of his retirement from the R.M. had earned retired pay in excess of the maximum at that date permissible in the case of a Lieutenant-Commander, R.N., shall not count his further service for increase of retired pay.

4. All Officers in any of the appointments referred to in these regulations who have not previously been discharged to retired pay at their own request or for some other reason, will be liable to such discharge on attaining 60 years of age.

5. An Officer who is discharged to retired pay at his own request, or on completion of any period for which he may have been appointed or as unfit for further employment from any cause other than those specified in rule 6, may have the retired pay earned by his service before retirement from the R.N. or R.M. increased by one sixtieth of the pay and allowances of the appointment held on discharge for each complete year of service after retirement in any of the appointments to which these regulations relate.

6. An Officer who is discharged to retired pay on account of age, or medical unfitness, or abolition of office, or reduction or reorganisation of establishment may have the retired pay earned by his service before retirement from the R.N. or R.M. increased :—

- (a) if with ten or more years' service after retirement in any post to which these regulations relate, by one-sixtieth of the pay and allowances of the appointment held on discharge for each complete year of service after retirement ;
- (b) if with less than ten years' service after retirement in any post to which these regulations relate, by one-fiftieth of the pay and allowances of the appointment held on discharge for each complete year of service after retirement, provided that the total addition shall not exceed ten-sixtieths of such pay and allowances.

7. For the purposes of rules 5 and 6 service on the Retired List before 1st February, 1919, in any post to which these regulations relate may reckon for increase of retired pay in the case of any Officer who was then so serving.

8. Officers on the Active List of the R.M. who are appointed to any of the posts to which these regulations relate, shall be seconded from the corps of the R.M. until they reach the rank of Lieutenant-Colonel, when they will become supernumerary. They will be subject to the same rules as regards qualifications for promotion and retirement for age in any rank as other Officers of the R.M.

4. Additional retired pay on account of attributable disability shall not be granted to an Officer to whom service retired pay at the half-pay rate appropriate to his rank has been awarded, but any such Officer, if entitled to retired pay based upon age and service, may be granted in addition to such retired pay the appropriate disability addition if more to his advantage than retired pay at the half-pay rate. An Officer of the rank or relative rank of Commander in the Royal Navy or Major in the Royal Marines if invalidated under the age of 40 on account of disability certified by the competent medical authority as attributable to the conditions of service may be granted, if more to his advantage than the half-pay of his rank, the retired pay for service for which he would have been eligible if he had not been promoted to the rank or relative rank of Commander or Major together with an addition of £45 10s. for rank and additional retired pay according to the degree of his disablement provided that the service retired pay including the above rank addition thereto shall not exceed the rate for which he would have qualified had he been 40 years of age at the date of invaliding.

6.—Family Allowances.

An Officer who is awarded additional retired pay for disability or disability retired pay, may be granted allowances in respect of his wife and children at such proportion of the following rates as corresponds to the degree of his disablement on which his disability award is based.

	<i>Rate for 100 per cent disablement.</i>
For a wife	£ 38
For each child	30
or, where no allowance for a wife is payable	
For the first child	36
For each other child	30

The conditions governing the grant of these family allowances in addition to disability awards shall be as follows:—

(a) If an Officer's wife is living apart from her husband, family allowance shall not be allowable in respect of her unless—

- (i) she was being regularly maintained in whole or in part by the Officer up to the date of commencement or renewal of his disability award, or
- (ii) she is entitled to support under a separation or maintenance order, or
- (iii) the separation was caused by the husband's mental instability due to the disability in respect of which he is granted a disability award.

(b) Allowances in respect of children other than legitimate children may be granted under similar conditions to those prescribed for the payment of such allowances to Naval ratings and marines—see "Pensions, etc., to R.N. Ratings and Royal Marines," Section III, A, paragraph 4 in this Appendix.

Notes.—

(i) Family addition to a disability award in respect of a child shall normally terminate when the child attains the age of 18 years, but (a) if satisfactory evidence is produced that, owing to mental or physical infirmity, such infirmity having arisen before the child reached the age of 18, a child is unable to maintain himself or herself, the addition may be granted or continued beyond that age, and (b) the addition may also be granted or continued after the age of 18 years in the case of a child who is being educated at secondary school, technical school or university, or is an apprentice receiving not more than nominal wages.

(ii) Family addition to disability awards in respect of any individual may be withheld if in the opinion of the Admiralty the circumstances are not such as to justify the grant.

(iii) Where an individual in respect of whom such family addition to a disability award is admissible is not residing with the Officer, the addition may, at the discretion of the Admiralty, be granted independently, for the benefit of that individual, to some person other than the Officer.

7.—Education Allowances.

(i) In addition to disability award, an allowance may, at the discretion of the Admiralty, be granted in respect of a child, eligible for an allowance under paragraph 6 for the purpose of the child's education, if:—

- (a) the child has attained the age of five years; and,
- (b) the circumstances of the family are such as to require it; and,
- (c) the Admiralty is satisfied that the type of education which the child is receiving or is to receive is suitable for the child.

(ii) The amount of an education allowance shall be determined by the Admiralty but the total payments made in respect of any period of twelve months will not exceed £80.

8.—Treatment Allowances.

- (i) An officer in receipt of an award for disability may, in lieu of his existing award, be granted in respect of any period during which he receives approved treatment, a treatment allowance consisting of a personal allowance in respect of himself, and an additional allowance in respect of his wife and children
- (ii) Subject to the following provisions of this paragraph
 - (a) a personal allowance will be at the rate of retired pay and additional retired pay for disability which would be appropriate under these regulations if the degree of disablement were 100 per cent., and
 - (b) an additional allowance in respect of a wife and/or children at the rates and subject to the conditions which would be appropriate if the wife and/or children were eligible for family additions under paragraph 6.
- (iii) The allowance in respect of a wife under (ii) (b) above may be increased to the rate of £56 a year where she is wholly or mainly dependent on her husband.
- (iv) Where no allowance is payable for a wife, an allowance not exceeding £56 a year may be paid for
 - (a) a dependent adult relative living with the pensioner, or
 - (b) a woman dependent on the officer and having the care in the officer's home of a child or children of the officer for whom the allowance is being paid. When an allowance is payable for an adult dependant and also in respect of an eligible dependant, the aggregate of the allowances shall not exceed £86 a year.

The allowance will be subject to such deductions as the Admiralty may think appropriate having regard to all the circumstances of the case and taking into account any sick pay or similar benefit arising by virtue of the Officer's employment.

For the purpose of this paragraph approved treatment means in-patient treatment authorised or approved by the Admiralty.

(v) The allowance under (ii) (a) above may be increased by whichever of the following amounts is appropriate, namely:—

- (a) if the Officer is not eligible for sickness benefit or retirement pension or contributory old age pension under the National Insurance Act, 1946, 32s. 6d. a week, or
- (b) if he is eligible for such benefit at a lower rate than 32s. 6d. a week, the amount of the difference between the lower rate and 32s. 6d. a week.

Provided that this paragraph shall not apply to—

- (i) an Officer who is in receipt of an Unemployable Allowance under paragraph 10, or
- (ii) an Officer who is receiving approved institutional treatment and is not entitled to an allowance under paragraphs (ii) (b); (iii); and (iv) (a) and (b) above.

8a.—Allowance where prolonged abstention from work is necessary following approved institutional treatment

Where an Officer is, on the completion of a course of approved institutional treatment obliged to abstain from work for a prolonged period in consequence of the condition which necessitated that treatment, he may be treated as if he were eligible throughout that period for a treatment allowance under paragraph 8.

This paragraph shall not apply to an officer in receipt of an Unemployable Allowance under paragraph 10.

9.—Constant Attendance Allowances

Where a disability award is in issue in respect of disablement, the degree of which is assessed at 100 per cent. and it is shown to the satisfaction of the Admiralty that constant attendance on the Officer is necessary on account of his disablement, an allowance may be granted at a rate of not exceeding £100 a year, but in exceptional cases of very severe disablement the allowance may be increased up to a maximum of £130 a year.

9a.—Comforts Allowance

An officer in receipt of an award for disability the degree of which is 100 per cent., and in receipt of an allowance on account of unemployability, may be awarded an allowance for the provision of comforts at the rate of £26 a year, provided that he is also in receipt of a Constant Attendance Allowance or would be in receipt of such an allowance if he were not in a hospital or other institution.

10.—Special Allowances for Unemployable Disabled Officers

(i) Where an Officer is in receipt of additional retired pay for disability or disability retired pay in respect of disablement so serious as to make him unemployable, he may be granted:—

- (a) an allowance by way of supplement to his disability award at the rate of £91 a year.
- (b) an increase where necessary in the rate of family allowance awarded under paragraph 6 to the rate which would be appropriate under that paragraph if the degree of disablement were 100 per cent.
- (c) an increase in the rate of wife's allowance up to £56 a year if she is wholly or mainly dependent on her husband.
- (d) where no allowance is payable for a wife, an allowance not exceeding £56 a year may be paid for
 - (i) a dependent adult relative living with the officer or
 - (ii) a woman dependent on the Officer and having the care of a child or children of his for whom an allowance is being paid.

When an allowance is payable for an adult dependant and also in respect of a first child, the aggregate of the allowances shall not exceed £86 a year.

(ii) In determining whether an Officer is unemployable, his earnings of £52 a year or less shall be disregarded.

11.—Allowance for Wear and Tear of Clothing

An Officer in receipt of additional retired pay for disability or disability retired pay in respect of an amputation and who regularly wears an artificial limb may be awarded an allowance for wear and tear of clothing at the rate of £5 a year where he wears a single artificial limb, other than a tilting limb, or £8 a year where he wears more than one artificial limb, or one artificial limb with a tilting table, or if there is exceptional wear and tear of the Officer's clothing as a result of his pensionable disablement, an allowance not exceeding £8 a year may be authorised.

12.—Allowance for Special Hardship

(i) As from 1st May, 1948, an Officer in receipt of disability retired pay on the scale in Schedule II in respect of disablement of less than 100%, who has by reason of his disability been compelled after 1st July, 1945 to adopt an occupation not equivalent to that regularly followed by him for a reasonable period before that date, may be granted an allowance in respect of his special hardship at a rate not exceeding £52 a year, provided that the disability retired pay awarded together with the allowance granted under this paragraph shall not exceed the rate of disability retired pay which would have been appropriate if the degree of disablement had been 100%.

(ii) No award shall be made under this paragraph where the Officer is in receipt of an allowance on account of his unemployability.

18.—Loss of Pay While Attending Survey

Compensation may be paid within certain limits for financial loss incurred by an Officer by reason of absence from employment on account of attendance at a medical examination in connection with the award or continuation of an award of additional retired pay for disability or disability retired pay.

3. (a) A Medical Officer entered on or after 1st May, 1934, or allowed to accept the conditions laid down in Order in Council, 29th June, 1934, or a Dental Officer entered on or after 1st October, 1935, with service not exceeding six years, shall not be entitled to receive a service gratuity concurrently with disability retired pay under these regulations. On cessation of the disability, a gratuity may be granted equivalent to that payable on invaliding for a non-attributable disability, at the discretion of the Admiralty.

(b) An Officer in the Medical Branch serving under a special short service engagement who is eligible for a gratuity on discharge under the terms of his engagement shall not be entitled to receive such gratuity concurrently with disability retired pay under these regulations. On cessation of the disability a gratuity equal in amount to that which might have been paid under the terms of his short service engagement may be granted to such an Officer at the discretion of the Admiralty.

Schedule III

MISCELLANEOUS REGULATIONS.

1. Additional retired pay or disability retired pay under these regulations shall only be awarded in respect of the degree of disablement which is certified by the competent medical authority as attributable to the conditions of service.

2. Additional retired pay or disability retired pay under these regulations shall not be granted to any Officer whose percentage degree of disablement or retirement is certified by the competent medical authority to amount to less than 20 per cent., notwithstanding that he may have been retired on account of sickness or injury attributable to the conditions of service, but any such Officer shall be entitled to receive the retiring allowance, by way of annual retired pay or gratuity if any, to which he would have been entitled if invalided for a cause not attributable to the conditions of service.

3. An Officer who is ineligible for retired pay in respect of service, but to whom disability retired pay under these regulations is awarded (except Short Service Officers of the Air Branch) shall not be entitled to receive in addition any retiring allowance by way of gratuity, which might have been awarded to him under any other regulations, and if any such allowance has already been paid to such an Officer before the admission of his claims to disability retired pay under these regulations, he shall be required to refund it as a condition to the grant of disability retired pay under these regulations.

4. The assessment of additional retired pay or disability retired pay under these regulations may be increased or reduced or cancelled, when it is shown to the satisfaction of the Admiralty that the disability in respect of which it was granted has increased or decreased or ceased to exist. In all cases, the disability will be regarded as having ceased to exist when it falls below 20 per cent.

5. When an Officer has been in receipt of additional retired pay or disability retired pay under these regulations for a period of five years, a final assessment of the disability may be made for the purpose of determining a permanent rate of additional retired pay or disability retired pay, unless this has already been done, provided that, in assessing the degree of disability on which the permanent additional retired pay or disability retired pay is to be based, regard shall be had to the probable degree of disability over a period of years.

6. No compensation in respect of disability shall be payable under these regulations to any Officer, except in respect of sickness, wounds or injury on account of which he is invalided, provided that any Officer (other than an Officer retired on the half-pay applicable to his rank or an Officer to whom the provisions of Rule 7 apply) may on retirement or discharge, but not later, be granted compensation in respect of a wound or injury due to service, and is recorded on any Hurt Certificate or of which there is other satisfactory evidence and for which he has not already received an award of compensation. The amount of compensation in respect of such injuries shall be at the discretion of the Admiralty, but in determining it, regard shall be had to the scale appropriate if the Officer had been invalided therefor, to the degree of disablement persisting at the date of retirement or discharge and the cause of retirement or discharge.

7. An Officer who elects to retire voluntarily will be assumed to have waived on behalf of himself and his dependants all claims to retired pay, gratuity or other grant under these regulations in respect of either disability or subsequent death, except as may be otherwise provided in regard to widows' pensions on the ordinary scale, and will not be eligible for any such retired pay, gratuity or other grant.

8. No compensation in respect of disability shall be payable under these regulations to any Officer who is already in receipt of a wound or injury pension in respect of a wound or injury sustained before the first day of October, 1921, but, should an Officer be subsequently retired or discharged in circumstances rendering him eligible for an award under these regulations in respect of another disability, he may, at the discretion of the Admiralty and if such course be to his advantage, be permitted on retirement or discharge from the service to surrender the wound or injury pension and to receive the additional retired pay or disability retired pay appropriate to the total degree of his disablement under these regulations, provided that the additional retired pay or disability retired pay shall in no case be subsequently reduced under Rule 4 of this Schedule below the amount of the wounds pension.

9. If an Officer's unfitness when invalided, or the degree of his disability at any time thereafter when surveyed for the review of an award, be due wholly or in part to his own negligence or misconduct or to any cause within his control, any grant which might otherwise have been made to him under these regulations may be reduced or withheld at the discretion of the Admiralty.

10. Should an Officer, retired or discharged as medically unfit for further service, be suffering from two separate and distinct disabilities and be eligible in respect of one of them for a grant under the regulations of the Ministry of Pensions, and in respect of the other for a grant under these regulations, only one grant will be made in respect of both. This grant will be assessed partly under the regulations of the Ministry of Pensions and partly under these regulations, according to the proportion which the percentage of each disability respectively bears to the sum of the two percentages added together, the assessment under these regulations being so regulated, however, as to ensure that the total grant made shall be neither more than the Officer would receive if the two disabilities were dealt with as one combined disability under the regulations of the Ministry of Pensions and National Insurance nor less than he would receive if they were so dealt with under the regulations here set forth.

11. If an Officer be injured in circumstances which entitle him to compensation from or on behalf of a third party for the act, omission or circumstances which caused the injury, any compensation received by him may be taken into consideration in determining the amount of any additional retired pay or disability retired pay which may be awarded under these regulations, and similarly, if such compensation is received after the award of additional retired pay or disability retired pay under these regulations, it may be taken into consideration and the award under these regulations may be amended or cancelled accordingly. If in the opinion of the Admiralty, an Officer either unreasonably refuses to prefer a claim for compensation against the third party, or unreasonably accepts an inadequate amount of compensation from such party, the additional retired pay or disability retired pay may be withheld or reduced at the discretion of the Admiralty.

12. "Rank" for the purpose of these regulations means the last substantive rank held by an Officer before retirement or discharge from the Active List.

13. Where the amount of any grant payable under these regulations is dependent upon length of service, the term "service" means service as reckoned for the purpose of calculating service retired pay, except as otherwise provided in these regulations.

14. If an Officer of the Royal Navy or Royal Marines, who has been seconded for service with the Royal Air Force and while serving therein has been paid at Royal Air Force rates of pay, is disabled by an accident while flying on duty or from causes directly attributable to the conditions of service in the Royal Air Force, he shall be dealt with as under the Royal Air Force Regulations appropriate to his rank in that Force or under Naval regulations appropriate to his rank in the Royal Navy or Royal Marines, whichever would be more to his advantage, subject to the following conditions, viz.:—

(i) Where the award under Royal Air Force regulations is dependent on length of service in a Royal Air Force rank or ranks, previous service in an equivalent, or any, Naval or Marine rank shall not be taken into account.

(ii) In the event of an Officer being invalided after return to the Royal Navy or the Royal Marines, the invaliding being directly attributable to service in the Royal Air Force, the award under Royal Air Force regulations shall not exceed that to which he would have been entitled had he been invalided on the date of his ceasing full pay in the Royal Air Force.

15. A Naval or Marine Officer who has been attached to the Royal Air Force for service with the Fleet Air Arm and while serving therewith has held a temporary Royal Air Force commission, if invalided on account of sickness or injury certified by the competent medical authority to be attributable to the conditions of the service during the period of attachment shall be dealt with, for the purpose of the award of retired pay, as under the Royal Air Force regulations, appropriate to his rank in that Force or under Naval Regulations appropriate to his rank in the Royal Navy or Royal Marines, whichever would be more to his advantage, subject to the following conditions:—

(i) Where the award under Royal Air Force regulations is dependent on length of service in a Royal Air Force rank or ranks, previous service in an equivalent or any Naval or Marine rank shall not be taken into account.

(ii) In the event of an Officer being invalided after return to the Royal Navy or the Royal Marines the award as under Royal Air Force regulations shall not exceed that to which he would have been entitled had he been invalided on the date of termination of his temporary commission in the Royal Air Force.

PROCEDURE FOR PLACING OFFICERS ON UNEMPLOYED PAY, HALF OR RETIRED PAY.

1. The authority for the payment of Unemployed Pay, Half-pay, or Retired Pay, to an Officer entitled thereto is given to the Paymaster-General, without preliminary application on the Officer's part. At the time this authority is issued, the Officer is informed of the award and is provided with a form of application for payment, which should be completed and forwarded to the Paymaster-General, Russell Square House, Russell Square, W.C.1. The appropriate payment forms will then be issued from time to time. Special arrangements are made by the Paymaster-General where Officers propose permanently to reside abroad.

2. All inquiries as to the payment of the awards referred to above should be addressed to the Paymaster-General, and not to the Admiralty.

COMMUTATION OF RETIRED PAY OR OTHER PAYMENT OF THE LIKE NATURE UNDER THE PENSIONS COMMUTATION ACTS, 1871 to 1882.

The following Pensions are commutable under the provisions of the Pensions Commutation Acts, 1871 to 1882, subject to such restrictions as may be imposed:—

Retired Pay or Pensions of all Officers.

Officers' Pensions for wounds or injuries, and Disability Retired Pay.

The following are not commutable:—

Good Service Pensions.

Naval and Greenwich Hospital Pensions.

Naval Compassionate Pensions.

2. By the 2nd section of the Act of 1871, the term Officer means commissioned Officer, Branch Officer, or Subordinate Officer of the Navy; Officers of the Royal Marines are included.

3. An Officer in receipt of a permanent pension for wounds or injuries may commute the whole or part of such Pension at any time, irrespective of age, subject if he be on the Retired List to his being left with a permanent pension, including retired pay, of not less than the minimum amounts specified in paragraph 4 (b) (ii) or (iii), or if he be on the Active List, to his pension, together with the retired pay (if any) for which he would be eligible at the date of his application if retired voluntarily being not less than the same minimum amounts, but an Officer promoted from active service rating or from the ranks to temporary commissioned rank in the Royal Navy or Royal Marines or to temporary commissioned rank in the Royal Naval Volunteer Reserve may, however, commute up to a third of his service retired pay, subject to the amount uncommuted not being reduced below £60.

An increase of retired pay awarded under the Pensions Increase Schemes is not commutable.

An applicant for commutation in receipt of Service retired pay and wounds pension will be required to commute the Pension for wounds first.

Permanent disability retired pay is commutable under the conditions applicable to Service retired pay. Permanent disability additions to Service retired pay are not commutable but for the purpose of determining the amount commutable under paragraph 4, Service retired pay and permanent disability addition thereto will be aggregated.

4. (a) No Officer will be allowed to commute any portion of his retired pay until he has attained the age of 40, unless he is certified, to the satisfaction of the Admiralty, to be permanently incapable of further active service, and in order to determine whether an Officer is permanently unfit for further service he may be required to undergo a medical survey.

(b) (i) No Officer will be allowed to commute more than half his retired pay if £300 or over.

(ii) No Officer will be allowed to commute so much of his retired pay if between £180 and £300 as would reduce it below £160.

(iii) An Officer whose total retired pay is less than £180 may commute an amount not exceeding

£30, provided that the total amount uncommuted is not thereby reduced below £120.

(c) A fee of one per cent. will be charged on the amount awarded provided that such fee shall never be less than £1 ls. nor more than £10 in each case.

5. No Officer will be allowed to commute any portion of his retired pay who is holding or is about to hold any appointment under the Crown the terms of which involve the suspension of his retired pay.

6. An Officer desirous of commuting a part of his retired pay must make application on the prescribed application form which can be obtained from the Secretary of the Admiralty. An application shall be deemed to be made as on the date on which the prescribed form duly completed is received at the Admiralty during the hours of public business, but not before the date from which payment of retired pay actually commences.

An Officer who has been adjudicated bankrupt or has had a Receiving Order made against him or is indebted to public funds, must disclose the facts and circumstances at the time of his application.

7. If the Admiralty shall think proper to recommend the commutation, the Officer will be so informed, and his letter of application will be forwarded to the Pensions Commutation Board, 19 Old Jewry, London, E.C.2, from whom he will receive further instructions. The fact that an Officer's application has been recommended by the Admiralty to the Commutation Board must not be taken to imply that the application will necessarily be approved by the Commutation Board and the Treasury.

8. The Commutation Board will require him to give such information as to his health and habits as is usual in the case of persons proposing to assure their lives in assurance companies, and he will be required to submit himself for personal examination by the Medical Officer to the Board in London. Officers living in Scotland, Northern Ireland or Eire, may, if they so desire and if the Pensions Commutation Board see fit, be permitted to be examined by the Board's Medical Advisers in Edinburgh, Belfast or Dublin respectively. Officers who are engaged in exceptionally hazardous occupations are liable to be debarred from commutation.

Officers resident abroad who desire to be exempted from personal attendance may apply to the Commutation Board accordingly, stating their reasons for making the request; and their applications will be submitted to the Lords Commissioners of Her Majesty's Treasury, whose decision in the case will be final. They may be allowed to commute as a privilege provided that suitable arrangements for medical examination, etc., can be made, but it should be understood that a considerable time may elapse before payment of any capital sum awarded can be effected, especially if the applicant is residing in a distant part of the world.

Officers who intend to proceed abroad should therefore endeavour to complete all formalities before doing so. In other cases, a certain amount of time could perhaps be saved if the Officer

appointed a friend or agent in England to whom the Pensions Commutation Board could communicate the result of the application and who could then advise him by cable, if desired, in advance of the formal notification posted by the Board.

9. If an applicant neglects or refuses within a period of seven months after the date on which the application was made to furnish information, required by the Pensions Commutation Board or to attend for medical examination, no further steps will be taken by that Board without a renewed application from the person proposing to commute, and a further recommendation from the Admiralty.

10. The basis of the commutation will be the following Table, subject to an addition of years of age in the case of impaired lives:—

Age next Birthday.	Number of years Purchase.	Present Value of the Annuity of £100.	Age next Birthday.	Number of years Purchase.	Present Value of the Annuity of £100.

11. Applicants for commutation will continue to draw the retired pay which they have applied to commute until the date upon which the warrant for the Treasury Award is handed by the Pensions Commutation Board to the National Debt Commissioners, or until seven months have elapsed from the date upon which an application to commute was received at the Admiralty whichever is the earlier.

If the Pensions Commutation Board are unable to recommend commutation and the Treasury concur, the applicant will be informed accordingly. If the application is granted, he will be informed of the amount of money to be paid in commutation as soon as it has been fixed by the Treasury on the recommendation of the Pensions Commutation Board. The approved sum will be immediately available for payment. The applicant will, however, have the option of withdrawing his application on the payment of a fee of £2 within 30 days after the date of despatch of the Notice of Award, but, in exceptional circumstances or where the distance is so great as to make it

impossible for a reply by post to be received within 30 days, the time may be extended to such a period as the Treasury directs. If the applicant shall not withdraw his application and pay the above fee within that period, the decision will be considered final, and the commutation will take place absolutely. Officers must not assume that the recommendation of the Commutation Board will be necessarily approved by the Treasury and should make no arrangements depending on commutation until informed by letter from the Commutation Board of the amount awarded.

12. The Admiralty have full discretionary power to forward, or to refuse to forward, applications for commutation to the Commutation Board, especially in the case of persons reported for neglect or desertion of family; of persons under stoppage of Pension by Bankruptcy Orders; of persons likely to go abroad and leave their families a burden on the public; and such like cases.

13. If any applicant for commutation wilfully makes any false declaration in relation thereto he shall be liable to forfeit all claim to his retired pay or the value thereof, and to imprisonment, or fine or both.

14. Retired pay or pension commuted in whole or part is finally surrendered, in the same way that the amount received in commutation becomes the absolute property of the Officer commuting. The basis of assessing present value covers the possibility of the Officer outliving the given number of years' purchase as well of his predeceasing it. If an Officer who has commuted a part of his retired pay is re-employed, the amount commuted will be deducted from his full pay during the period of his re-employment.

15. The Widows of Officers who commute will be granted Pensions according to the usual scale, provided:—

(a) That they married before the date of commutation.

(b) That their husbands' names were on the List of the Navy at the time of death.

(c) That they are otherwise eligible for Pensions.

16. The Children of Officers who commute will be granted Children's Allowances according to the usual scale, provided:—

(a) That they were born before date of commutation.

(b) That their fathers' names were on the List of the Navy at the time of death.

(c) That they are otherwise eligible for Children's Allowances.

17. The Pensions to Widows of Officers who marry after commutation, and the Allowances to children born after commutation will be reduced in proportion to the decrease caused in the retired pay of the Officer by such commutation.

18. The claims of Officers to be awarded Naval Pensions, Naval Compassionate Pensions, or Greenwich Hospital Pensions will not be affected by their having commuted their Pensions, provided their names are on the List of the Navy.

19. Officers who have already commuted the whole of their retired pay should report themselves by letter annually, on or shortly after the 1st January, to the Secretary of the Admiralty, or to the Commandant General, Royal Marines (for R.M. Officers) in order to ensure that their names are retained in the Navy List.

20. During a time of war an Officer who is employed on active service or is eligible for such employment will not be permitted to commute retired pay or wounds pension.

RETIREMENTS, &c.

GENERAL RULES.—CONDITIONS OF RETIREMENT, &c.

NOTE—For Tables of Full, Half, and Retired Pay, and Gratuities, see pp. 5, 18 and 22.

NAVAL OFFICERS.

I.—General Rules

1. Officers who have not reached the age for compulsory retirement may, at Admiralty discretion, be allowed to retire voluntarily, or to resign, as appropriate.

The overriding factor in considering such applications will be the requirements of the service and, subject to special consideration when compassionate grounds are advanced, no officer will be allowed to retire voluntarily, or to resign, if service requirements would thereby be prejudiced.

2. Except as provided below for Officers promoted to the rank of Captain, R.N., before 1st August, 1938, and Flag Officers promoted to the rank of Rear-Admiral before 1st August, 1938, Officers (other than Admirals of the Fleet and General Officers, Royal Marines) will be placed on the Retired List when it becomes certain that they will not be further employed.

3. Officers will be retired at any age at the discretion of the Admiralty if found physically unfit to serve.

4. Regulations governing the retirement of Officers for misconduct, unfitness for employment or sickness due to causes within their own control are in Appendix 4 of the Queen's Regulations and Admiralty Instructions.

5. Retirement from the Active List is not to disqualify any Officer for employment at or under the Admiralty.

6. Officers appointed to technical and administrative posts, which carry with them rates of pay

and pension on a civilian basis, shall be supernumerary to the Established lists while so employed.

II.—Flag Officers.

1. Under Order-in-Council dated 6th February, 1940, Admirals of the Fleet are borne on the Active List of the Royal Navy for life.

2. The ages for compulsory retirement of other Flag Officers shall be:—

Admirals, 65.

Vice-Admirals, 65.

Rear-Admirals, 60.

Officers promoted to the rank of Captain, R.N., before 1st August, 1938, and promoted to the rank of Rear-Admiral after 1st August, 1938 (other than Rear-Admirals placed on the Retired List immediately on promotion), will be placed on the Retired List when it becomes certain that they will be given no further employment, on a special rate of retired pay assessed as shown in Note b to paragraph 1 of the Retired Pay Regulations on page 30. An Officer promoted to the rank of Captain, R.N., before the 1st August, 1938, and promoted to Rear-Admiral after 1st August, 1938, if the decision that he shall not be given further employment is reached at any other period in his career, will be placed on the Retired List immediately if he is then unemployed or at the end of his appointment, if he is in employment; if retired as Rear-Admiral or Vice-Admiral he will receive one promotion on the Retired List to Vice-Admiral or Admiral respectively when the officer on the Active List below him is promoted.

4. Flag Officers (except Admirals of the Fleet) who were promoted to the rank of Captain after 1st August, 1938, will be placed on the Retired List, when it becomes certain that they will be given no further employment.

If such an Officer should be in an appointment when the Officer below him is promoted to Vice-Admiral he will be retained on the Active List as a Rear-Admiral until the end of his appointment and will then be placed on the Retired List.

III.—Captains.

1. The age for compulsory retirement is 55

2. Captains approaching the top of the list, if it is decided that they shall not be promoted to Rear-Admiral, will be placed on the Retired List immediately, if unemployed, but if in employment will be placed on the Retired List at the end of their employment.

3. Captains promoted to that rank after 1st August, 1938, will be placed on the Retired List when it becomes certain that they will not be further employed.

IV.—Commanders.

1. The age for compulsory retirement is 50.

V.—Lieutenant-Commanders and Lieutenants (other than under XIII).

1. The age for compulsory retirement is 45.

2. Lieutenant-Commanders who were promoted to the rank of Lieutenant before the 8th October, 1931, may, by permission of the Admiralty, rise to the rank of Retired Commander, if, before retirement, they have served the time to qualify them for promotion on the Active List; but no Officer can obtain this step till he has attained the age of 40.

VII.—Engineer Officers.

1. ENGINEER-IN-CHIEF.

(1) To be compulsorily retired on ceasing to hold the appointment or on attaining the age of 65 if not superseded before.

2. ENGINEER REAR-ADMIRALS AND REAR-ADMIRALS (E)

66 PENSIONS, ALLOWANCES, &c., TO DEPENDANTS OF R.N. AND R.M. OFFICERS.

2. For the purpose of assessing these pensions and gratuities, the rank of the Officer shall be, except as hereinafter provided, the highest substantive rank held by the Officer on the Active List. In the case of a Chaplain on the retired list, seniority for this purpose shall be taken as seniority at date of retirement. Brevet or honorary rank shall not count, except where otherwise specifically stated, but the rank of Commodore 1st or 2nd class shall be regarded as a substantive rank. Brevet rank held on the active list prior to or on the 25th June, 1925, shall also be regarded as a substantive rank.

The widows and dependants of Officers of the following ranks shall be eligible, subject to these regulations, for pensions or allowances at the rates appropriate to the substantive rank in which the Officers were acting or serving in a probationary capacity at the time of their death:—

Probationary Lieutenants, Royal Marines.

Acting Lieutenants promoted to that rank under Orders in Council 25th May, 1939, 25th July, 1939, and 8th December, 1944.

Acting Warrant Officers (this term including Schoolmaster Candidates, Royal Navy, and Probationary Schoolmasters, Royal Navy and Royal Marines).

If an Officer accepts a temporary rank lower than his substantive rank and dies in circumstances rendering his widow eligible for a pension at the attributable rate, his widow shall not receive a pension greater than the rate on the attributable scale appropriate to her husband's temporary rank, unless eligible for a higher pension on the ordinary scale appropriate to his substantive rank. (See however, Clause 19 regarding Supplementary Widows' pensions).

Pensions and gratuities appropriate to higher rank than that last held by the Officer on the active list may, however, be granted in the following cases:—

(a) The widows of Officers who were promoted to the rank of Captain, Royal Navy, on the Active List and advanced to the rank of Flag Officer whilst on the retired list, and were retired or married before the 10th November, 1880, may receive pensions and gratuities applicable to the rank last held by their husbands on the retired list.

(b) The widows of Officers referred to in the notes to the tables in Clause I may be granted pensions as laid down therein.

(c) The widows of Officers promoted to Commissioned Officers from Warrant rank on the active list prior to the 25th June, 1925, may be granted pensions and gratuities applicable to the rank or relative rank of Lieutenant, Royal Navy, provided that their husbands:—

(i) If on the retired list at the date of death, retired after the 1st April, 1896 (or in the case of Officers of the Schoolmaster Branch, after the 10th January, 1910), with the substantive, honorary or relative rank of Lieutenant, Royal Navy, or Lieutenant, Royal Marines, as the case may be, or

(ii) If on the active list at the date of death, were qualified in all respects under the regulations for the grant on retirement of the rank or relative rank of Lieutenant, Royal Navy, in the case of Naval Officers or of the rank or relative rank of Lieutenant, Royal Marines, in the case of Royal Marine Officers, and had attained the age of 40 years.

(d) The widows of Officers whose deaths were directly attributable to the conditions of service may receive pensions and gratuities applicable to the highest substantive rank held by their husbands on the active list, or while re-employed in a service capacity during war or emergency.

(e) The widows of retired Officers who were re-employed in a service capacity during war or emergency prior to the 17th December, 1920,

may receive pensions at the ordinary rate applicable to the highest substantive rank held by their husbands during such re-employment.

(f) The widows of retired Chaplains who were re-employed in a service capacity during war or emergency prior to the 17th December, 1920, may receive pensions based on the seniority of their husbands at date of retirement, increased by the amount of actual service during such re-employment.

(g) The widows of Officers who have held paid acting rank higher than their substantive rank for a minimum period of three years on the Active List, between 3rd September, 1939, and 31st October, 1954, inclusive, may receive pensions at the ordinary rate applicable to the acting rank, one step above the highest substantive rank held by their husbands.

3. Pensions at the attributable rate may be granted in all cases where death is due to wounds, injuries or disease certified by the competent medical authority to be directly attributable to the conditions of service, provided:—

(i) That the marriage took place before the Officer received the wound or injury or before such first removal from duty. As from 1st February, 1946, pension may be granted irrespective of the date of marriage, if the Officer died on or after the 3rd September, 1939.

(ii) In the case of disease, that the Officer survived the marriage by at least a year unless it can be shown that he was manifestly in good health at the time of the marriage, and,

(iii) In the event of death after retirement, that the Officer did not elect the conditions of voluntary retirement instead of retirement for disability. (See Clause 7, Schedule III, Disability Retired Pay Regulations.)

4. A Warrant Officer's widow who is in receipt of a pension for herself at the attributable rate and has a child in her care, may be granted a rent allowance at the rate and under the conditions laid down for the widows of Naval ratings, provided that the total of widow's pension, children's allowances and rent allowance shall not exceed the total of widow's pension and children's allowances that would have been payable had her husband been a Sub-Lieutenant.

5. The additional gratuity to the widow, together with pension at the attributable rate, may be granted in cases where the Officer is killed in action or dies of wounds received in action within seven years of the date on which the wounds were received.

So long as this rule shall continue in force for Officers of the Royal Air Force, the gratuity to the widow may also be granted in cases where the Officer is killed on flying duty, or while being carried on duty in aircraft under proper authority, or dies of injuries sustained on flying duty or while being carried on duty in aircraft under proper authority within seven years of the date of the injuries.

(NOTE.—The rate and general conditions applicable to awards of pensions, etc., to widows and other dependants of Sergeants-Major, R.M., the causes of whose deaths are certified by the competent Naval Medical Authority to be directly attributable to the conditions of service, are the same as those for Warrant Officers, Class I, in the Army, vide Articles 1170 to 1183 of the Royal Warrant for Pay, etc., of the Army, and Order-in-Council of 2nd February, 1937, No. 131/N.)

6. In cases which the deaths of Officers are not certified by the competent medical authority to be attributable to the conditions of service, pensions not exceeding the ordinary rate laid down in Clause 1 of these Regulations may be granted to widows of Officers other than temporary Officers on the active or retired list of the Royal Navy and Royal Marines at the time of their death, and of permanent Officers of the Coast Guard (not being pensioned ratings), including the Cruiser service.

PENSIONS, ALLOWANCES, &c., TO DEPENDANTS OF 67 R.N. AND R.M. OFFICERS.

Except where the Officer dies in such circumstances as would render his widow eligible for a pension at the attributable rate, a pension shall not be granted to a widow:—

(a) If her husband, being capable of service, should have been excused at his own request from serving when called upon, provided that he had been officially warned that his widow would thereby forfeit the pension.

(b) If her husband should have died in the service of a foreign state, unless serving with the permission of the Admiralty.

(c) If she had not been married for 12 months to the Officer deceased, unless it be shown that such Officer was manifestly in good health at the date of his marriage and that his death was not due to injury or disease arising from his misconduct or from any causes within his own control.

(d) In the case of Officers who retired after the 10th November, 1886, or Officers retired before that date whose widows are not eligible for pensions under the regulations existing before the 25th June, 1925, if the marriage took place after the Officer was removed from the Active List.

If, however, the Officer was subsequently to his marriage, or at the time of his marriage, re-employed in time of war or emergency, a pension may be awarded to the widow: provided that such re-employment occurred before the 17th December, 1929, or after 2nd September, 1939, which entitled the officer to a revision of retired pay and subject to the other conditions laid down in these regulations.

(e) If her husband retires with a gratuity on or after the 25th June, 1925, or if he retired with a gratuity only under the provisions of Order-in-Council of 14th July, 1922, or, being a Medical or a Dental Officer or a Royal Marine Officer, retired or withdrew with a gratuity prior to the 25th June, 1925.

(f) Unless her husband shall have had—

(i) In the case of Chaplains already on the list on the 25th June, 1925, if they are still on the list at the time of their death, 3 years' service on full pay, of which one year must have been subsequent to the marriage, provided the widow is otherwise qualified.

(ii) In the case of Officers promoted after service as ratings in the Royal Navy, or in the ranks of the Royal Marines, 12 months' service in Warrant or Acting Warrant or in Commissioned rank, or in the case of pensioners who were granted temporary acting Warrant rank or Commissioned rank during the First World War (1914-1919), 12 months' service in such rank.

(iii) In the case of other Officers, including Chaplains where the conditions under (i) are not satisfied, 10 years' seniority on the Active List in Commissioned or Warrant rank or in Commissioned and Warrant rank combined or in the case of Officers who retired before the 10th November, 1886, and whose widows are eligible for pensions under the regulations existing before the 25th June, 1925, 10 years' seniority as Commissioned Officers either on active, reserved, or retired lists combined. Should an Officer already on the list and already married on the 25th June, 1925, have 5 years' seniority or more on the active list, have been in good health when he married, and it be clearly shown that his death was not due to injury or disease arising from his misconduct or from any causes within his own control, the Admiralty may award pensions in such cases as they may think proper.

(g) In the case of an Officer entered in the Air Branch, unless he had retired with service retired pay or had been retained on the Active List beyond 15 years to complete time for retired pay. This period includes such service in the Royal Air Force as is allowed to qualify for Naval retired pay.

7. The widow of an Officer placed on the

retired or pension list, on or after the 2nd August, 1910, on account of misconduct, after having completed not less than 20 years' service counting towards retirement or pension may, at the discretion of the Admiralty, be granted a pension if she is otherwise eligible, provided that a deduction of not less than 10 per cent. shall have been made from the retired pay or pension to which, but for his misconduct, the Officer would have been entitled. In such cases, the widow's pension shall be reduced by not less than half the percentage by which her husband's retired pay or pension has been reduced.

8. The widow of an Officer placed on permanent half-pay or on the retired or pension list for misconduct, before the 2nd August, 1910, shall not be eligible for a pension.

9. The pension of a widow who re-marries shall be suspended from the date following that of her re-marriage but, in the event of her again becoming a widow, her pension may, at the discretion of the Admiralty, be restored for such time as she remains a widow, provided that she is otherwise qualified and that her pecuniary circumstances are such as, in the opinion of the Admiralty, to justify the award. Should she become eligible by re-marriage for a pension at a different rate, she may choose that which is more to her advantage.

ALLOWANCES TO CHILDREN

10. Allowances to the legitimate children (*see* Note (a)) of deceased Officers may be granted at the discretion of the Admiralty at the following rates, provided it be shown that the children have no other allowance, pension or provision from the public on account of the Officer's services, and that in cases where the Officer died in circumstances which would entitle the widow to a pension at the ordinary rate, their pecuniary circumstances are, in the opinion of the Admiralty, so limited that they actually require assistance.

Where the Officer died in circumstances which would entitle the widow to a pension at the attributable rate:—

As from 1st September, 1952, these rates were increased to £49 and £50, respectively.

As from 1st January, 1947, a motherless child who has attained the age of 18 years and in whose case the conditions under Clause 11 as to incapacity are fulfilled, the allowance may be awarded at, or if already awarded, increased to, a rate not exceeding £68 a year. As from 1st August, 1952, this rate was increased to £84 10s. 0d.

Where the Officer died in circumstances which would entitle the widow to a pension at the ordinary rate:—

(In such cases, the Admiralty may, at their discretion, grant smaller rates of allowances, if the pecuniary circumstances of the children are, in their opinion, such as to justify allowances, though not at the full rates. Such provision to have effect as from the 1st January, 1924).

Warrant Officers and equivalent ranks in the Royal Marines and Coast Guard	26	45
Sergeants-Major, R.M.	20	40

(See Note (vi) at foot of clause 1.)

The children of an Officer retiring or with-
drawing with a gratuity will not be eligible for
allowances if the widow is ineligible for an ordinary
pension under these regulations, unless the Officer
died in circumstances which would entitle his
widow to a pension at the attributable rate.

NOTE.—(a) Where the Officer died in circum-
stances which would entitle the widow to a pension
at the attributable rate, allowances may, in certain
circumstances and with effect from 1st June, 1939,
be granted in respect of other children.

11. The allowances granted to the children of
Officers may be continued:—

(i) In the case of sons until they attain the
age of eighteen or are otherwise provided for;
and

(ii) In the case of daughters until they marry
or attain the age of eighteen (see Note (a)),
whichever shall happen first, or, in the case
of allowances granted on or after 17th
September, 1942, are otherwise provided for;
and no longer, except in special cases, in which it
shall be shown that such sons or daughters are
afflicted with a mental or bodily infirmity rendering
them incapable of making adequate exertion for
their own support, and that they are still in dis-
tressed circumstances, when the allowance may be
continued, or revived, should any break of con-
tinuity have occurred.

These allowances may be granted or continued
after the ages specified in the preceding paragraph
in the case of either sons or daughters who are
apprentices receiving not more than nominal wages
or who are being educated at Grammar schools,
technical institutions or universities.

They may also be awarded in special cases where
the sons and daughters of Officers who were not in
receipt of allowances when under age, are rendered
incapable of making adequate exertion for their
own support through infirmity, dating from a
period before the father's death, and before the
sons and daughters reached the age at which in
ordinary circumstances allowances would cease,
provided that they are in distressed circumstances.

NOTE.—(a) Allowances (other than those granted
on an attributable basis with effect from a date
earlier than the 10th November, 1932), to unmarried
daughters of Officers who have neither:—

(i) Been promoted to higher rank on the
Active List, nor

(ii) Entered the service.

subsequent to the 10th November, 1932, will
normally continue to the age of twenty-one.

12. Children who are being educated at the
expense of Greenwich Hospital may be granted
the allowances applicable to their father's rank,
provided they are in real need.

13. In the event of a widow re-marrying, her
children by the first marriage are still eligible for
allowances, provided they are otherwise qualified
to receive them.

14. Allowances to children are payable from
the date following that of the Officer's death to the
31st March next ensuing, and subsequent payments

are made yearly in advance from the 1st April
in each year.

15. In addition to these allowances, an
allowance may be granted, at the discretion of the
Admiralty, for the education of the children of
Officers (other than Sergeants-Major, R.M.) who
die in circumstances which render the widow
eligible for a pension at the attributable rate,
provided that the pecuniary need of the family is
such as to require it. The allowance shall be at
such rates (not exceeding £80 per annum) as the
Admiralty may think fit, and shall commence on
or after the attainment of the age of 5. The
continuance of the allowance shall be dependent
upon the Admiralty being satisfied as to the educa-
tion which the child is receiving and it shall cease
at the age of 18, unless the education of the child
is being continued at a Grammar school, technical
school or university, when it shall be within the
discretion of the Admiralty to continue it, on the
recommendation of a competent educational
authority.

ALLOWANCES TO OTHER DEPENDANTS.

16. (1) If an Officer dies in circumstances
which would have qualified his widow, or child,
had he been married, for a pension or allowance
at the attributable rate, his parent or parents may
be granted an annual allowance subject to such
conditions as the Admiralty may determine
provided that:—

(a) the Officer did not leave a widow or a
child eligible for an allowance under these
regulations;

(b) the parent or parents are in pecuniary
need;

(c) either the parent or parents were largely
dependent on the Officer at the time of
his death, or the father is deceased or
incapable of self-support through age or
infirmity.

(2) The rate of allowance shall be at the discretion
of the Admiralty but shall not exceed:—

(a) Officers of the rank of One and a half
equivalent rank of Lieutenant - Commander, the "Or-
R.N., and above dinary" rate of
Widow's Pen-
sions.

(b) Other commissioned £100 a year.

(c) Warrant Officers R.N., £80 a year.
Subordinate Officers
R.N., after completion
of shore training, and
Officers of equivalent
rank.

As from 1st February, 1946, the rate at (c) shown
above shall be cancelled and the rate of £85
substituted therefor.

In exceptional cases, the rate of pension may be
increased in excess of the foregoing rates by a sum
not exceeding £20 a year.

(3) A grant shall not be transferable, but, if
an award has been made to the two parents of an
Officer, payment of pension may be continued to
the survivor at such rate as the Admiralty may
determine.

(4) A grant to a mother shall cease if she re-marries.
BROTHERS AND SISTERS.

17. Similarly, brothers and sisters of an
Officer who died in circumstances which would
have rendered his widow, had he been married,
eligible for pension at the attributable rate, may,
collectively, be granted an annual allowance of
such amount as the Admiralty may decide, but not
exceeding half the pension the widow would have
received, and not exceeding £24 (or £18 if the
deceased was a Warrant Officer) for any one brother
or sister, provided:—

(i) That the Officer did not leave a widow,
legitimate child or parent;

(ii) That the brothers and sisters were largely

dependent on the Officer at the time of his death ; and

(iii) That their pecuniary and other circumstances are such as, in the opinion of the Admiralty, justify the grant.

Allowances granted to the brothers and sisters of Officers shall be subject to the same age limits and rules as to continuance and cessation as those laid down for the allowances of Officers' children, except that the grant will not be continued beyond the normal ages, unless in cases of mental or bodily infirmity.

GENERAL

18. A pension or allowance to the widow or other relative of a deceased Officer shall not be claimed as a right. It shall not be granted when the applicant is shown to be unworthy of the Public Bounty, nor unless the Officer's service has been such as, in the opinion of the Admiralty, to justify the award. It may, at the discretion of the Admiralty, be discontinued in the event of any misconduct rendering the recipient unworthy of such bounty.

In the event of an Officer acquiring foreign nationality, any pension or allowances which might otherwise be payable to his widow shall be liable to forfeiture.

19. If the applicant is granted any other pension or allowance from the public on account of the Officer's services, whether in the Royal Navy, Royal Marines, or in any other capacity, the amount of such other pension or allowances will be taken into consideration and the grant permissible under these regulations may be withheld or reduced at the discretion of the Admiralty, but this provision shall not apply where a pension is awarded from the Civil List or a pension or an allowance is awarded by the Ministry of Pensions and National Insurance under the Personal Injuries (Civilians) Scheme. (See also Clause 20 regarding supplementary pensions and allowances to the widow and children of a retired Officer who loses his life as a result of further service during the present war in a rank lower than his rank on the retired list.)

20. In the case of a retired Officer who loses his life as a result of further service in any of H.M. Forces during the 1939/45 war in a rank lower than his rank on the retired list, the Admiralty may, at their discretion, supplement the widow's pension and children's allowances, if any, payable by the Ministry of Pensions and National Insurance under the Naval War Pensions Regulations up to the extent necessary to ensure that the total of the pensionary awards payable by the two Departments shall be equal to the total of the pensionary awards which would have been payable by the two Departments had the Officer died as the result of service as a member of a Civil Defence Organisation scheduled in the Personal Injuries (Civilians) Scheme, provided, however, that the total of the pensionary awards by the two Departments shall not exceed those which would have been payable by the Ministry of Pensions and National Insurance had the Officer lost his life as a result of service during the 1939/45 war in his rank on the retired list. The award and payment of these supplementary pensions and allowances will be subject to the general rules governing the award and payment of Naval pensions and allowances to the widow and children of an Officer who dies from causes not directly attributable to the conditions of service.

21. A pension may be awarded, at Admiralty discretion, to a widow who was living apart from her husband at the time of his death, provided that she is otherwise eligible under these regulations. Any pension so granted will be at such rate within the scales laid down in this Order and subject to such conditions as the Admiralty may determine.

22. Any case in which the deceased Officer's rank is not provided for in Clause 1 of these regulations shall be dealt with according to the Officer's

relative rank, ascertained in accordance with the method outlined in Clause 2 of these regulations.

23. The date of commencement of any pension or allowance granted under these regulations will, as a rule, be the day following the date of the Officer's death. The date of commencement is, however, at the discretion of the Admiralty, and in fixing the date account will be taken of any delay on the part of the widow or other relative in applying for such pension or allowance.

Where a temporary post-mortem allowance is paid in respect of an Officer who at the date of his death was either on the Active List or re-employed at Naval rates of pay, the widow's pension and children's allowances, if any, will, as a rule, be paid with effect from the day following the termination of the temporary allowance. Where, however, the pension and children's allowances are greater than the temporary allowance, the pension, etc., will be ante-dated to the day following that of the Officer's death, and the temporary allowance treated as a recoverable advance of pension.

24. The benefits granted by these regulations to the widows and other dependants of Officers on the permanent lists shall be extended, subject to the other conditions here laid down, to the widows and other dependants of Officers of the Reserve Forces, or of Officers entered for temporary service only, provided that they die in circumstances which would, had they been on the permanent lists, have entitled their widows to a pension at the attributable rate.

25. If an Officer, Commissioned Officer from Warrant Rank, or Warrant Officer, is killed or dies in such circumstances that any grant is payable in respect of him under these regulations, and his widow, child or other dependant receives compensation from or on behalf of a third party for the act, omission or circumstances which caused the death, any such compensation may be taken into consideration in assessing any grant which might be made in respect of the Officer, Commissioned Officer from Warrant Rank, or Warrant Officer under these regulations; and if the compensation is received after assessment, it may be taken into consideration and the assessment may be amended or cancelled.

If, in the opinion of the Admiralty, the widow, child, or dependant relative of a Naval or Marine Officer either unreasonably refuses to prefer a claim for compensation against a third party, or unreasonably accepts an inadequate amount of compensation from such party, any pension or other grant which may be or may have been awarded under these Regulations may be withheld or reduced at the discretion of the Admiralty.

26. If an Officer, Commissioned Officer from Warrant Rank, or Warrant Officer who has been seconded to the Royal Air Force and paid at Royal Air Force rates of pay dies of wounds, injuries or disease directly attributable to the conditions of service in the Royal Air Force, his widow, children or other dependent relatives shall be dealt with as under the Royal Air Force regulations appropriate to his rank in that Force, or under Naval regulations appropriate to his Naval rank, whichever would be more to their advantage, subject to the condition that such award, if made as under the Royal Air Force regulations, shall not exceed that which might have been made had the Officer died on the date of his ceasing to draw full pay in the Royal Air Force.

27. If an Officer's death, or the wound, injury or disease which resulted in his death, was due wholly or in part to his own negligence or misconduct, or to any cause within his control, any grant which might otherwise have been made under these regulations to his widow or other dependent relative may be withheld or reduced in amount at the discretion of the Admiralty.

28. With regard to the effect of commutation on widows' pensions and allowances, see paragraphs

70 PENSIONS, ALLOWANCES, &c., TO DEPENDANTS OF R.N. AND R.M. OFFICERS

15, 16 and 17 of the Commutation Regulations (page 56).

29. The rates of pension, etc., laid down in these Regulations are the maximum amounts payable, and the Admiralty have no power to

increase them. Should further assistance be sought it is recommended that a letter be addressed in the first instance to the Secretary, Central Bureau, 1 Chesham Street, S.W.1, who would advise as to any private Funds to which application might be made.

PENSIONS AND GRATUITIES TO WIDOWS AND DEPENDANTS OF NAVAL AND ROYAL MARINE OFFICERS (NEW SCHEME).

1. Pensions becoming payable under this scheme will have effect from 1st December, 1952, or the date of qualification, if later.

2. This new scheme applies to the families of R.N. and R.M. Officers who give service on the active list after 31st August, 1950.

The minimum period of service required will be as for service retired pay, viz., normally 20 years, or 10 years if the officer is invalided (or dies while serving).

The assessment of rank (including credit for paid acting and temporary rank) will also be as for service retired pay.

B.—FAMILIES OF TEMPORARY BRANCH OFFICERS

(i) The families of officers of this category who are eligible for service retired pay under special regulations will qualify for pensions as follows :—

Widows

Where the officer has completed 20 years' reckonable service (or 10 years if he is invalided or dies while serving) the pension will be £70 a year. Where he has less than that service, but more than 15 years' total service, the pension will be £80 a year.

Children

Children's pensions will be as for the children of permanent regular officers.

(ii) The families of officers of this category who are eligible for service pensions on the ratings' scale only will be allowed pensions as follows :—

Widow	£ 60 a year
Each child	.. 20 a year
(If motherless)	.. 40 a year

The minimum period of service required will be as for service pension, viz., normally 22 years reckonable service, or 12 years if the officer is invalided (or dies while serving). At least two years' service as Temporary Branch Officer during the last five years of service will be necessary.

General Conditions for Award, etc.

The marriage must have taken place before retirement (or, where there is subsequent re-employment entitling the member to a revision of his service retired pay, before the termination of the re-employment).

There will be no condition relating to income, or to the relative ages of husband and wife, or to the husband's age on marriage. If the wife was separated from her husband and not fully supported by him, and in certain other circumstances, awards will be discretionary, as hitherto.

The pensions will not be payable in conjunction with awards by the Ministry of Pensions and National Insurance in respect of death due to service.

A widow's pension will cease on her remarriage, but, if she again becomes a widow, the award may be resumed at discretion.

Children's pension will be given where the widow is (or would, if living, have been) eligible for pension. In addition to children of the officer, adopted children and step-children will, subject to certain conditions, be eligible. Pensions will be payable normally up to age 18 in respect of the children of officers, but may be paid beyond those ages in certain circumstances (e.g., during further education).

GRATUITIES TO WIDOWS, ETC.

This is a new benefit for the widows of regular officers who die while serving after 31st August, 1950 (including those serving on short service or extended service commissions).

The amount of gratuity will be as follows :—

OFFICERS (including Temporary Branch Officers who are eligible for service retired pay under special regulations).

(a) When death occurs while serving on the Active List.

	<i>Amount of Widow's Gratuity</i>
(i) Where a Terminal Grant would have been payable on invaliding—with 20 or more years' reckonable service ..	£ 900
Less £45 for each year or part of a year short of 20 years. Minimum with 10 years' reckonable service ..	450
(ii) Where no Terminal Grant would have been payable	200

(b) When death occurs during Re-employment.

	<i>Amount of Widow's Gratuity</i>
(i) Where the re-employed officer had retired from the Active List with full Terminal Grant	£ 200

- (ii) Where the re-employed officer had retired from the Active List with only a partial Terminal Grant, or with none at all, and his re-employed service would have qualified him for a Terminal Grant, or addition to a Terminal Grant . . . 200, or if greater, a gratuity equal to 90% of the Terminal Grant the officer would have received if his re-employed service had been terminated by invaliding.

Normally the gratuity will be payable in full to the widow. It may, however, be withheld or reduced where the widow was separated from and not dependent on her husband. Where there are children not dependent on the widow, part of the gratuity may be withheld from her and paid for the benefit of the children.

Where there are children but no widow, the gratuity may be paid in part or in whole, for the benefit of the children.

Children dependent on women members of the Forces who die while serving will similarly be eligible for gratuities in certain circumstances.

NAVAL COMPASSIONATE, GREENWICH HOSPITAL AND TRAVERS PENSIONS.

OFFICERS.

Officers wishing to be considered for these pensions should apply to:—The Director of Greenwich Hospital, 14 Buckingham Gate, London, S.W.1, who will furnish application forms. Awards can only be made as vacancies arise.

1. NAVAL COMPASSIONATE, GREENWICH HOSPITAL, AND TRAVERS PENSIONS may be awarded, at Admiralty discretion, to retired permanent regular officers of the Royal Navy or Royal Marines.

The number and amounts of such pensions will be regulated by the funds available for the purpose.

2. IN SELECTION, regard will be had to the following factors:—

- (a) good service
- (b) need
- (c) misfortune, or other special circumstances (e.g., infirmity due to age).

3. THE AMOUNT OF A NAVAL COMPASSIONATE PENSION will depend on the circumstances of the case and the funds available, but will not normally exceed £100 per annum. In very exceptional circumstances, however, a larger pension may be awarded, but in no case exceeding £200 per annum.

4. GREENWICH HOSPITAL PENSIONS will be awarded under the same general conditions

as above. These pensions will not exceed £100 per annum.

5. TRAVERS PENSIONS will also be awarded under the same general conditions to retired permanent regular officers of the Executive Branch whose last rank on the Active List was Lieutenant or Lieutenant-Commander, or such other Executive Officers retired from these ranks as the Admiralty may decide. A Travers pension will not exceed £100 per annum.

6. ONLY IN SPECIAL CIRCUMSTANCES may an officer receive a Naval Compassionate pension and a Greenwich Hospital (or Travers) pension concurrently.

An officer may not receive a Greenwich Hospital and a Travers pension concurrently.

7. ALL THESE PENSIONS WILL BE SUBJECT TO REVIEW from time to time. A pension may be withdrawn at any time should the conditions under which it was granted cease to apply.

8. NO FURTHER GRANTS OF GOOD SERVICE PENSIONS OR NAVAL PENSIONS will be made under the regulations in force prior to the 1st April, 1949. Pensions already awarded under those regulations will be continued subject to the conditions laid down when the pensions were granted.

72 PENSIONS AND GRATUITIES TO ROYAL NAVAL RATINGS, WOMEN'S ROYAL NAVAL SERVICE RATINGS AND ROYAL MARINES (OTHER RANKS.)

PENSIONS AND GRATUITIES TO ROYAL NAVY RATINGS, WOMEN'S ROYAL NAVY RATINGS, AND ROYAL MARINES (OTHER RANKS.)

NOTES.—(a) The award for compensation for disablement directly due to service after 2nd September, 1939, is governed by the Regulations of the Ministry of Pensions, which are shown at the end of this Appendix.

(b) Details of a Pensions Increase Scheme appear later in this Appendix (see Index).

I. General Regulations.

1. The following Regulations are supplementary and subordinate to the Regulations for the award of Pensions or Gratuities in respect of Service or Disability published in Chapter LVI of the Queen's Regulations and Admiralty Instructions (1943).

2. Any pensioner convicted of felony and sentenced to penal servitude, imprisonment with hard labour, or imprisonment exceeding twelve months, or of an attempt to commit a fraud in the receipt of pension or prize money, shall be struck off the pension list. *Note.*—The personating or falsely assuming the name or character of a Naval pensioner in order to obtain his pension money is made felony by Act of Parliament.

3. All pensions are tenable only during good behaviour, and may be suspended or forfeited by reason of misconduct on the part of the pensioner, to be judged of by the Admiralty, but the Admiralty at their discretion, may restore, either wholly or partially, any pension which has been suspended or forfeited.

4. A pension so restored may be paid to, or applied for the benefit of the pensioner's wife, children, or other dependants, for the period of his imprisonment.

5. Any assignment, sale, or contract relating to a Naval or Greenwich Hospital pension is void, but if the naval pensioner desires to commute a portion of his pension, and can show that commutation would be to his distinct and permanent advantage, the Admiralty, at their discretion, and on such terms and subject to such conditions as they may prescribe, may commute, by the payment of a capital sum of money, any portion of the pension that may be in excess of three shillings a day in the case of a Sergeant-Major, R.M., or two shillings a day in the case of Naval ratings and other ranks of the Royal Marines. Pensions of three shillings a day, or less, for Sergeants-Major, R.M., and two shillings a day, or less, for others shall not be commutable. (For Tables see para. 29 of Section II).

6. When a pensioner who has commuted part of his pension re-enters the Royal Navy or Royal Marines and ceases to draw pension (thus counting the further time for increase of pension), he shall be required to refund the value of the commuted pension for the period of his re-employment. He shall be given the option of refunding the money by:—

- (i) deduction from pension, on discharge, for a period equal to the re-enrolled service, of an amount equivalent to that commuted; or
- (ii) deduction from Terminal Grant on final discharge; or
- (iii) further commutation of pension to provide a sum equal to the capital value of the commuted portion of the original pension for the period of re-enrolled service; or
- (iv) deduction from Naval pay whilst serving.

7. Pensioners in the categories enumerated

below will be paid quarterly in advance, but if they so desire payment may be made weekly in advance on the strict understanding that their choice of payment weekly, once made, is irrevocable. Pensioners in category (i) who so desire, will be paid weekly in advance. Those in category (ii) are to signify on Form S. 409 when applying for pension, whether they desire payment to be made on a weekly or quarterly basis.

(i) Men and boys pensioned from a date commencing before the 1st January, 1936.

(ii) Continuous service ratings whose re-engagement to complete time for pension dated from not later than 30th September, 1935*; non-continuous service ratings serving on that date under an engagement which will enable them to complete 22 years' pensionable service; and all ranks of the Royal Marines who, not later than 30th September, 1935, re-engaged for a second period or completed 10 years' pensionable time by that date and declared in writing, not later than 30th September, 1935, their intention of re-engaging as soon as such re-engagement is open to them (provided, in each instance, that no break in service occurs on or after the 1st August, 1935).

8. The widows or legal representatives of pensioners to whom the provisions of paragraph 7 apply, may be allowed to receive their pensions up to the end of the quarter in which the pensioners died, provided such pensions shall not already have been paid, and provided there be no stoppage against the pension on account of maintenance in a hospital, or other reason. If any such pensioner shall have received his pension up to the end of the quarter in which he died, and his death takes place within two days from the end of the quarter, a month's pension may be paid to the widow on special authority from the Admiralty.

9. All pensioners other than those in the categories enumerated in paragraph 7 will receive payment of pension weekly in advance. The pension of men and boys finally entered, or re-entered, after a break in service, on or after 1st August, 1935, will cease at the end of the pension week in which death occurs but for all others the benefits mentioned in paragraph 8 may be allowed.

10. The arrangements for weekly payment in advance apply to pensioners resident in the United Kingdom, the Channel Islands and the Irish Free State. Pensioners resident abroad who do not wish, or are ineligible to receive payment of their pensions quarterly in advance, will, generally, be paid monthly in arrear.

11. Any pensioner guilty of violence or outrage towards any person employed in paying the pensioner, shall be punished by the loss of either of a part or of the whole of his pension, in addition to any other punishment which the law may inflict for such offence.

12. A pensioner who neglects to draw his pension for four successive quarters, will be struck off the pension list and not replaced unless he account satisfactorily for such omission, and the Admiralty, at their discretion, will grant or withhold the arrears, or any portion thereof, but in no case will arrears be paid for a longer period than two years, unless the man shall have been serving in the Navy in a rating which entitled him to receive his pension while so employed.

* This is to be deemed to include candidates for mechanician who have re-engaged for a second period of 12 years, and Yard craft ratings (see para. 1 (f) of Section iv) with 10 years' pensionable service on 30th September, 1935.

PENSIONS AND GRATUITIES TO ROYAL NAVAL RATINGS, WOMEN'S ROYAL NAVAL SERVICE RATINGS AND ROYAL MARINES (OTHER RANKS).

13. Naval pensioners may draw their naval pensions while serving in British merchant ships, or residing in any British possession abroad, but not for any period during which they may serve under a foreign flag, or reside in any foreign country of which they are not native, unless with the special permission of the Admiralty. Naval pensioners may also draw their pensions while serving in Her Majesty's naval or civil establishments, including yard craft. A pensioner acquiring foreign nationality may thereby forfeit his pension.

14. When a pensioner, serving in a British merchant ship, has been compelled temporarily to reside on shore in a foreign country, owing to the wreck of the ship in which he may have been serving, or other unavoidable occurrence, his pension may be paid for the period of such residence, provided he take the earliest opportunity of joining another British ship, or of returning to England.

15. In special circumstances, and with the consent of the pensioner, the Admiralty may order a man's pension, or any portion of it, to be paid to or on behalf of his wife, or, if he have no wife, to or for the benefit of his child or children.

16. An advance of naval pension, not exceeding six months, may be made to a pensioner for the purpose of assisting him to emigrate to any of Her Majesty's possessions abroad. This advance is payable only when authorised by the Admiralty.

II.—PENSIONS AND GRATUITIES FOR LONG SERVICE.

A. 1951 CODE.

1. The following is a summary of the main provisions of the 1951 Code Scheme of pensions. This summary must not be regarded as comprehensive, since certain conditions and rates are still under consideration.

PENSIONS.

2. The 1951 Pensions Scheme applies to Naval ratings and Royal Marines who were discharged to pension on or after 31st August, 1950. If it is to their advantage, men already re-engaged for pension on the 19th December, 1945, will be allowed to receive pensions under the 1919 or 1930 Code instead of those prescribed under the 1951 Code.

3. The following are the minimum periods of service required to qualify for pension or gratuity.

(a) *For long service pension.* 22 years from age 18. Royal Marines who signed engagements to complete time for pension before 1st May, 1947, may receive 1951 Code pensions with not less than 21 years service from age 18.

(b) *For service pension on invaliding.* 12 years continuous service from age 18; to be eligible for service pension men invalided must, in addition to having rendered the minimum period of service, have re-engaged to complete time for pension.

(c) *For gratuity on completion of engagement or on voluntary discharge.* 10 years continuous (unbroken) service from age 18.

(d) *For gratuity on invaliding.* 5 years continuous (unbroken) service from age 18, except that, for men entered for continuous service below the age of 18, service below that age may be taken into account in accordance with the provisions of para. 11 below.

5. In assessing rank element of pension, all paid rank will be taken into account.

6. Pensions awarded under the 1951 Code are at flat rates. They are not increaseable at ages 55 or 65 by the award of Age or Increased Age additions, as are pensions awarded under the 1919 and 1930 Codes, nor do they carry any entitlement to increase under the Pensions (Increase) Scheme. They are paid weekly in advance, and, in the event of death, pension will cease at the end of the pension week in which death occurs.

7. Terminal Grant in Addition to Service Pension.

(a) Ratings and Royal Marines eligible for service pension will be awarded a terminal grant, in addition to service pension, as follows:—

<i>Basic Grant</i>	<i>£</i>

(b) Twenty-two years' reckonable service will be necessary for the full grant. Those going to service pension with less than 22 years' service will be awarded 1/22nd of the basic rate for each year of service. The grant will, however, in no case be less than £100 in such cases.

(c) Rank for assessing the grant will be the highest paid rank held for a period of two years or more during the five years preceding discharge.

8. Special Provision for Naval Aircrew Categories.

Aircrew categories completing not less than 22 years, pensionable service, will be eligible for the full rate of Long Service Pension on the scale shown above, plus an addition in respect of each year of qualifying service while employed on aircrew duties as follows:—

Aircrewmen II		
Aircrewmen I (U)		
Aircrewmen II (U)		
Telegraphist (Flying)		6d. a week

If invalided with entitlement to service pension after not less than 12 years' service, a proportionate pension will be payable on the normal scale plus the appropriate addition in respect of aircrew service.

A Naval Rating Pilot if discharged unsuitable for aircrew duties after a minimum of 18 years reckonable service will be eligible for a proportionate pension on the normal scale plus the appropriate addition in respect of aircrew service.

GRATUITIES.

9. Men discharged on completion of engagement without entitlement to service pension, with more than one complete year's service after 18th December,

PENSIONS AND GRATUITIES TO ROYAL NAVAL RATINGS, WOMEN'S ROYAL NAVAL SERVICE RATINGS AND ROYAL MARINES (OTHER RANKS).

1945, will be eligible for service gratuities in respect of service after that date, provided they have completed not less than 10 years' total service, from age 18, at the following rates:—

After 10 years' reckonable service £50
i.e., £10 for each complete year of reckonable service in excess of 5 years.

For each year in excess of 10 years' reckonable service £25 subject to a maximum total of £200

In calculating "reckonable" service for this purpose, all satisfactory periods of regular service may be aggregated, with the addition of any period of non-regular service immediately preceding the regular service.

10. Men with unbroken service prior to 19th December, 1945, will count their former service only

- (a) towards the qualifying period of 10 years;
- (b) towards determining the rate at which gratuity begins to accrue from 19th December, 1945.

11. Men invalided with insufficient service to qualify for service pension may receive gratuities on the above scale, provided that they have not less than 5 years' continuous (unbroken) service. Service below the age of 18 may be allowed to reckon towards the qualifying period and rate of gratuity, subject to an overall maximum gratuity entitlement of £50 where such service is allowed to count.

12. *Special Provision for Naval Aircrew Categories.*

Gratuities as follows will be payable to Airmen of aircrew categories serving on normal regular aircrew engagements and who are discharged without entitlement to service pension:—

Pilots

Aircrewmen I and	} Navigators	{ £40 a year for each year of aircrew service.
Aircrewmen II		
Aircrewmen I (U)		
Aircrewmen II (U)		
Telegraphist (Flying)		{ £32 a year for each year of aircrew service.

The gratuities are subject to the general conditions of, and in lieu of, the ordinary rate of service gratuity payable to other ratings, except that the minimum requirement of five years' service on invaliding does not apply.

13. *Voluntary Discharges.* Men discharged voluntarily will be eligible for gratuity under the same conditions as for men discharged on completion of engagement.

14. *Other Discharges.* Men discharged S.N.L.R. or for unsuitability, inefficiency or misconduct are not entitled to gratuity; but, at the discretion of the Admiralty, gratuities, not in any case exceeding the rate which would have been payable on voluntary discharge, may be paid in special cases.

15. If a Naval rating or Royal Marine dies while serving no gratuity will be payable.

B. 1919 AND 1930 CODES.

16. The periods of service necessary to qualify for the award of a pension for Long Service are defined in Article 1981, Q.R. & A.I. (1943).

17. Such pensions are awarded on the following basis to those finally entered as men or boys after 31st March, 1930, or re-entered after that date after a break in service (*see*, however, note at end of para. 18):—

(ii) Continuous Service Men who have been invalided from the Royal Navy and have re-entered, under their former engagements, when the period between the date of medical survey for invaliding and the date of application to re-enter does not exceed twelve months, will not be precluded from being awarded pension on the above scale or the scales in Section III A (3) and B (3) by reason of the date of such transfer or re-entry being subsequent to the 31st March, 1930.

19. Stewards and Officers' Cooks became eligible from 2nd August, 1914, for the privilege of rank additions, and time served in petty officer or leading rating will reckon for rank additions as from that date, but Petty Time will not be doubled in respect of any period prior to 11th October, 1921. Non-Continuous Stewards and Officers' Cooks transferred to the continuous and general service system will be permitted to count their previous non-continuous service time as service rendered under a continuous service engagement, and the continuity of service will not be deemed to be broken

by discharge to shore, unless such discharge was due to misconduct.

Stewards and Officers' Cooks (C.S.) will be granted C.P.O. addition only in respect of Chief Petty Officer service rendered on and after the 11th October, 1921, or from the date subsequent to the completion of 12 years' pensionable service, whichever may be the later.

20. For the purpose of rank additions Royal Marines will be classified as follows :—

Musician ..		
Bugler ..		

NOTE.—Armourer Sergeants, Bugle Majors and Drum Majors are eligible for rank additions according to services in their substantive ranks of Colour Sergeant or Sergeant.

21. Acting time will be regarded as equivalent to confirmed time for the purpose of rank additions, with the exception of time served as Acting Chief Petty Officer in the temporary appointments of Admiral's Coxswain, Torpedo or Submarine Coxswain, and Flag Officer's Steward or Cook. In the case of Royal Marines acting or lance rank will be allowed to count as confirmed time for purposes of rank additions provided the acting or lance service is recorded on the Service Certificate and the Royal Marine is subsequently promoted to the substantive rank.

22. The regulations governing the counting for rank additions to pension of time served in temporary higher rank during the war period have been promulgated in Admiralty Fleet Order.

23. Continuity of service for the purpose of rank additions will not be considered to be broken for a continuous service man, or Royal Marine, who may be invalided before completing his engagement, and who may afterwards recover and rejoin for continuous service, or under a Royal Marine engagement, provided he rejoin as soon as the state of his health will admit, and be otherwise eligible for the double rank addition.

24. The transfer of a Royal Marine to the Regulating Branch will not be regarded as breaking the continuity of his service for purposes of double rank additions.

25. As an encouragement of good conduct, a single case of imprisonment or detention for not more than three calendar months, or a single case of confinement in cells with deprivation of time, during a period of continuous service, will not be considered as breaking the continuity of service, and therefore depriving the individual of the advantage of double rank addition, provided he be otherwise eligible for the allowance, and provided also that he serve, in addition to his time for pension

a further period equal to double the time forfeited. In the case of a man who has suffered more than one of such punishments, the continuity of service will be considered as broken.

26. Pensioners in Class A of the Royal Fleet Reserve may be awarded an additional pension of fivepence a day on attaining the age of 50, provided they have fulfilled the prescribed conditions as to drill, &c. Payment of this pension will cease on the award of the Greenwich Hospital Age Pension at age 55.

27. National Retirement Pensions.

Men who (a) enter the Royal Navy on or after the 1st July, 1949, or (b) re-enter on or after the 1st July, 1949, after a break in service, except those who re-enter within 12 months of being invalided or those who have already been granted pension before re-entry, will have a deduction made from their pension at the rate of 4d. a week for each year of service; subject to a maximum of 16/- a week; which will take effect from the date on which a pensioner attains the age of 65 and becomes entitled to a National Retirement Pension. No adjustment of pension will, however, be made in the case of pensioners living outside the United Kingdom and not actually receiving National Retirement Pensions.

28. Native Ratings (except Chinese and Malayan Ratings for whom see Section V) who complete a minimum period of 22 years' satisfactory service and are not entitled to a Service pension, may be granted a gratuity at the rate of 15s. for each complete year of service, together with rank additions of £1 and 10s. respectively, for each year of service in a petty officer or leading rating.

III.—DISABILITY PENSIONS AND GRATUITIES.

A.—WHEN THE CAUSE OF INVALIDING IS ATTRIBUTABLE TO THE SERVICE, OR, IN CERTAIN CIRCUMSTANCES, WHEN A MAN IS DISCHARGED OTHERWISE AND HAS SUSTAINED A WOUND OR INJURY IN THE SERVICE.

NOTE.—The following Regulations apply to Seamen and Marines suffering from disabilities directly attributable to the conditions of service between 1st October, 1921 and 2nd September, 1939.

The award of compensation in respect of disabilities attributable to service directly due to service after 2nd September, 1939, is governed by the Regulations of the Ministry of Pensions, which are shown at the end of this Appendix.

1. 4. For the 1951 Code service and rank elements of pension and terminal grants see Section II, paras 2 and 4—8.

6. **Family Allowances.** Where a rating is awarded a disablement pension under paragraph 2 (b), allowances in respect of his wife and children may be awarded at such proportion of the following rate as corresponds to the degree of disablement on which the pension is based, subject to the special conditions shown below.

Weekly rate for 100 per cent. disablement.

	s.	d.
For a wife	10	0
For each child	7	6
or, where no allowance is in payment for a wife:—		
For the first child	10	0
For each other child	7	6

The special conditions governing the grant of these family allowances to disablement pension shall be as follows:—

(a) If a wife is living apart from her husband family element shall not be allowable in respect of her, unless—

(i) she was being regularly maintained in whole or in part by the Seaman or Marine up to the date of any award or renewal of his disablement pension, or

(ii) she is entitled to support under a separation or maintenance order, or

(iii) the separation was caused by the husband's mental instability due to the disability in respect of which he is granted his disablement pension.

(b) **For a step-child or a legally adopted child.**—The child shall have been regularly maintained in whole or in part by the Seaman or Marine up to the date of any award or renewal of his disablement pension.

(c) **For an illegitimate child.**—

(i) the child shall have been born before or within nine months after the date on which the Seaman or Marine sustained the wound or injury, or the date on which he was removed from duty on account of the disease in respect of which his disablement pension is granted, and

(ii) the child shall have been regularly maintained in whole or in part by the Seaman or Marine up to the date of any award or renewal of his disablement pension, or shall be the subject of an affiliation order in force against the Seaman or Marine.

d) For a foster child.—

(i) the child shall have been brought up and wholly or mainly maintained by the Seaman or Marine for not less than six months (or such lesser period as the Admiralty may determine in the exceptional circumstances of any case) during the Seaman's or Marine's service, and

(ii) the child shall have been so maintained by the Seaman or Marine up to the date of any award or renewal of his disablement pension.

"The expressions 'removed from duty' or 'removal from duty' shall be interpreted with reference to the date of the first removal from duty on account of the disease upon which the claim in respect of disablement is based, providing that if as the result of service subsequent to the date of receipt of the wound or injury or of removal from duty, not being service after the 2nd September, 1939, during the present war, the Seaman or Marine suffered material aggravation of his disability, the date of removal from duty shall be that of the later removal on account of the disability: or, if there was no such removal, the date of termination of full pay service of the Seaman or Marine."

"Family addition to disablement pension in respect of a child shall normally terminate when the child attains the age of 16 years, but (a) if satisfactory evidence is produced that, owing to mental or physical infirmity, such infirmity having arisen before the child reached the age of 16, a child is unable to maintain himself or herself, the addition may be granted or continued up to an age not exceeding 21 years, and (b) the addition may be granted or continued after the age of 16 years in the case of a child who is being educated at a secondary school, technical school or university, or is an apprentice receiving not more than nominal wages."

"Family additions to disablement pension' in respect of any individual may be withheld if, in the opinion of the Board of Admiralty, the circumstances are not such as to justify the grant."

"Where an individual in respect of whom family addition to disablement pension is admissible is not residing with the pensioner, the addition may, at the discretion of the Board of Admiralty, be granted independently, for the benefit of that individual, to some person other than the pensioner."

6. Special Allowances for Unemployable Pensioners.—

(i) Where a pensioner is in receipt of a pension under paragraph 2 (b) in respect of disablement so serious as to make him unemployable he may be granted:—

(a) an allowance by way of supplement to his pension at the weekly rate of 35/-

(b) an increase, where necessary, in the rate of family allowance awarded under paragraph 5 to the rate which would be appropriate under that paragraph if the degree of disablement were 100 per cent. Where the allowance for the first child is 7/6 a week, a further allowance of 3/- a week may be awarded in respect of that child.

(c) family allowances in respect of any children for whom such allowances are not in issue at the rates which would be appropriate under paragraph 5, if the children were eligible for allowances under that paragraph and the degree of disablement of the unemployable pensioner were 100 per cent.

(d) the rate of wife's allowance may be increased up to a maximum of 21/6 a week where the wife is wholly or mainly dependent on her husband.

PENSIONS AND GRATUITIES TO ROYAL NAVAL RATINGS, WOMEN'S ROYAL NAVAL SERVICE RATINGS AND ROYAL MARINES (OTHER RANKS).

- (ii) a woman dependent on the pensioner and having the care of a child or children of the pensioner for whom an allowance is being paid.

(ii) In determining whether a pensioner is unemployable, any earnings of the pensioner of 20/- a week or less shall be disregarded.

7. *Constant Attendance Allowances.*—Where a pension under paragraph 2 (b) is in issue in respect of disablement the degree of which is assessed at 100 per cent., and it is shown to the satisfaction of the Admiralty that constant attendance on the pensioner is necessary on account of the disablement, an allowance may be granted at a rate not exceeding 25/- a week, except that in exceptional cases of very severe disablement the allowance may be increased up to a maximum of 50/-.

8. *Allowances for Comforts.*—Where a pension under paragraph 2 (b) is in issue in respect of disablement, the degree of which is assessed at 100 per cent., and the pensioner is in receipt of an allowance under paragraph 6, an allowance for the provision of comforts at the rate of 10/- a week may be awarded; provided that the pensioner is also in receipt of an allowance under paragraph 7 or would be in receipt of such an allowance, if he were not in a hospital or institution.

9. *Education Allowances.*—

(i) In addition to a pension under paragraph 2 (b), an allowance may, at the discretion of the Admiralty, be granted in respect of a child eligible for an allowance under paragraph 6 for the purpose of the child's education if:—

- (a) the child has attained the age of 5 years; and
- (b) the circumstances of the family are such as to require it; and
- (c) the Admiralty is satisfied that the type of education which the child is receiving or is to receive is suitable for the child.

(ii) The amount of an education allowance shall be determined by the Admiralty, but the total payments made in respect of any period of twelve months will not exceed £80.

10. *Treatment Allowances.*—

(i) A pensioner in receipt of a pension under paragraph 2 (b) may, in lieu of his existing award, be granted in respect of any period during which he receives approved treatment, a treatment allowance consisting of a personal allowance in respect of himself, and an additional allowance in respect of his wife and children.

(ii) Subject to the following provisions of this para. :—

- (a) a personal allowance will be at the rate of pension, including service and rank elements, which would be appropriate under these regulations if the degree of disablement were 100 per cent.
- (b) an additional allowance in respect of a wife and/or children will be at the rates and subject to the conditions which would be appropriate if the wife and/or children were eligible for family additions under para. 5.

(iii) The allowance in respect of a wife under

(ii) (b) above may be increased to the rate of 21/6 a week where she is wholly or mainly dependant on her husband. When the allowance for the first child is 7/6 a week, a further allowance of 3/- a week may be awarded in respect of that child.

(iv) Where no allowance is payable for a wife an allowance not exceeding 21/6 a week may be paid for

- (a) a dependent adult relative living with the pensioner, or
- (b) a woman dependent on the pensioner and having the care in the pensioner's home of a child or children of the pensioner for whom an allowance is being paid.

(v) The allowance under (ii) (a) above may be increased by whichever of the following amounts is appropriate, namely:—

- (a) if the pensioner is not eligible for a sickness benefit (or retirement pension or contributory old age pension) under the National Insurance Act 1946; 32/6 a week;
- (b) if he is eligible for such benefit at a lower rate than 32/6 a week the amount of the difference between that lower rate and 32/6 a week.

Provided that this paragraph shall not apply to:—

- (i) a pensioner who is in receipt of an Unemployable Allowance under paragraph 6 of Section III above; or
- (ii) a pensioner who is receiving approved institutional treatment and is not entitled to an allowance under (ii) (b); (iii); and (iv) (a) and (b) above.

The allowance will be subject to such deductions as the Admiralty may think appropriate having regard to all the circumstances of the case.

For the purpose of this paragraph approved treatment means in-patient treatment authorised or approved by the Admiralty.

11. *Allowances where prolonged abstinence from work is necessary following Approved Institutional Treatment.*—

Where it is notified that a pensioner should on completion of a course of approved institutional treatment abstain from work for a prolonged period in consequence of the condition which necessitated that treatment, he may be treated as if he were eligible throughout that period for a treatment allowance under paragraph 10.

This paragraph shall not apply to a pensioner who is in receipt of an Unemployable Allowance under paragraph 6 above.

12. *Clothing Allowance.*—

- (a) A disablement pensioner who is in receipt of a pension for the loss of a limb and who wears an artificial one, may be granted a clothing allowance of £5 a year in single amputation cases and £8 a year in cases where more than one artificial limb, or a tilting table limb is worn.
- (b) In any other case in which the Admiralty is satisfied that as a result of the pensioner's disablement there is exceptional wear and tear of the pensioner's clothing, an allowance not exceeding £8 a year may be granted.

13. *Loss of Wages whilst attending Surveys.*—

Compensation may be paid within certain limits for loss of wages, etc., incurred by a pensioner who is called upon to attend a medical examination in connection with his pension.

14. *Allowance for lowered standard of occupation.*—

than 100%, has been, by reason of his disability, compelled after 1st July, 1945, to adopt an occupation not equivalent to that regularly followed by him for a reasonable period before that date, he may be granted a special allowance at a rate not exceeding 20/- a week, provided the pension together with the allowance does not exceed the rate of pension which would have been appropriate, if the degree of disablement were 100%.

(ii) No award shall be made under this paragraph where the pensioner is in receipt of a special allowance under paragraph 6.

15. *Gratuities.*—

(i) Seamen and Marines discharged with less than the qualifying period of service required for the award of a pension (service element) will under the 1919 and 1930 Codes be eligible for the grant of a gratuity not exceeding £2 for each completed year of service from the date of entry. (For the purpose of these gratuities service under the age of 18 will be reckoned under the same conditions as service above that age.)

(ii) Alternative gratuities payable to seamen and Marines invalidated on or after 19th December, 1945— for conditions see Section II—paras. 9, 10, 11 and 12.

(iii) If the degree of disablement be assessed at less than 20% a gratuity appropriate to the degree of disablement but not exceeding a maximum of £100 may be awarded at Admiralty discretion.

(NOTE.—Seamen and Marines entered only for a period of hostilities are not eligible for the award of gratuities in respect of service).

16. Men eligible for a pension in respect of the service element and for a gratuity on the ground of disablement, or vice versa, will have their pension assessed on the appropriate service or disablement scales, plus the rank element, and will receive payment in full, in addition to the disablement or service gratuity appropriate to their case.

Men eligible for gratuities only in respect of both the service and the disablement elements will receive payment in full.

17. *Pensioners injured during further Service.*—When a pensioner employed in Her Majesty's Naval Service shall become unfit for further service through wounds or injuries received in the actual performance of duty, or sickness attributable to the conditions of service, he may be awarded in respect of his disablement such compensation under these regulations as the Admiralty shall think fit in the circumstances of the case.

18. As from 30th December, 1940, and for the period of the present emergency, Native ratings may be granted compensation for injuries or disabilities certified to be attributable to the Service at the rates laid down in Admiralty Fleet Orders.

19. *Compensation in respect of injuries, etc., unconnected with cause of discharge.*

(a) *Wounds and injuries.*

Compensation may be granted on or after discharge, in respect of wounds or injuries attributable to Naval service and recorded by the medical authorities, at the rate that would have been appropriate had the man been invalidated for the disability.

(b) *Diseases.*

Where the disability is caused by disease, and is wholly attributable to Naval service, compensation may be granted on or after discharge at the rate that would have been appropriate had the man been invalidated for the disability, provided the claim is made within 7 years from date of discharge.

B. WHEN THE CAUSE OF INVALIDING IS NOT ATTRIBUTABLE TO THE SERVICE.

1. Seamen and Royal Marines invalidated for

disability contracted in, but not attributable to, the Service, may be granted compensation, at the discretion of the Admiralty, in accordance with the following scales, subject to the conditions appended thereto.

5. *Gratuities.*—

(i) Seamen and Marines discharged with less than the qualifying period of service required for the award of a pension will be eligible under the 1919 and 1980 Codes for the grant of a gratuity of £2, plus an additional 10s. for each ten degrees of disability in excess of 20% in respect of each completed year of service from the date of entry. C. GENERAL RULES GOVERNING DISABILITY PENSIONS.

1. The foregoing scales of compensation for attributable and non-attributable disabilities will be subject to reduction, at the discretion of the Admiralty, in the event of the cost of living falling considerably as compared with the standard cost which prevailed when these scales were established. Such reduction, if made, will apply to all pensions assessed thereunder which are being drawn at the date of reduction, as well as to future grants.

2. If any person, on being invalidated from the Service, is suffering from two separate and distinct disabilities, and is eligible in respect of one of them for a grant under the Regulations of the Ministry of Pensions, and in respect of the other for a grant under these Regulations, only one grant will be made in respect of both. This grant will be assessed partly under the Regulations of the Ministry of Pensions, and partly under these Regulations. When the invaliding disability is attributable to the Service the grant will be assessed according to the proportion which the percentage of the peace and the war disability, respectively, bears to the sum of the two percentages added together; the assessment under these regulations being so regulated, however, as to ensure that the total grant made shall not be more than the person would receive if the two disabilities were dealt with as one combined disability under the Regulations of the Ministry of Pensions, nor less than he would receive if they were so dealt with under these regulations.

3. Where a seaman or marine is injured in such circumstances that a pension, allowance, or grant is payable to or in respect of him under these regulations, and where he receives compensation from or on behalf of a third party for the act, omission or circumstances which caused the injury, any such compensation may be taken into consideration in assessing any pension or grant which might be awarded to or in respect of the man; and where the compensation is received after assessment it may be taken into consideration and the assessment may be amended or cancelled accordingly.

If, in the opinion of the Admiralty, a seaman or marine either unreasonably refuses to prefer a claim for compensation against the third party or unreasonably accepts an inadequate amount of compensation from such party, any pension or other grant which may be or may have been awarded to or in respect of the man under these Regulations may be withheld or reduced at the discretion of the Admiralty.

4. When the cause of invaliding is due to negligence or misconduct on the part of the man, or to his want of proper care, pension or gratuity may be withheld, or awarded at such reduced rate as may be thought fit.

5. It is a necessary condition in order that a man may be qualified for the award of a pension (service element) on being invalided that he has re-engaged to complete time for Long Service Pension.

IV.—Naval Age Pensions.

1. Age pensions of 5d. a day (£1 18s. a quarter) for seamen and Royal Marine pensioners over 55 years of age, and at the increased rate of 9d. a day (£3 8s. a quarter) for seamen and Royal Marine pensioners over 65 years of age, are awarded according to the following Regulations. The increased pension of 9d. a day (£3 8s. a quarter) will not be granted to men who entered or (after a break in service) re-entered the Service after the 3rd October, 1925; for the purpose of this provision, however, the date of transfer of, or resumption of former engagement by, the men enumerated in the Note at the end of paragraph 18 of Section II will not be regarded as debarring them from the increased age pension provided they are otherwise eligible.

(a) Seamen and Royal Marines who are in receipt of naval pensions for life (other than deferred marine pensions or pensions awarded under the 1945 and 1951 pensions code), and are qualified by age, may be granted, at the discretion of the Admiralty, an age pension at the appropriate rate as from 1st April, 1919, or from the date on which the qualifying age is attained, whichever may be the later. Claims to arrears in respect of any period prior to 1st April, 1919, will not be admitted, notwithstanding apparent eligibility; all awards previous to that date having been made by selection according to the funds then available.

(b) These pensions are only for those who have served as seamen or marines, except in the cases of Yard craft personnel and Riggers on the Wages List, who are specially provided for in sub-clause (f).

(c) Age pensions may be drawn by men residing in British possessions abroad.

(d) The age pension shall not be awarded to any man whose general conduct in the Service was inferior to "Good", or whose character and conduct since his discharge shall be considered by the Admiralty to be bad or indifferent.

(e) All applications for age pensions shall be made to the Secretary of the Admiralty, London, S.W.1.

(f) Yard craft personnel and Riggers on the Wages List, who entered the Service before 1st April, 1953, and who have been granted civil superannuation, as well as those who have been granted naval pensions, or who have been pensioned under the old Dockyard Regulations, are eligible for the Age Pension of 5d. a day (£1 18s. a quarter) and, provided they did not enter or (after a break in service) re-enter the Service after the 3rd October, 1925, for the increased pension of 9d. a day (£3 8s. a quarter). Breakwater men are not entitled to these pensions.

- towards the qualifying period of 10 years;
- towards determining the rate at which gratuity begins to accrue from 19th December, 1945.

7. Women invalided with insufficient service to qualify for Service pension may receive gratuities on the above scale, provided that they have not less than 5 years' continuous (unbroken) service.

Service below the age of 18 may be allowed to reckon towards the qualifying period and rate of gratuity, subject to an overall maximum gratuity entitlement of £35 where such service is allowed to count.

8. Women who were serving on Extended Service Engagements and who undertook a new engagement of a further period of four years in the Permanent Service will be entitled to the non-effective benefits that would have been payable under their Extended Service Engagement, or those referred to in paragraph 5 above, whichever is the more favourable to them. Any gratuity payable under paragraph 5 above will be increased by £25.

9. If a woman dies while serving no gratuity will be payable.

11. In the case of a Chinese or Malayan R.N. rating who is discharged for inefficiency due to causes within his own control, or for misconduct, or with disgrace or ignominy, the grant of a service gratuity and its amount will be discretionary, but where the rating is discharged for misconduct, or with disgrace, or with ignominy, a gratuity will not in any event be given unless the service which has been forfeited is restored.

12. A Service gratuity will not be admissible on re-engagement or on discharge for the purpose of giving further full pay service in the Armed Forces.

13. If a R.N. native rating dies while serving, no gratuity will be payable under this Section.

14. A Chinese or Malayan R.N. rating serving on a normal regular engagement on the 19th December, 1945, will on discharge or release from full pay service, be eligible for gratuity under the above conditions but the amount of the gratuity will be calculated only on service given after the 18th December, 1945, as follows:—

	£	s.	d.
For each year of reckonable service in excess of 5 years	3	10	0
For each year of reckonable service in excess of 10 years	8	15	0
Subject to a maximum gratuity of	70	0	0

15. *Reserved Rights.*—A Chinese or Malayan R.N. rating who was serving in the Royal Navy on a normal regular engagement on 19th December, 1945, and who did not subsequently re-engage, who is discharged invalided without entitlement to service pension, may receive, if not eligible for a gratuity under paragraph 14 or if so eligible in place of such gratuity, the gratuity for which he is eligible under paragraph 2 of Section "C" of A.F.O. 1203/51.

16. Except as provided in paragraph 15, the payment of gratuities under paragraphs 1 and 2 of Section "C" of A.F.O. 1203/51 is withdrawn with effect from 19th December, 1945.

SECTION C

The authority for the payment of pension or gratuity will be issued by the Director of Navy Accounts to the Cashier, H.M. Dockyard, Hong Kong or Singapore, as the case may be.

20. Requests for commutation of pension under paragraph 4 of this Order should be submitted through the usual channels to the Commander-in-Chief. Where commutation is permitted, a copy of the Commander-in-Chief's approval is to be forwarded to the Director of Navy Accounts, and except in cases where the award of pension has already been made, the approval of commutation should accompany the Form S.409. Payment will be authorized by the Director of Navy Accounts in the manner described in paragraph 19.

21. It will not be possible to reckon as service qualifying for an award under these Regulations:—

- any service claimed prior to 1st January, 1910 (of which no documentary evidence is available at the Admiralty) unless it can be reasonably established to the satisfaction of the responsible local authorities by interrogation or other means that a claimant did in fact render a period of continuous employment before that date. In appropriate cases, a statement to this effect should accompany the Form S.409;
- any period of service in respect of which a gratuity other than War Gratuity, has already been paid, unless such gratuity is recovered, either in cash, or by abatement.

- Class II.—All seamen and marines who have served with good characters for 12 years continuously, or with short intervals.

83

Class IV.—All seamen and marines who were discharged or invalided on account of disease or injuries received as attributable to the service of the Crown.

Class V.—Seamen and marines whose claims may be considered special and exceptional not coming within the above-mentioned classes

3. Seamen and Royal Marines coming within any of the above classes, whose claims to the benefits of Greenwich Hospital have been allowed may, after examination, be allowed special pensions from the funds of Greenwich Hospital not exceeding 5/- a day.

Special pensions may be drawn by men residing in the Commonwealth.

4. All applications for the benefits of Greenwich Hospital shall be made to the Director of Greenwich Hospital, Admiralty, 14 Buckingham Gate, S.W.1. A medical survey will be held on each applicant, to ascertain the degree in which he can contribute towards his own support, and on this report a decision will be formed by the Admiralty as to the claims of the applicant upon the funds of Greenwich Hospital.

5. *Persons ineligible.*—The following persons shall not be considered eligible for the benefits of Greenwich Hospital—

(a) men who are materially able to contribute to their own support.

(b) men with less than twelve years service, however old they may be, who were discharged in good health and do not come under Class V of paragraph 2.

(c) men whose general character has been inferior to "good" unless there are special circumstances

(d) men in Public Assistance Institutions, unless the Authority concerned will allow the pensioner to retain the whole of the Greenwich Hospital Special Pension.

6. Civil and Army pensioners who, in consequence of naval or marine service, may be eligible for the benefits of Greenwich Hospital, may be granted special pensions.

7. Time served in the Army shall not be allowed to reckon with subsequent naval service for the benefits of Greenwich Hospital.

8. B.—PENSIONS TO WIDOWS AND GRATUITIES TO DEPENDANTS.

Under the Greenwich Hospital (Dependants) Pension Order, 1948, and as amended by the Greenwich Hospital (Widows Pensions Order, 1952), widows or Seamen and Marines may be granted pensions, and Dependants may be granted gratuities subject to the following conditions:—

1. In cases of exceptional financial distress Pensions of 10s. 6d. per week may be granted by the Admiralty out of the funds of Greenwich Hospital to the widow of any person deceased, whether before or after the passing of the Greenwich Hospital Act, 1947, while serving, or having served, as a non-commissioned officer, Petty Officer or man of the Royal Navy or Royal Marines or of any naval reserve force. Awards of these pensions will be granted only in very exceptional necessitous circumstances.

2. Owing to the limited funds available for this benefit, the total number of awards in force at any one time will be small. Priority will be given to the following classes, and awards will normally be restricted to these classes:—

(a) widows of men who have given not less than 22 years service in the Royal Navy or 21 years in the Royal Marines.

(b) widows of men who, having given a shorter period of service, died while serving, or were invalided.

Awards will be made on a temporary basis, normally for one year, with review of the pensioner's circumstances at the end of that period.

3. A widow in receipt of a pension in respect of the attributability of her husband's death to H.M. Service will be ineligible for the above pension.

4. If a widow re-marries her pension will cease.

5. Pensions and allowances are tenable subject to good behaviour and are granted at the discretion of the Admiralty. They cannot be claimed as a right. Any assignment, sale or contract relating to a Pension is void.

6. Widows without children under 15 years of age will be medically surveyed by an Admiralty Surgeon and Agent in order to ascertain the degree (if any) and probable duration of any infirmity.

7. Widows will be required to make a declaration quarterly or whenever it be considered necessary, before a duly authorised person, as to their continued widowhood and distressed circumstances.

8. The number of Greenwich Hospital Widows pensions in force shall be such number as the available funds of Greenwich Hospital may admit.

9. In the event of men specified in paragraph 1 of these Regulations dying as widowers or without having been married, but leaving parents or other relatives dependent upon them, gratuities not exceeding £50 may be given at the discretion of the Admiralty to such parents or relatives (provided the total expenditure on such gratuities shall not exceed in any one year the sum of £500). No gratuity will be payable in any case where the death of the man has been accepted as attributable to Service.

84 PENSIONS, ALLOWANCES, &c., TO DEPENDANTS OF R.N. RATINGS AND ROYAL MARINES.

PENSIONS, ALLOWANCES AND GRATUITIES TO THE WIDOWS, CHILDREN AND CERTAIN OTHER DEPENDENT RELATIVES OF CHIEF PETTY OFFICERS, PETTY OFFICERS, R.N., SERGEANTS-MAJOR AND NON-COMMISSIONED OFFICERS, R.M., AND MEN & BOYS OF THE ROYAL NAVY & ROYAL MARINES. (OLD SCHEME).

NOTE.—The following Regulations apply to widows and other dependants of Seamen and Marines whose deaths are attributable to the conditions of service between the 1st October, 1921, and the 2nd September, 1939. The award of compensation in respect of deaths attributable to service after 2nd September, 1939 is governed by the regulations of the Ministry of Pensions which are shown at the end of this Appendix.

General.

1. Pensions, allowances and gratuities may be granted to the widows, children and certain other dependent relatives of deceased Chief Petty Officers and Petty Officers, R.N., Sergeants-Major and Non-Commissioned Officers, R.M., and men of the Royal Navy and Marines and of the Reserve Forces of the rates and subject to the conditions set out in the following paragraphs. A deceased Chief Petty Officer or Petty Officer, R.N., or Sergeant-Major or Non-Commissioned Officer, R.M., or man is hereinafter referred to as a Seaman or Marine.

2. These Regulations take effect as from 1st October, 1921, but will not apply in any case where it is proved that the death of the Seaman or Marine is attributable to service during the period of the Great War in which event his family will be eligible for consideration under Ministry of Pensions Regulations instead of under these Regulations. For this purpose, "The period of the Great War" is to be read as meaning the period beginning on 4th August, 1914, and ending on 30th September, 1921.

3. The grant of a pension, allowance, or gratuity under these Regulations will only be allowable provided that the Seaman or Marine was killed or drowned in the service of the Crown or died as the result of wound, injury or disease, directly attributable to the conditions of service.

4. A pension, gratuity, or allowance under these Regulations cannot be claimed as a right. It will not be granted when the applicant is shown to be unworthy of a grant from public funds, nor will it be granted unless the service of the deceased Seaman or Marine has been such as, in the opinion of the Admiralty, to justify the award, nor if, having been a pensioner, he shall have forfeited his pension through the acquisition of foreign nationality.

5. If the applicant is granted any other pension or allowance from the public, on account of the services of the Seaman or Marine in any other public capacity, the grant permissible under these Regulations shall be reduced by the amount of such pension or allowance.

6. Subject to any exception which the Admiralty may approve in a particular case, a grant under these Regulations will not be made to a widow who was separated from her husband at the time

of his death. Should such exception be approved the grant made will be at such rate within the scales laid down in these Regulations and subject to such conditions as the Admiralty may determine.

7. If a Seaman's or Marine's death or the wound, injury or disease which resulted in his death was due wholly or in part to his own negligence or misconduct or to any cause within his control, any grant which might otherwise have been made under these Regulations to his widow or other relative may be withheld or reduced in amount at the discretion of the Admiralty.

8. If a Seaman or Marine is killed or dies in such circumstances that any grant is payable in respect of him under these Regulations, and his widow, child or dependent relative receives compensation from or on behalf of a third party for the act, omission, or circumstances which caused the death any such compensation may be taken into consideration in assessing any grant which might be made under these Regulations; and if the compensation is received after assessment, it may be taken into consideration, and the assessment may be amended or cancelled accordingly.

If, in the opinion of the Admiralty, the widow, child or dependent relative of a seaman or Marine either unreasonably refuses to prefer a claim for compensation against a third party or unreasonably accepts an inadequate amount of compensation from such party, any pension or other grant which may be or may have been awarded under these Regulations may be withheld or reduced at the discretion of the Admiralty.

9. Any pension or allowance granted under these Regulations will be discontinued should the recipient subsequently prove to be unworthy of it, or should the conditions which justified the grant no longer be fulfilled. Any assignment, sale or contract relating to a pension, allowance or gratuity is void.

10. A grant under these Regulations will not be made if the claim thereto fails to be established before the death of the person to whom it might have been made and such failure is due to neglect or omission on the part of such person, or, in the case of a person not of adult age, on the part of his or her guardian or other representative.

11. Any pension or allowance which may become payable under these Regulations to the widow or other dependent relative of a Naval pensioner who is, at the time of death, in receipt of pension paid on a weekly basis, shall not commence before the date of expiry of the period covered by the last payment of his pension or by the special grant of a month's pension which may be made to his widow. Otherwise, the date of commencement of any pension or allowance will, as a rule, be the day following the date of the Seaman's or Marine's death, or if later, the date following that to which any marriage allowance to his family has been paid. The date of commencement is, however, at the discretion of the Admiralty, and in fixing the date, account will be taken of any delay on the part of the widow or other relative in applying for such pension or allowance.

PENSIONS, ALLOWANCES, &c., TO DEPENDANTS OF 85 R.N. RATINGS AND ROYAL MARINES.

Widows.

12. As from 1st May, 1952, the scale of pensions to widows of Seamen and Marines is as follows:—

Rank	Widow over 40, or under 40 with eligible children or incapable of self-support	Widow under 40, without eligible children and not incapable of self-support
	Weekly rate	Weekly rate
	<i>s.</i> <i>d.</i>	<i>s.</i> <i>d.</i>
Sergeant-Major, R.M.	47 0	28 4
Chief Petty Officer ..	45 0	25 0
Petty Officer ..	44 0	23 4
Leading Rating ..	43 0	21 8
Other men ..	42 0	20 0

18. Widows and other dependants of Sergeants-Major, R.M., are eligible for pensions, etc., from Naval Funds at the rates and under the general conditions applicable to Warrant Officers, Class I, in the Army, vide Articles 1182 to 1183 of the Royal Warrant for the pay, etc., of the Army, 1931, and Order in Council of 2nd February, 1937, No. 181/N.

14. A pension will not be granted if the Seaman or Marine married after he received the wound or injury or after he was removed from duty on account of the disease from which he died, unless at the date of his death he was in receipt of an allowance in respect of his wife under paragraph 5 of Section III A of the Men's Disability Pension and Gratuities Regulations.

As from 7th February, 1946, in cases where the Seaman or Marine died on or after 3rd September, 1939, pension may be granted irrespective of the date of marriage.

15. *Rent Allowances.*—(i) Where a widow is in receipt of a pension under clause 12 or 13, and the household of the widow includes a child, the widow may be granted a supplementary allowance in accordance with the following provisions at such weekly rate, not exceeding 15/-*, as the Admiralty may consider appropriate having regard to the amount by which her weekly rent and rates exceed 6/-.

(ii) Where a child has attained the age of 16 years, an allowance under this para. will not be made or continued unless the circumstances of the case are such, in the opinion of the Admiralty, as to justify the grant or its continuance.

(iii) Where an allowance under this para. would cease by reason of the death of a child before attaining the age limit laid down in sub-para (ii), the allowance will be continued for the period of thirteen weeks from the date of the child's death.

(iv) For the purpose of this paragraph

(a) "child" means a child who is eligible for an allowance under para 17 and any other child who should, in the opinion of the Admiralty, having regard to the relationship to or connection with the deceased rating and the other circumstances of the case, be treated as included in this clause.

(b) "weekly rent and rates" means such sum as the Admiralty may, after taking into account all relevant factors and making all necessary apportionments, consider to be

the weekly amount which the widow is paying or providing either directly or indirectly in respect of rent or the equivalent thereof and rates for accommodation for the benefit of herself and the child.

(c) "accommodation" means living accommodation without any service or benefit not ordinarily provided by the landlord to the tenant of an unfurnished dwelling house, but may, at the discretion of the Admiralty, include accommodation reasonably required for the storage of furniture.

16. If a widow who has been granted a pension under these Regulations re-marries, her pension will cease on the date of her re-marriage, but she may then be granted a gratuity equal to one year's pension. This grant will be subject to such conditions as to payment as the Admiralty may determine and will be in full discharge of all claims. (As regards the widows of Sergeants-Major, R.M., see clause 13).

Children.

17. Compassionate allowances may be granted to the legitimate children, step-children, legally adopted children and illegitimate children under the age of 16 of a Seaman or Marine whose widow is awarded a pension under these Regulations or would, if she had been living at the time of the Seaman's or Marine's death, have been eligible for such pension. In exceptional circumstances compassionate allowances may, at the discretion of the Admiralty, be granted to such children even though the widow herself is ineligible for the award of a pension under the Regulations. (As regards the children of Sergeants-Major, R.M., see clause 18).

In the case of children other than legitimate children an award shall not be made unless the following conditions are satisfied:—

(a) For a step-child or a legally adopted child, the child shall have been regularly maintained in whole or in part by the Seaman or Marine up to the date of any award or renewal of pension to him, or up to the date of his death.

(b) For an illegitimate child, the child shall have been born before or within nine months after the date on which the Seaman or Marine sustained the wound or injury, or the date on which he was removed from duty, on account of the disease, from which he died, and the child, unless posthumous, shall have been regularly maintained in whole or in part by the Seaman or Marine up to the date of any award or renewal of pension to him, or up to the date of his death, or shall have been the subject of an affiliation order in force against the Seaman or Marine at the date of his death.

NOTES.—(i) Awards under (a) and (b) above shall not have effect from a date earlier than 1st June, 1939.

(ii) The expressions "removed from duty" or "removal from duty" shall be interpreted with reference to the date of the first removal from duty on account of the disease upon which the claim in respect of death or disablement is based, provided that if, as a result of subsequent service, the Seaman or Marine suffered material aggravation of this disability, the date of removal from duty shall be that of the later removal on account of the disability; or, if there was no such removal, the date of termination of full pay service of the Seaman or Marine.

* Operative from 7th February, 1946.

18. Compassionate allowances under paragraph 17 may (as from 4th May, 1944) be granted to a widow pensioned under these Regulations, at the weekly rate of 11/- in respect of each child under the age of 16, so long as the child is maintained by her.

The rate for motherless children will be 15/-* a week each while the child is under the age of 15, and 21/6* a week thereafter.

19. These allowances will not, as a rule, be paid to or in respect of children over the age of 16. At the discretion of the Admiralty, however, they may be granted or continued after that age in the case of a child who is an apprentice receiving not more than nominal wages or who is being educated at a grammar school, technical school or university.

20. They may also be granted or continued between the ages of 16 and 21 in the case of a child incapable through mental or bodily infirmity of earning a living, provided the infirmity existed before the child attained the age of 16. In such cases, and provided the child is motherless, the rate of allowance may be increased to 32/6† a week when the child attains the age of 18 years.

20a. *Education Allowances.*—(i) In addition to compassionate allowance under paragraph 17, an allowance may, at the discretion of the Admiralty, be granted for the purpose of the child's education if:—

- (a) the child has attained the age of 5 years and,
- (b) the circumstances of the family are such as to require it; and,
- (c) the Admiralty is satisfied that the type of education which the child is receiving or is to receive is suitable for the child.

(ii) The amount of an education allowance shall be determined by the Admiralty, but the total payments made in respect of any period of twelve months will not exceed £80.

21. If pension to a widow be withheld or discontinued on grounds of unworthiness her children, if otherwise eligible for compassionate allowance, and if removed from her control, may at the discretion of the Admiralty be granted such allowance at the rate appropriate to motherless children.

22. Children's Allowances will not be issuable for any period during which the children are maintained in the Royal Navy, the Army or the Royal Air Force.

* Operative from 1.9.52.

† Operative from 21.7.52.

22a. The provisions of paras. 15 and 20a are subject to review.

Parents.

23. If a Seaman or Marine dies in circumstances which would have qualified his widow or child, had he been married, for a pension or allowance under these regulations, his parent or parents may be granted an allowance subject to such conditions as the Admiralty may determine, provided that—

- (a) The Seaman or Marine did not leave a widow, or a child eligible for an allowance under these regulations;
- (b) the parent or parents are in pecuniary need;
- (c) the father is deceased or is incapable of self-support through age or infirmity.

24. The rate of pension shall be at the discretion of the Admiralty but shall not exceed 20s. a week for one parent or 27s. 6d. a week for both parents. In exceptional cases these rates may be increased to 27/6 and 40/- a week respectively.

25. A grant shall not be transferable, but if an award has been made to the two parents of a Seaman or Marine payment of pension may be continued to the survivor at such rate as the Admiralty may determine.

26. An allowance to a mother shall cease if she remarries.

Brothers and Sisters.

27. The brothers and sisters of a Seaman or Marine who died in circumstances which would have rendered his widow, had he been married, eligible for a pension under these Regulations may, collectively, be granted an allowance at such rate not exceeding 10s. a week and not exceeding 5s. a week for any one brother or sister as the Admiralty may decide, provided:—

- (1) That the Seaman or Marine did not leave a widow, child, or parent;
- (2) That the brothers and sisters were largely dependent on the deceased Seaman or Marine at the time of his death; and
- (3) That their pecuniary and other circumstances are such as, in the opinion of the Admiralty, would justify the grant.

28. Allowances granted to the brothers and sisters of Seamen or Marines will be subject to the same age limits and rules as to continuance and cessation as those laid down in this Schedule for the compassionate allowances of children, except that the special grant or extension provided for in paragraph 19 will not be admissible.

All ratings and ranks		.. each	3 6 a week		
(If motherless)		.. each	5 0 a week		

Rating or rank for the assessment of pension will be the highest paid rating or rank held for two years or more during the last five years of service.

General Conditions for Award, etc.

The marriage must have taken place before discharge (or, where there is subsequent re-employment entitling the member to a revision of his service pension, before the termination of the re-employment).

There will be no condition relating to income, or to the relative ages of husband and wife, or to the husband's age on marriage. If the wife was separated from her husband and not fully supported by him, and in certain other circumstances, awards will be discretionary.

The pensions will not be payable in conjunction with awards by the Ministry of Pensions and National Insurance in respect of death due to service.

A widow's pension will cease on her remarriage, but, if she again becomes a widow, the award may be resumed at discretion.

Children's pension will be given where the widow is (or would, if living, have been) eligible for pension. In addition to children of the rating or other rank, adopted children and step-children will, subject to certain conditions, be eligible. Pensions will be payable normally up to age 18 in respect of the children of regimental sergeant majors, R.M., and up to age 16 in respect of the children of naval ratings and Royal Marines, but may be paid beyond those ages in certain circumstances (e.g., during further education).

GRATUITIES TO WIDOWS, ETC.

This is a new benefit for the widows of regular ratings and other ranks who die while serving after 31st August, 1950 (including those serving on short service or extended service engagements).

The amount of the gratuity will be as follows:—

LONG SERVICE RATINGS AND ROYAL MARINE OTHER RANKS (including Temporary Branch Officers who are eligible for service pension on the ratings' scale only).

(a) Where death occurs during service other than Re-employed service:—

(i) When a Terminal Grant would have been payable on invaliding.

Rank	Widow's Gratuity	
	For the first 22 years' reckonable service	Addition for each further year's reckonable service
Temporary Branch Officer: Regimental Sergeant Major, R.M.	£ 250	£ 20
Quartermaster Sergeant, R.M.	 230	18
Chief Petty Officer	 215	16
Petty Officer	 165	15
Leading Rate	 125	12
Able Seaman	 75	10

For service of 12 or more years but less than 22, a proportion of the 22-year gratuity will be payable. Where this proportion is less than £75, the gratuity will be brought up to that figure.

(ii) Where no Terminal Grant would have been payable, the widow's gratuity will be £40.

(b) When death occurs during Re-employed service.

(i) Where a re-employed pensioner would have qualified for a Terminal Grant, or for Terminal Grant addition, if his re-employed service has been terminated by invaliding—

A widow's gratuity on the scale in (a) (i) above corresponding to the amount of such Terminal Grant, or Terminal Grant addition, will be payable, subject to a minimum of £40.

(ii) Where no Terminal Grant, or Terminal Grant addition would have been payable, the widow's gratuity will be £40.

Normally the gratuity will be payable in full to the widow. It may, however, be withheld or reduced where the widow was separated from and not dependent on her husband. Where there are children not dependent on the widow, part of the gratuity may be withheld from her and paid for the benefit of the children.

Where there are children but no widow, the gratuity may be paid in part or in whole, for the benefit of the children.

Children dependent on women members of the Forces who die while serving will similarly be eligible for gratuities in certain circumstances.

GRATUITIES TO RELATIVES OF NATIVE SEAMEN, OTHER THAN EUROPEANS.

20. A pension or an allowance will not be issuable in respect of the death of a Native Seaman, other than a European (whether or not he was a British subject) but, provided the conditions laid down in the foregoing paragraphs are satisfied, a gratuity, of such amount as the Admiralty may decide, but not exceeding the amount of a year's pay attaching to the substantive rating and any Good Conduct Badges held at the date of death may be granted to the dependent relatives.

30. Only the dependent relatives specified in the foregoing paragraphs will, under the circumstances stated therein, be eligible for gratuities.

31. As from 30th December, 1940, and for the period of the present emergency, an alternative scheme of compensation has been introduced, particulars of which have been promulgated in Admiralty Fleet Orders.

OFFICERS EMPLOYED ON INSPECTION, RESEARCH, DESIGN AND EXPERIMENTAL ORDNANCE DUTIES, &c.—CONDITIONS OF SERVICE.

The following regulations govern, with effect from 21st November, 1920, the conditions of service of Naval and Royal Marine Officers employed on Inspection, Research, Design and Experimental Ordnance Duties, etc., as indicated in paragraph 4 below. They do not apply to any civilians so employed.

1. *Recruitment.*—The following Officers are eligible for appointment:—

(a) Executive Officers, who have at least three years' service in a ship of war at sea as Lieutenant, are qualified as Gunnery or Torpedo Lieutenant and have been employed at sea in that capacity for not less than one year.

(b) Executive and Air Branch Officers who have at least three years' service in a ship of war at sea or in a Naval Air Establishment as Lieutenant, are qualified as Air Gunnery Officers and have been employed in that capacity for not less than one year.

(c) Executive Officers who have at least three years' service in a ship of war at sea as Lieutenant and have been employed at sea in Submarines in that rank for not less than one year.

(d) Engineer Officers and Air Engineer Officers who have at least three years' service in a ship of war at sea or in a Naval Air Establishment in Lieutenant's rank.

(e) Electrical Officers who have at least three years' service in a ship of war at sea, or in a Naval Air Establishment in Lieutenant's rank.

(f) Royal Marine Officers who have (i) passed the Naval Gunnery Instructor's Course in H.M.S. "Excellent" and have been employed as Gunnery Instructor, or (ii) passed the advanced course at the Military College of Science.

Officers will be considered for appointment up to the age of 37.

2. *Conditions of Service. Training and Promotion.*—Officers will be on probation for two years from the date of appointment, or for such period exceeding two years as may be necessary owing to a confirmed appointment not being available.

If at any time during the probationary period an Officer is found to be unsuitable, he will revert to sea service or corps duty.

During the probationary period, Officers will be allowed the option of reverting to sea service or corps duty after they have had sufficient time to find out by actual experience whether they are fitted for the work.

The period of probation will be spent under training as follows:—The first year's training will be under the direction of the Inspector of Naval Ordnance, Woolwich, including inspection, visits to Cordite Factory, Ordnance Factory, shell and steel makers' works and the Research Department. During the second year they will join the R.N. College, Greenwich, for a course lasting about eight months in metallurgy and chemistry, the instruction in the latter relating principally to explosives, propellants and metals. During this period, visits will be arranged, as requisite, to the Research Department at Woolwich, and other similar establishments.

Officers who, at the end of the probationary period, are finally selected for permanent appointment under the scheme will not be eligible to revert to sea service or corps duty.

Officers will be interchangeable, so far as efficiency permits, between the various branches, though it is contemplated that some will display special capacity and preference for a particular branch, and it may prove to the advantage of the Service to allow such Officers to devote a large proportion of their service to that branch.

In order to give opportunity for judging the relative suitability of Officers for the various types of work for the first eight years after the com-

pletion of the probationary period, Officers will normally be appointed for terms of two years only. Endeavour will be made to give each Officer one period in the Design and Research Departments, though the number of posts available will not permit this to be done in all cases.

Appointment to the senior posts and higher posts (paragraph 4) will be in vacancies, and will be made solely by selection.

After the initial ten years mentioned above, all appointments will be normally for four years.

NOTE—

(a) The number of posts permits of a proportion of Officers only obtaining higher posts. An Officer may hold one of the higher posts more than once, but only in exceptional circumstances will he hold one more than twice.

(b) The duration of all appointments will be subject to the exigencies of the Service, and while, in normal circumstances, the duration will be as given above, appointments may be curtailed or extended at the discretion of the Admiralty.

(c) Officers who hold Group (c) and Group (d) posts (paragraph 4) will not be eligible for further promotion under the scheme after they have attained the ages of 52 and 47 years, respectively.

Exceptions to this rule may be made at Admiralty discretion in the case of Officers who already held confirmed appointments on 21st November, 1920, in posts covered by the scheme, each case being considered on its merits. The Admiralty may make exceptions otherwise in very special cases where it is considered necessary in the interests of the Service to do so.

(d) Officers subject to this scheme will not be borne on ships books or included in Vote A, either during the probationary period or after. While still on the Active List, they will be supernumerary to the establishments of Officers of their particular ranks.

3. *Rank, etc.*—The Naval rank corresponding to each post is prescribed in paragraph 4. Precedence and control within the departments is determined by the post held.

Officers are to wear uniform only when serving with Officers of the Navy, Army or Air Force wearing uniform, or when otherwise required.

The uniform worn is to be that of the rank corresponding to the post (*see* paragraph 4).

This special grant of steps in rank after retirement (*see* paragraph 14) will be limited to what is required to give an Officer the rank corresponding to his grade (*see* paragraph 4).

A Lieutenant-Commander occupying a Group (d) post on retirement will remain a Lieutenant-Commander unless he is eligible for higher rank under the ordinary general Naval rules in force.

Active service Officers appointed to any of the posts in the ensuing paragraph, who do not already hold the rank appropriate thereto, will be given acting rank, as necessary, until placed on the Retired List.

A Captain, R.M., on the Active List holding a Group (d) post, or holding a Group (c) post with the rank of Acting Major, will be promoted to the rank of Brevet Major at the time at which he would normally have been promoted to the rank of Major if he were performing Corps duty. Such promotion will be subject to the Officer being recommended in all respects but *not* to having passed for promotion. Should an Officer who is on probation become due for promotion under this clause, such promotion will be suspended until he is confirmed in his appointment.

A Captain, R.M., who is placed on the Retired List under the provisions of paragraph 11 while holding the rank of Brevet Major, will be granted the rank of Major on the Retired List.

None of the above conditions affects the pay of the Officers in question while employed, which is dealt with in paragraph 4.

Group (d) Officers, on entry	£1000 at age 28		
	£1030 at age 29		

Thereafter by annual increments of £30 to 1050 × 35—1160.

NOTES.—(1) The above scales are not subject to provincial differentiation.

(2) The scales for Groups (a) and (b) Officers are exclusive of Pay Addition: those for Groups (c) and (d) are consolidated and do not attract Pay Addition.

(ii) In the event of circumstances leading to an Officer being appointed to a group (c) post after holding a group (b) post, he will be placed at the top of the group (c) scale. Officers transferred from one post to another of equal pay within the same group (a, b, c or d) will continue at their existing rate, counting former service in the group towards increments.

(iii) The retired pay of retired Officers serving in any of these appointments will be suspended during such service.

(iv) Officers employed in these appointments may receive an allowance of 4s. a day for each day on which they are required to serve at sea in a submarine.

5. Remuneration during periods of temporary unemployment.—Officers on the Active List serving in any of these appointments will be eligible for pay at the rates appropriate to their substantive rank and seniority, and under the conditions applicable to officers on the general Active List.

Officers on the Retired List will be eligible to receive unemployed pay at a rate equal to their retired pay plus the addition to retired pay, if any (see paragraph 11), for which they would have been eligible, if on the date of ceasing salary their services had been finally terminated at their own request.

6. *Counting of service for increase of retired pay.*—All time in respect of which salary is drawn will count as full time for increase of retired pay. Time in respect of which unemployed pay or half-pay is drawn will, in the case of officers on the Active List, count in the same manner as for officers on the general Active List, and in the case of retired officers be ignored.

7. *Leave.*—Leave up to 42 days per annum will be granted, subject to departmental requirements.

8. *Sick Leave.*—Sick Leave on full salary may be granted up to six months in any twelve months, subject to an over-riding limit of twelve months in any four years. Admiralty sanction must be obtained for the grant of sick leave in excess of three months in any period of twelve months (*see* also paragraph 9).

9. *Hospital, medical and dental treatment.*—Officers, whether on the Active List or Retired List, R.N. or R.M., will be eligible for hospital, medical and dental treatment under Naval arrangements at the expense of Navy Votes. As the rates in paragraph 4 include an element for victualling (i.e., they are assessed on the basis that the officers will have to make their own arrangements for food), a charge will be made for their maintenance while in hospital, so long as they continue to receive full salary. A sum equivalent to the current rate of provision allowance will be deducted from their salary for each day or part of a day in hospital. Officers who have exhausted the sick leave to which they are entitled (*see* paragraph 8) will, if on the Active List be placed on half-pay, and, if on the Retired List, on unemployed pay (*see* paragraph 5).

10. *Termination of employment.*—Employment under the scheme will terminate compulsorily at the following ages:—

Higher posts		57
Senior posts		55
Junior posts		52

except in the case of officers already holding confirmed appointments in such employment on 21st November, 1920, where the Admiralty may decide to extend the age limit. Such extensions can be arranged only when suitable employment continues to be available, and each case will be considered on its merits, with due regard to the regulations formerly in force and to past practice in administering them. Under those regulations officers are subject to a maximum retiring age of 60 if they have not previously been discharged to retired pay at their own request or for some other reason; and those appointed after September, 1925, were informed that they might normally expect employment to continue to the following ages:—

Assistant Inspectors		50
Inspectors		52
Chief Inspector and Officer of the corresponding grade		57

Officers may be unemployed for two consecutive years, but will not be eligible for further employment subsequently.

The employment of an officer may be terminated at any time, if, in the opinion of the Admiralty, he has been guilty of misconduct, or has unsatisfactorily performed his duties, or is otherwise unsuitable, or is physically unfit for further service.

Voluntary termination of employment, which if the officer is on the Active List, must be accompanied by retirement therefrom, may be allowed at the discretion of the Admiralty, at or after the age of 45.

The Admiralty reserve to themselves the right to terminate an officer's employment under this scheme if, having regard to the posts he has held and the necessity for providing opportunity for promotion of more junior officers, they are unable to offer him further suitable employment.

11. *Retirement from the Active List and retired pay.*—Officers on the Active List serving in any of these appointments, if not previously retired at their own request or otherwise, will be placed on the Retired List on reaching the age for compulsory retirement under the regulations applicable to officers on the general Active List, but such retirement will not necessitate termination of their employment.

Officers whose employment under this scheme (otherwise than on probation) is finally terminated for any cause while on the Active List will be placed on the Retired List at once with the rate of retired pay for which they are eligible under the regulations applicable to officers retired from the general Active List. Officers whose services are finally terminated under paragraph 10, either after two consecutive years of unemployment, or on account of unsatisfactory performance of their duties, or on account of unsuitability, will be granted the retired pay prescribed for retirement from the general Active List for non-service.

12. *Addition to retired pay of retired officers whose employment is finally terminated after retirement from the Active List.*—Officers whose employment is finally terminated after their retirement from the Active List may be granted, in addition to the retired pay earned by their service prior to retirement, an increase in retired pay in respect of their subsequent service calculated, irrespective of the appointment held, under the following regulations:—

I. Except as provided in Clause III below officers whose services are terminated—

(a) otherwise than for misconduct after ten or more years' service subsequent to their retirement, or

(b) after less than ten years' service subsequent to their retirement either at their own request, or for unsuitability, or for unsatisfactory performance of their duties, may be granted in addition to retired pay, the rate of which will be calculated at the rate of one-sixtieth of the salary of the appointment held immediately prior to discharge for each complete year of their service after retirement, excluding any periods for which unemployed pay under paragraph 5 above may have been issued.

II. Except as provided in Clause III below, officers whose services are terminated otherwise than for misconduct or any of the causes mentioned in Clause I (b) of this rule, and after less than ten years' service subsequent to their retirement, may be granted an addition to retired pay, the rate of which will be calculated at the rate of one-fiftieth of the salary of the appointment held immediately prior to discharge for each complete year of service after retirement, excluding any periods for which unemployed pay under paragraph 5 above may have been issued, provided, however, that the addition to retired pay shall in no case exceed one-sixth of the salary of the appointment held immediately prior to discharge.

III. An officer who on or after 1st April, 1919, has been retired from the Active List of the Royal Navy or Royal Marines with a special rate of retired pay higher than that permissible under the ordinary regulations applicable to officers on the general Active Lists at the date of retirement for an officer of like age, rank and service, will not, on the final termination of his employment, receive retired pay and addition to retired pay in excess of the greater of the two following sums:—

(a) The retired pay for which he would have been eligible had he, on retirement from the Active List of the Royal Navy or Royal Marines, been awarded the rate of retired pay permissible under the ordinary regulations in force at the date of such retirement for an officer of like age, rank and service and permitted to count the whole of his subsequent service for addition to retired pay under Clause I or Clause II hereof, whichever be appropriate, and

(b) The actual rate of retired pay awarded to him on retirement from the Active List without any addition for subsequent service.

IV. Officers whose services are terminated on account of misconduct may be granted such rate of addition to retired pay, if any, as the Admiralty at their discretion may see fit to award, provided that it be lower than the rate for which they would have been eligible if their services had been terminated for unsuitability or unsatisfactory performance of their duties.

13. *Non-effective benefits payable to those Officers who have retired from the Active List with gratuities only.*—The following regulations apply to those Officers appointed after 1st June, 1936, to the aforesaid posts who have retired from the Active List:—

A. with gratuities, only, under normal regulations,

B. with gratuities, only, under the Special Retirement Scheme (1934) laid down in Orders-in-Council dated the 26th day of February, 1934, and the 13th day of August, 1935.

I. *Service* for the purpose of these regulations shall be such service rendered in one or more of the aforesaid posts by an officer after his retirement from the Active List as would have counted for increase of retired pay had the officer retired from the Active List with retired pay. (See para. 6 above).

II. Officers in both categories A and B above who fail to complete four years' service otherwise than on account of attributable disabilities shall not qualify for the award of retired pay, but shall be eligible on termination of service, at Admiralty discretion, for gratuities, only, at rates not exceeding £200 and £160 for each complete year of service, in lieu of the retired pay additions of one-fiftieth and one sixtieth, respectively, prescribed in para. 12 above.

III. An officer in category A above whose service is terminated on, or after, the completion of four years' service shall be eligible for service retired pay equal in amount to the additional retired pay which he would have been granted under the provisions of para. 12 above, had he retired from the Active List with retired pay; to which shall be added, if his service has been terminated on account of attributable disability, the appropriate disability addition prescribed in para. 15 below.

IV. An officer in category B above whose service is terminated either

(i) on, or after, the completion of four years' service, or

(ii) at any time, on account of attributable disability, shall be eligible for service retired pay at the rate laid down in para. 12 III (a) above, less the

annuity value, as determined by the Admiralty, of the gratuity he received on retirement from the Active List; to which shall be added, in the case of (ii), the appropriate disability addition prescribed in para. 15 below.

V. Officers in both categories A and B above whose services are terminated on account of misconduct may be granted such rate of retired pay or gratuity, if any, as the Admiralty at their discretion may see fit to award, provided that it be lower than the rate of retired pay or gratuity for which they would have been eligible if their service had been terminated for unsuitability or unsatisfactory performance of the duties.

VI. Widows' pensions and children's allowances at ordinary rates (see para. 16 below) shall be payable in respect of officers in both categories A and B above, provided that a minimum of four years' service has been rendered and that the conditions, generally, governing such awards are fulfilled, notwithstanding the provisions of Clause 5 (g) of the Schedule of Order-in-Council dated the 25th day of June, 1925.

14. *Rank on the Retired List.*—Officers who on retirement hold, or who may subsequently be appointed to, a Higher Post under these regulations may, at the discretion of the Admiralty, be granted the rank or equivalent rank of Captain, R.N., or the rank of Colonel, R.M., on the Retired List, and, similarly, officers who on retirement hold, or who may subsequently be appointed to, a Senior Post under these regulations may, at the discretion of the Admiralty, be granted the rank or equivalent rank of Commander, R.N., or the rank of Lieutenant-Colonel or Major, R.M., on the Retired List.

15. *Additional retired pay or disability retired pay on a count of disablement attributable to the conditions of service.*—Officers, whether on the Active or on the Retired List, serving in any of the appointments to which these rules apply, will be eligible at the discretion of the Admiralty for additional retired pay or disability retired pay in respect of disability certified by the competent medical authority as attributable to the conditions of service, at the rates and under the conditions applicable from time to time to officers on the general Active List.

16. *Pensions and other grants to widows and dependent relatives of deceased officers.*—The widows and other dependent relatives of deceased officers, who have served in any of the appointments to which these rules apply, will be eligible, at the discretion of the Admiralty, for the award of pensions or other grants under the regulations from time to time in force for officers of the Navy and Royal Marines, except that—

(a) for the purpose of determining the eligibility of any applicant for a pension or other grant, service on the Retired List in an appointment to which these rules apply will be regarded as equivalent to service on the Active List, and

(b) the pension or other grant shall be assessed as follows:—

Higher Posts—As for Captain R.N.

Senior Posts—As for Commander R.N.

Junior Posts—To remain on the basis of the highest rank held on the Active List.

Brevet rank will carry no higher entitlement to widow's pension.

17. *Removal and travelling expenses.*—Removal expenses, when allowed, are payable under the Regulations applicable to civilian officers, which are contained in the Home Dockyard Regulations. They are not payable—

(a) on first appointment under this Order;

(b) on transfer at own request or for misconduct;

(c) on retirement.

18. *Official residence or quarters.*—Officers appointed under the provisions of this Order may be called upon to occupy an official residence or quarters, and in such an event they will be required to pay an appropriate rent.

REGULATIONS RELATING TO THE EMPLOYMENT, &c., OF OFFICERS ON THE RETIRED AND EMERGENCY LISTS.

NOTE (A).—*These regulations are issued for the general information of Retired Officers. They are, however, under review, particularly those relating to retired pay, and pending their revision, the attention of officers is invited to the alterations in the existing re-employment conditions promulgated by A.F.O. 3805/53.*

NOTE (B).—*Officers on the Retired and Emergency Lists are reminded that they are under a continuous liability for Naval Service, if so required, on mobilisation. Before undertaking any civil employment which would interfere with their immediate readiness for service, Officers should ascertain whether the Admiralty is prepared to grant them exemption from Naval Service, either for a limited period or permanently. For Officers under the age of 60 such exemption will only be approved in special cases, and applications received in time of emergency when mobilisation is expected, or has been ordered, will not be entertained.*

1. **General.**—Her Majesty has the power to call all Retired Officers into active employment in case of war or emergency, but the first selection for employment will be made from those who are below the age of 60.

Lists of Retired Officers are kept at the Admiralty except in the case of the following classes of Commissioned Officers (Branch List) and Officers promoted therefrom, lists of whom are kept by the undermentioned authorities at the Ports:—

Gunnery Branch	{ Captain of Gunnery School at the Port to which the Officer was attached.
T.A.S.), (T) and (A/S) Branches	{ Captain, H.M.S. Vernon, Portsmouth.
Electrical Branch..	{ Captain, H.M.S. Collingwood, Fareham, Hants.
Aviation Branch List and Photographers	{ Commodore, R.N. Barracks Lee-on-Solent.
P.T. Branch ..	{ The Director Physical Training and Sports Superintendent, Physical Training School, Portsmouth.
Boatswain Branch	Captain, H.M.S. Dryad

All other Branches	Sec. of Admiralty, S.W.1.

These instructions also apply to Temporary Commissioned Officers and Temporary Senior Commissioned Officers (Branch List) rank of the above named Branches.

On retirement, Officers are to report their private addresses to the Secretary of the Admiralty, except in the case of Officers of the classes mentioned in the preceding paragraph, who are to report to the Commanding Officer of the Establishment to which they are attached; any change of address is to be similarly reported.

As a general rule Officers retired on account of physical unfitness are included with a view to employment on such service as they may be fit to perform.

Officers on the Retired List are not to proceed abroad without first obtaining permission from the Admiralty (Q.R. & A.I., (1943) Art. 658).

2. **Retired and Emergency List Officers re-employed while the present emergency continues—**

Pay and Allowances.

(a) Retired Flag Officers and Officers of equivalent rank will receive pay of the rank in which they are appointed to serve, together with allowances appropriate to that rank. Where appointed to serve in a rank below Flag rank, they will receive the maximum rate of pay in the rank in which serving. During periods of sick leave, or other intervals between effective appointments, the rates of pay and allowances will be those last in issue, unless instructions to the contrary are issued by the Admiralty.

(b) Retired Officers and Officers on the Emergency List of the rank or relative rank of Captain, R.N., or below, will receive pay on the scale appropriate to the rank held on the Retired or Emergency Lists, irrespective of the rank in which serving, time served on pay in that rank being reckoned for the purpose of increments of pay. A retired officer or an officer on the Emergency List of the rank or relative rank of Captain, R.N., or below, who is re-employed in a rank lower than that last held on the Active List, will receive allowances at the rates appropriate to the last rank held on the Active List. A retired officer of the rank or relative rank of Captain, R.N., or below promoted on or after retirement, and re-employed in a rank lower than that held on the Retired List will receive allowances at the rates appropriate to the rank in which he is serving, except that allowances for which he would be ineligible if serving in the rank held on the Retired List will not be payable. This provision also applies to an officer promoted after being placed on the Emergency List and re-employed in a lower rank than that held on that list.

(c) Retired and Emergency List Officers who are granted acting higher rank than that held on the Retired or Emergency Lists will receive pay and allowances of the higher rank under the conditions applying to Active List Officers.

(d) In all cases the scales of pay and allowances will be those in force at the time for corresponding officers on the Active List.

(e) An officer will be eligible to receive a rate of pay equivalent to the rate of service retired pay (or the service element of disability retired pay or pension) which is suspended under para. 3 below, if more to his advantage than the rate of pay payable under clauses (a) and (b).

(f) Where any portion of (a) retired pay, or (b) the service element of disability, retired pay or pension (subject to the exceptions in 3 (b) (i) (iv)), has been commuted, a sum equivalent to the amount of retired pay commuted will be deducted from pay.

(g) No reduction from pay will be made in respect of any gratuity awarded on retirement or discharge.

(h) The bonus of 25 per cent. on pay which has been issued up to the 30th June, 1946, to re-employed retired officers entitled to retired pay, ceased on 1st July, 1946. Any re-employed service given by retired officers entitled to retired pay after 30th June, 1946, and during the present emergency, will count as active list service for re-assessment of retired pay for war service, until the terminal date fixed for the re-assessment scheme, subject to the general conditions of that scheme.

(i) In the case of officers who have retired without retired pay and officers on the Emergency List, neither time nor promotion after retirement will qualify for retired pay or retiring gratuity.

3. *Treatment of Retired Pay, Disability Retired Pay or Pension and Disability Additions to Service Retired Pay during re-employment.*

(a) *Officers who have retired with retired pay (other than disability retired pay) or disability additions to service retired pay*—Retired pay will be suspended in all cases.

(b) *Officers in receipt of Disability Retired Pay or Pension or Disability Additions to Service Retired Pay.*

(i) Disability retired pay or pension authorised by the Ministry of Pensions in respect of service prior to 1st October, 1921, will not be suspended.

(ii) Disability additions to service retired pay, payable under the provisions of Schedule I, sections 1 and 2 of Order-in-Council dated 11th day of October, 1923, or under corresponding provisions of any subsequent Order-in-Council, will remain in issue, the service retired pay being suspended.

(iii) An officer awarded disability retired pay under the provisions of Schedule I, section 3, of the above-mentioned Order-in-Council or under corresponding provisions of any subsequent Order-in-Council, will continue in receipt of such portion of his disability retired pay as the Admiralty may decide to be equivalent to the disability addition which would have remained in issue to him under clause (ii) had he been eligible for service retired pay, the remaining portion of his disability retired pay (deemed to be the service element) being suspended.

(iv) An Officer awarded disability retired pay under the provisions of Schedule II of the above-mentioned Order-in-Council, or under corresponding provisions of any subsequent Order-in-Council, will continue in receipt of such disability retired pay.

(v) Disability retired pay and disability additions to service retired pay which have been awarded on a temporary basis only, will be liable to cessation or reduction at Admiralty discretion during re-employment.

(vi) Re-employment in war or emergency shall not affect the continued payment of an Officer's wound or injury pension awarded under Naval Regulations in force prior to the 1st October, 1921.

(vii) A retired Officer who sustained a

disability attributable to service given after 1st October, 1921, and who is in receipt of, or is eligible to receive, a disability addition to service retired pay in respect of such disability, shall at his option, while re-employed, draw the disablement addition to his retired pay only as provided in clause (ii), or draw disability retired pay assessed on the scale in Schedule II of Order-in-Council dated the 11th October, 1923, or, where appropriate, the corresponding scale in any instrument administered by the Minister of Pensions, the service retired pay being suspended.

4. *Officers retained in employment beyond the normal age for compulsory retirement.*—Such Officers will be treated as Retired Officers re-employed and be subject to the conditions of paragraphs 2 and 3 above.

5. The rates of retired pay or pension to which Officers may be entitled at the date of being called out for further service, will not be affected by any misconduct during further service except in the circumstances referred to in Section D of Appendix XIII, Q.R. and A.I. (1943).

6. *Promotion.*—Officers called from the Retired List during war or emergency may be dealt with as regards promotion under the regulations which are in force at the time for Officers of the same class on the Active List, in so far as promotion is dependent on service.

Such Officers may also be promoted at the discretion of the Admiralty irrespective of the regulations governing the promotion of Officers on the Active List, provided that such special promotion does not extend to the granting of Flag rank or of any equal relative rank. As a rule, however, such step in rank will not be granted until the Officer has ceased re-employment.

7. *Instruction.*—(a) Retired Officers who have been selected to fill appointments in time of emergency will undergo instruction as may be necessary to qualify them for the duties of the posts they will be required to take up. While undergoing such instruction they will receive in lieu of their retired pay, pay as in paras. 2 and 3 (without command money or equipment allowance), and allowances of their corresponding ranks on the Active List, but in cases where the Officer's retired pay exceeds the pay of his corresponding rank on the Active List, the payment of retired pay will be continued. The time served will count for increase of full pay, but not of retired pay.

(b) In the case of Officers who have commuted any part of their retired pay or pension, or who received gratuities on discharge, deductions will be made from their pay equal to the amount of retired pay commuted, or to the annual value of the gratuity, but no deductions will be made in respect of gratuities awarded to Officers under certain Temporary Special Retirement Schemes.

(c) Officers will not, however, be detailed for courses of instruction in time of peace except with their own consent.

8. *Uniform.* Officers re-employed after a break in service will receive a uniform grant of £10 towards the cost of bringing their uniform up to the prescribed scale. An additional grant may be paid to officers whose break in service is four years or more.

Officers will wear the uniform of the rank in which they serve (*see following paragraph*).

9. *Rank and Command.*—Subject to the following provisions as to the right of command, steps in rank given on or after retirement will confer the right to the title, and other advantages of the higher rank.

In cases where a step or steps in rank have been granted automatically by virtue of and in strict seniority, the Officers shall take command according to their seniority on the Retired List, subject to the conditions that Captains retired from that rank shall in no case take command over an Officer on the Active List of Flag Officers, or over one who has retired from the Active List of Flag Officers.

In other cases steps in rank given on or after retirement shall not give the right of command amongst Naval Officers, which shall be governed by the date of commission in the rank held on the Active List at the date of retirement.

(*Note.*—For regulations regarding widows' pensions, etc., including the effect of total or partial commutation of retired pay *see* appropriate sections of the Appendix.)

10. *Retired Officers employed as members of committees or on special duties under the Admiralty.*

(a) Officers on retired pay employed as members of committees under the Admiralty will be paid—

(i) Their actual reasonable travelling expenses in attending the meetings of, or when employed on special duties connected with, the committee. Whenever practicable travelling warrants should be used for the journey, but when warrants are not used, the number of the railway ticket purchased should be stated. In the absence of this information, only the cost of a Government rate journey will be allowed.

(ii) The difference between pay and retired pay for those days on which officers attend the meetings of the committee, or are employed on special duties connected therewith, including the days occupied in travelling from the officers' residences and back.

(iii) Subsistence allowance in accordance with current regulations, when employed at a distance from their residences for those

days on which they attend the meetings of the committee, or are engaged on special duties connected therewith, including the days occupied in travelling; but should the service on which they are employed entitle them to the allowance for more than fourteen nights consecutively at the same place, a reduction of one-third will be made in the allowance during any further stay in that place.

(iv) Should officers' residences be at such a distance from the places at which the committee meets that the expense of going there and returning between the dates of any two consecutive meetings would be greater than that of remaining in the vicinity and receiving the pay and allowances they are entitled to whilst actually attending the committee, officers are to adopt the latter course, acquainting the president of the committee of the facts, and reporting the same to the Admiralty in forwarding their claims for payment.

(b) Officers on retired pay while employed on special duties under the Admiralty (except officers employed by the Hydrographer, for whom *see* clause (f) below), will be paid in accordance with this article, the days of employment on special service being taken as answering to those of attendance on committees.

(c) Officers on retired pay, when called upon to give evidence before committees assembled at a distance from their residences, will be repaid their actual reasonable travelling expenses, subject to the proviso in the second paragraph of clause (a) (i), and will receive subsistence allowance, as specified in clause (a) (iii) and (iv).

(d) All claims are to be made by the respective officers in detail, and, for employment on a committee, the claim of each officer must be certified by the president or chairman, stating the number of days and the dates on which the officer actually attended a meeting, or was employed on special duties connected with the committee.

(e) Claims which should if possible be made out on Form S.542 (Travelling Expenses Claim) are to be forwarded to Director of Navy Accounts (Branch 2).

(f) Retired officers engaged under the Hydrographers, directions in compiling Hydrographic publications will receive 30s. a day of six hours when so employed. When the period of employment on any one day is less than six hours, the remuneration will be at the rate of 5s. an hour.

R.N. EMERGENCY LIST.

NOTE.—These regulations are issued for the general information of Officers on the Emergency List. It should, however, be understood that they are liable to revision, and any alteration made will be applicable in the case of all Emergency List Officers re-employed.

OFFICERS ELIGIBLE.

1. In order that the State may not lose altogether the advantages which it has the right to expect in return for the expenses incurred in the training of Officers, a list of Officers eligible for employment in an Emergency, known as the R.N. Emergency List, has been established, and the Lords Commissioners of the Admiralty expect that all Officers who are permitted to resign their Commissions on the Active List for private reasons should be prepared to enrol their names on this list.

2. Officers leaving the Active List on completion of their Short Service or Extended Service engagements will, however, be placed on the List in all cases and be liable for service in war or emergency during the subsequent two or more years required by the terms of their engagement. At the end of that period they may volunteer to continue on the Emergency List, subject to the condition in paragraph 3.

3. Engineer Officers who apply under paragraph 1 above, will only be placed on the List if their profession continues to be connected with mechanical engineering. The nature of their employment or intended employment should be stated by candidates when volunteering, and also, if enrolled, once a year after their names are placed on the List. In the same manner Medical and Dental Officers will only be enrolled if they continue to practise their profession. The nature of their work should be reported annually. This rule will also apply to officers mentioned in paragraph 2 if they volunteer to serve for a further period on the Emergency List after completing their original contract.

4. Officers who volunteer to serve in an Emergency are required to write annually, on the 1st January, to the Secretary of the Admiralty, stating their address and, until they reach the age of 60, whether they are still fit to serve, otherwise their names will be removed from the List. Officers of both categories are to report at once any change in their address, and before proceeding abroad they must obtain the approval of the Admiralty.

5. Before Officers on the Emergency List enter into any engagement under or on behalf of Foreign Governments or accept any form of employment which may take them away from the United Kingdom, thus rendering them not available for service in Her Majesty's Fleet at short notice, they must first obtain the approval of the Admiralty.

6. Any Officer who has voluntarily joined the Emergency List and subsequently withdraws will be required to resign his Commission.

7. The names of Emergency List Officers are shown in the Retired Section of the July edition of the Navy List.

CONDITIONS OF SERVICE.

8. Officers whilst enrolled are allowed to retain their Commissions. They may wear the Uniform of their rank on the Emergency List (or War Service Rank if such has been granted), subject to permission being obtained from the Admiralty. They do not receive pay, or pension, when not employed.

9. Officers selected to fill appointments to be taken up in time of war or emergency may be

required to undergo such instruction as may be considered necessary to fit them for the duties they will be called upon to perform. Attendance at such courses of instruction will be under the following regulations :—

(a) The pay will be as under paragraph 10.

(b) Travelling expenses incurred in attending the courses will be allowed.

(c) Plain clothes may be worn, and no allowance for outfit will be given.

(d) Accommodation when available will be provided if desired.

10. (i) When employed, Officers will receive pay on the scale appropriate to the rank held on the Emergency List, time served on pay in that rank being reckoned for the purpose of increases of pay. The scale to be that in force at the time for corresponding Officers on the Active List. No bonus on full pay is payable.

(ii) An Officer promoted after resignation and re-employed in a rank lower than that held on the Emergency List to receive allowances at the rates appropriate to the rank in which he is serving, except that allowances for which he would be ineligible if serving in the rank held on the Emergency List, will not be payable.

(iii) An Officer re-employed in a rank lower than that last held on the Active List, will receive allowances at the rates appropriate to the last rank held on the Active List.

(iv) Neither time nor promotion after retirement will qualify for retired pay or retiring gratuity.

UNIFORM.

11. Officers who are recalled for full time service in time of national emergency will receive a uniform grant of £10 for the purpose of bringing their uniform up to scale. If the interval between their last day of paid active service(*) and their date of rejoining is four years or more, they may claim a refund of expenditure in excess of £10, necessarily incurred in bringing their outfits up to the required scale within the limit of the full value of that scale as assessed by the Admiralty.

* Terminal Leave will be regarded as "active service" for this purpose.

PROMOTIONS.

12. Officers called from the Emergency List for service during war or emergency may be dealt with as regards promotion under the regulations which are in force at the time for Officers of the same class on the Active List in so far as promotion is dependent on service. In special cases, Officers may be promoted at the discretion of the Admiralty, irrespective of the regulations governing the promotion of Officers on the Active List, but such special promotion will not extend to Flag or equivalent rank and will, as a rule, only be granted on ceasing service.

ROYAL MARINES.

The foregoing rules apply to Royal Marine Officers entered on the Emergency List. Applications for enrolment should be addressed to the Commandant-General, Royal Marines, Admiralty, S.W.1.

UNIFORM REGULATIONS FOR OFFICERS OF THE FLEET.*

EXTRACTS FROM THE QUEEN'S REGULATIONS AND ADMIRALTY INSTRUCTIONS.

FROM CHAP. II—UNIFORMS, DECORATIONS AND MEDALS.

Art. 1101. The officers, men and boys of Her Majesty's Fleet and the Royal Marines shall wear such uniforms as the Admiralty in pursuance of Her Majesty's pleasure shall from time to time direct. The uniforms directed to be worn are specified and described in the Uniform Regulations and are published in the Appendix to the Navy List. The prescribed patterns are to be adhered to strictly.

2. All officers and ratings are to be in possession of, and wear, the proper ribbons for the medals which have been awarded to them. *

Art. 1102—Officers. Every officer from the time of his joining the fleet squadron, ship or unit to which he has been appointed, to that of his being removed from it is to wear the uniform established for his rank, except when he has leave from the Admiralty or Senior Officer to be absent from his duty, or as hereinafter provided.

2. At reviews, public balls, or entertainments given by naval, military or air authorities, civil functionaries, or by military or air force messes at ports at which their ships may be lying, officers are to wear the uniform of their rank as prescribed for the various occasions specified in the Uniform Regulations, and no deviations are to be authorised without special authority previously obtained from the Admiralty.

3. Regulation uniform is not to be worn at fancy dress balls, but there is no objection to Naval uniform anterior to 1850 being worn on such occasions.

4. Officers may wear plain clothes on ordinary leave.

Art. 1103.—Officers not on full pay, or retired. Except by special direction of the Admiralty, officers on the active list not holding an effective appointment on full pay, and officers on the retired list whose names appear in the Navy List, are permitted to wear the uniform of their respective ranks within the British Commonwealth on State and other occasions of ceremony only.

Art. 1104.—In foreign countries. In foreign countries, generally, officers are not, in the absence of agreement by the local authorities, to wear uniform when on shore except in a port at which their ship is lying. When it is uncertain whether there is any prohibition on the wearing of uniform when travelling inland, enquiry is to be made of the local authorities and such permission as is necessary obtained.

Art. 1133. The regulations respecting the manner of wearing Orders, Decorations and Medals, and the order in which they are to be worn, are laid down in the Uniform Regulations and are published in the Appendix to the Navy List.

MANNER OF WEARING ORDERS, DECORATIONS AND MEDALS.

Knights of the Garter and Thistle, Knights of St. Patrick, Knights Grand Cross and Knights Grand Commanders.

1. The insignia of Knights Grand Cross and

Knights Grand Commanders of Orders consisting of the badge suspended from a broad riband over the shoulder and the star are to be worn with No. 1 Dress, No. 2 Dress, No. 2B Dress, No. 3 Dress, No. 8 Dress and No. 9 Dress. One riband and badge only is to be worn, and this is to be the senior riband and badge, unless a junior or foreign riband and badge should appear to be more appropriate to the occasion.

With No. 1 Dress, the riband should be worn under the epaulette and sword belt; with No. 8 Dress and No. 9 Dress under the shoulder strap; and with No. 2 Dress and No. 2B Dress under the coat and over the waistcoat. With No. 3 Dress, for officers entitled to the aiguillette, the riband (except that of the Garter or Thistle) should be worn under the aiguillette shoulder strap; Officers who are entitled to the aiguillette and who are also Knights of the Order of the Garter or Order of the Thistle wear an additional plain aiguillette shoulder strap on the left shoulder; Officers who are not entitled to the aiguillette wear the riband under a blue cloth shoulder strap ornamented with gold and blue cord 8/40-inch thick (†).

On collar days with No. 1 Dress, No. 3 Dress and No. 8 Dress, the collar takes the place of the riband. On these occasions a Knight Grand Cross or Knight Grand Commander of more than one Order wears in addition the riband and badge of the next senior Order. With No. 1 Dress, the collar of an Order is worn over the epaulettes, hanging at equal distance back and front, and fastened to the shoulders by bows of white satin, one and a half inches wide. With No. 3 Dress and No. 8 Dress, the collar is worn under the shoulder straps and without the white satin bows. With No. 3 Dress, for officers entitled to the aiguillette, the aiguillette strap which carries the aiguillette is used on the appropriate side and on the other side a plain aiguillette strap is to be used; officers who are not entitled to the aiguillette wear a pair of blue cloth shoulder straps ornamented with gold and blue cord 8/40-inch thick (†).

2. With Nos. 4, 9 and 9A Dresses the star of the Order only is worn; with Nos. 4A, 5, 9B and 10 Dresses the star of the Order only may be worn at discretion.

3. With No. 10 Dress on other occasions and with No. 5 Dress, the ribbon of a Companion of the Order is to be worn; with No. 6 Dress, No. 6A Dress, No. 11 Dress, and No. 11A Dress miniature badges but not stars are to be worn in lieu, and with No. 7 Dress and No. 12 Dress ribbons of miniatures.

Note (i) Badges of Knights Grand Cross and Knights Grand Commanders are never to be worn round the neck.

Note (ii) Shoulder straps referred to at (†) to be of the same design as that worn with aiguillettes by officers on the staffs of Flag Officers.

Knights Commanders and Commanders.

4. The insignia of all Knights Commanders and of Companions of the Orders of the Bath, the Star of India, Saint Michael and Saint George, and the Indian Empire and of Commanders of the Royal Victorian Order and of the Order of the British Empire, consisting of the badge suspended from a riband round the neck, and, in the case of Knights Commanders the star, are to be worn with Nos. 1, 2, 2B, 3, 4, 8, 9 and 9A Dresses. With No. 1 Dress the riband should be worn inside the full dress collar and emerge between the hook and eye and the bottom of the collar. With No. 2 and 2B (and No. 3 when worn in the evening) Dresses, the riband should be worn outside the collar, but under the tie, the badge hanging as close as possible below the bow tie.

If the insignia of more than one Order be worn, one riband and badge only is worn round the neck as described above except with No. 3 Dress (see below). The riband and badge so worn should be the senior, unless a junior or foreign badge is more appropriate to the occasion.

Other badges are worn with No. 1 Dress one below the other, each suspended from a small eye stitched inside the coat, on three inches of ribbon emerging from between the buttons of the coat, commencing between the first and second buttons on the right side of the coat. With No. 8 Dress and No. 9 Dress three ribands and badges may be worn, the senior riband being worn round the neck inside and under the collar of the tunic so that the badge hangs three quarters of an inch below the collar, other badges emerging between the buttons of the tunic, the next senior badge being one inch below the senior badge. With No. 9A Dress the senior riband and badge is worn round the neck as in No. 8 Dress.

With No. 2 Dress and No. 2B Dress, one badge is worn round the neck and all badges are worn on the breast in miniature.

With No. 3 Dress, two ribands and badges to be worn round the neck. These ribands are to be worn, except by Chaplains, with a turn-down white collar and day tie, over the tie. A wing collar and bow tie are only to be worn in the evening. The senior badge with a full size riband is to be worn immediately below the knot of the tie, the riband being worn inside the collar. The next senior badge is to be worn with a full size riband immediately below the senior badge, the lower part of the badge resting on the cross of the lapel of the coat. Chaplains will wear these badges with the clerical collar. With No. 4 Dress the senior riband and badge is worn round the neck as in No. 3 Dress.

6. With Dresses other than those mentioned in clause 4, the rules laid down in clauses 2 and 3 are to be observed.

Stars of Orders.

6. Stars of Orders are worn on the left side of the coat. When two stars are worn, they are placed one directly above the other, the star of the senior Order being in the upper position; when three stars are worn, the star of the senior Order is worn above and the stars of the two junior Orders beneath in line with each other, the star of the second Order being towards the wearer's right; but, if in this position the stars interfere with the riband, the stars of the senior Order and second Order may be worn above in line with each other, the star of the senior Order being towards the wearer's right, and the star of the third Order beneath; when four stars are worn, the star of the senior Order is worn above, the stars of the second and third Orders beneath in line with each other, the star of the second Order being towards the wearer's right, and the star of the fourth Order beneath, directly below the star of the senior Order. Not more than four are worn and the order in which they are worn is to be as prescribed in Clause 9.

With No. 3 Dress and No. 8 Dress four Stars of Orders may be worn. When only one star is worn it should be worn in the centre line of the breast pocket of the coat or tunic with the upper point not less than one inch below the lip of the pocket. When two stars are worn the upper point of the next senior star should be not less than one inch below the lower point of the senior star. When three or four stars are worn it is necessary to re-position the senior star so that the second senior star is clear of the top left-hand button of the coat of No. 3 Dress; the senior star may then be worn with its upper point half an inch above the lip of the breast pocket in order to achieve this. The method of positioning three or four stars is given above.

With No. 4 Dress and No. 9A Dress the wearing of Stars of Orders is limited to two.

Orders worn on the breast, Decorations and Medals.

7. The Badges of Companions (other than Com-

panions of the Orders of the Bath, the Star of India, Saint Michael and Saint George and the Indian Empire) Officers and Members of Orders are to be worn, together with Decorations and Medals, with No. 1 Dress, No. 3 Dress, and No. 8 Dress.

8. With all other dresses the rules laid down in clause 3 are to be observed.

Note on Mentions in Despatches, King's Commendations and Queen's Commendations.

Mention in Despatches, 1914-1919. The Emblem of bronze oak leaves denoting a Mention in Despatches during the First World War, 1914-1919, is worn on the riband of the Victory Medal. The award of this Emblem ceased as from 10th August, 1920.

Mention in Despatches, 1920-1939. The single bronze oak leaf Emblem, if granted for service in

operations between the two World Wars, is worn on the riband of the appropriate General Service Medal. If a General Service Medal has not been granted, the Emblem is worn directly on the coat after any medal ribands. See Note 11

Mention in Despatches, 1939-1945. The single bronze oak leaf Emblem signifying in the armed Forces and the Merchant Navy, either a Mention in Despatches, a King's Commendation for brave conduct, or a King's Commendation for valuable service in the air, if granted for service in the Second World War, 1939-1945, is worn on the riband of the War Medal, 1939-1945. If the War Medal has not been granted, the Emblem is worn directly on the coat, after any Medal ribands. See Note 11

Mention in Despatches, 1945, and Subsequently. The single bronze oak leaf Emblem, if granted for service in operations after the cessation of hostilities in the Second World War, is worn on the riband of the appropriate General Service Medal. If a General Service Medal has not been granted, the Emblem is worn directly on the coat after any Medal ribands. See Note 11

The single bronze oak leaf Emblem is also used in the Forces to denote a King's or Queen's Commendation for brave conduct or for valuable service in the air granted since the cessation of hostilities in the Second World War.

King's Commendation for Brave Conduct, 1939-1945, and Subsequently, Queen's Commendation for Brave Conduct, 1952 and Subsequently. The Emblem of silver laurel leaves granted to civilians, other than those in the Merchant Navy, to denote a King's Commendation for brave conduct during the Second World War, 1939-1945, is worn on the riband of the Defence Medal. When the Defence Medal has not been granted, or the award is for services subsequent to the War, the Emblem is worn directly on the coat after any Medal ribands. See Note 11

King's Commendation for Valuable Service in the Air, 1939-1945, and Subsequently, Queen's Commendation for Valuable Service in the Air, 1952 and Subsequently. The oval silver badge granted to denote a civil King's Commendation for valuable service in the air is worn on the coat immediately below any medals or medal ribands or in civil air line uniform on the panel of the left breast pocket.

Medals awarded by Societies.

10. Medals awarded by a Society for bravery in saving human life, if specially authorised to be worn, are to be worn on the right breast similarly to those on the left and on the same horizontal line.

If the Stanhope Gold Medal is awarded to an officer or man by the Royal Humane Society, it is to be worn in place of, and not in addition to, a silver medal previously granted.

Bar for Decorations, etc.

11. Orders worn on the breast. Decorations and Medals are to be worn on the left breast in one horizontal line, one inch below the point of the shoulder, suspended from a bar of which no part is to be seen, and commencing from the end furthest from the shoulder.

On the Full Dress Coat the bar must not project beyond the centre seam, and when the Orders, Decorations and Medals cannot, on account of their number, be suspended from the bar so as to be fully seen, they are to overlap, the highest showing in full.

Ribbons when Decorations, etc., are worn.

12. When Orders, Decorations and Medals are worn, ribbons of the normal size medals (e.g., 1939-45 war Medals and Naval General Service Medal) are to be of the following lengths:—

Full size 14-inch
Miniature 12-inch

When two or more Orders, Decorations and Medals are worn, the length of ribbon of those of other than normal size is to be adjusted so that the lower edges (or points of Stars) of all are in line. Ribbons of the lengths specified carry four clasps. If more than four clasps are worn, the length of the ribbon is to be regulated by there being half an inch of clear ribbon

between the top edge of the ribbon and the highest clasp for full sized medals, and $\frac{1}{4}$ of an inch for miniatures, the remaining ribbons being so regulated that the lower edges of the medals (or points of Stars) are in line with the lower edge of the medal having the largest number of clasps.

Officers are to wear their medals loose, unless they have such a number as to necessitate overlapping, in which case they may at the option of the wearer be worn in the Court method. Miniatures may be worn either loose or in the Court method. In the Court method the ribbons are mounted on a frame of which the lower edge is in line with the centre of the decorations and medals. Commencing from the lower edge of the frame each ribbon runs over the upper edge and down to the ring or clasp of the decoration or medal. The decorations and medals are stitched down to the ribbons.

Ribbons when Decorations, etc., are not worn.

13. When Orders, Decorations and Medals are not worn, the lengths of the ribbons worn are to be half an inch.

With blue uniform, the ribbons are to be sewn plain on the cloth of the uniform, without intervals. With white uniform, the ribbons are to be placed on a removable bar or bars. When the space is not sufficient to accommodate them in one row, they are not to be made to overlap, but are to be arranged in two or more rows placed the one immediately under the other, with an interval of $\frac{1}{2}$ inch intervening between the rows, except that for officers with more than three rows of medal ribbons, the interval between the rows may be reduced to one-eighth of an inch, and it is optional for officers with more than five rows of medal ribbons to wear ribbons three-eighths of an inch in length. The ribbons are to be arranged so that they are clearly visible.

Ribbons of Orders, Decorations and Medals, to wear which private permission has been given, are not to be sewn on the coat.

Miniatures of Orders, Decorations and Medals.

14. Miniatures of Orders, Decorations and Medals are to be arranged on a bar in the same manner and order as the full-sized. Knights Grand Cross, Knights Grand Commanders, Knights Commanders, Companions and Commanders will wear on the bar, senior to all other Decorations, etc., except the Victoria Cross, and George Cross, the miniature badge of the Order or Orders to which they belong. Only one set of miniatures need be maintained. The miniature of Companionship or Commandership will not be removed when the riband or badge is worn by Knights Grand Cross, Knights Grand Commanders, Knights Commanders, etc. All miniatures are to be of the approved standard size, viz., one-half the size of the full-sized Order, Decoration or Medal.

With Ball Dress, Mess Dress and White Mess Dress, miniatures are to be worn on a bar on the lapel, extending over the lapel towards the shoulder if necessary. They are not to extend beyond the apex on the inner side.

Miniature ribbons are similarly to be worn on a bar on the lapel of Mess Undress and White Mess Undress Jackets, the lengths of the ribbons worn to be three-eighths of an inch.

Decorations etc., with plain clothes.

15. Knights Grand Cross and Knights Commanders on all occasions when wearing the Stars of Orders will also wear a Riband and Badge.

NECK BADGES will NOT be worn with dinner jackets, but these insignia may be worn in miniature with decorations and medals on the left side of the coat.

The order of wearing of the Africa General Service Medal (1902), India General Service Medal (1908), Naval General Service Medal (1915), General Service Medal (Army and Royal Air Force) (1918) and India General Service Medal (1936) will vary, and will depend upon the dates of participation in the relevant campaigns.

For example, those awarded the Naval General Service Medal (1915) for service in Palestine 1936-1939, who now qualify for a clasp for service in parts of S.E.A.C. or for Minesweeping or Mine and Bomb Disposal after the end of hostilities 1939-1945, will not alter the position of the ribbon which will be worn before those of Campaign Stars, etc., 1939-1945. Those who qualify for the Naval General Service Medal (1915) for the first time, through service since the end of hostilities 1939-1945, will wear the ribbon after those awarded for service 1939-1945.

MEDALS AND MEDAL RIBBONS

1. Medals are to be worn whenever No. 1 or No. 6 dress is worn. Medal ribbons are to be worn with Nos. 2 and 7 dresses. The wearing of medal ribbons with other dresses is optional.

Note.—Until the general re-introduction of No. 1 dress becomes practicable medals are to be worn on ceremonial occasions only by naval ratings on their best suits and on No. 6 dress.

2. Medals are to be worn on the left breast except as in (vi) below on a removable bar (vide paragraph 5) which is to be placed immediately above the top row of medal ribbons stitched to blue uniform (vide paragraph 6). On white uniform (drill tunics and jumpers) the medal bar is to be 2 inches vertically below the point of the shoulder. Medals are to be worn "obverse" outwards (i.e., with the head of the Sovereign showing) in the following order, commencing with the end farthest from the shoulder:—

- (i) British decorations in order of seniority (vide Uniform Regulations, Officers).
- (ii) British medals as directed in Uniform Regulations, Officers, with war medals in order of date.

3. When the number of medals is more than three, the medals are to overlap, the inner one being shown in full, the amount of overlap being governed by the number of medals worn and the length of the bar (vide paragraph 5).

4. (i) When Decorations and Medals are worn, ribbons of the normal size medals (e.g. 1930-45 War Medals, Naval General Service Medal and Long Service and Good Conduct Medal) are to be of the following lengths, measured from the medal bar to the top of the medal:—

- (a) If one row of medal ribbons is worn (vide paragraph 6)—1½-inch.
- (b) If two or more rows of medal ribbons are worn—2-inch.

(ii) When two or more Decorations and Medals are worn, the length of ribbon of those of other than normal size is to be adjusted so that the lower edges (or points of Stars) of all are in line.

(iii) If the number of clasps requires the ribbon to be longer than (a) or (b), it is to be regulated so that there is half an inch of clear ribbon between the top edge of the ribbon and the highest clasp, other ribbons being adjusted so that the lower edges of medals (or points of Stars) are in line with the lower edge of the medal having the largest number of clasps.

Note 1.—When the length of the ribbons exceeds 1½-inches it is advisable for them to be stitched together low down.

Note 2.—When medals are worn the medal ribbons stitched to blue uniform are not to be visible and where necessary to ensure this they are to be covered by a small piece of serge attached to the medal bar.

5. Medals are to be worn on a removable bar which is to be provided at the expense of the wearer. The bar may be of any metal or material provided that the bar and buckle are wholly concealed by the ribbons. When worn on jackets (Class I and Class III uniform) the bar is to be immediately above the top row of medal ribbons, the inner medals being worn over the lapel in order to be fully visible except when a rifle is carried when they will be worn under the lapel. The length of the bar is to be as follows:—

One or two medals—according to the nature of the decorations worn.

Three, four or five medals—3½ inch bar.

Six to eight medals—5 inch bar (but not to exceed the distance between the shoulder seam of sleeve and the inner angle of the lapel when worn with Class I or Class III jacket).

Nine or more medals—6½ inch bar (but not to exceed the distance between the shoulder seam of sleeve and the inner angle of the lapel when worn with Class I or Class III jacket). Men of small build in Class III uniform on whom the 6½ inch bar overlaps the angle of the collar are to wear a 5½ inch bar.

A cloth attachment (see paragraph 6) with beackets should be sewn on No. 1 jackets and jumpers so the bar can be securely fastened. On jackets beackets to take the medal bar are to be placed on the cloth attachment immediately above the upper row of ribbons. On jumpers the cloth attachment should be 1 inch deep with beackets in the centre and sufficiently long to take the movable bar. The placing of beackets on white uniform is optional.

6. Medal ribbons when worn alone with blue uniform jackets or jumpers are to be arranged so that they are clearly visible and are to conform to the following rules:—

(i) Medal ribbons are to be worn on the left breast:

The position of the upper edge of medal ribbons is to be as follows:—

Jackets: On a level with the point of the lapel.

Jumpers: ¼ inch below the point of the shoulder (measured over the front of the jumper).

When more than one row of ribbons is worn, the above applies to the top row.

(ii) No row is to contain a smaller number of ribbons than the row above; the top row may consist of one ribbon only.

(iii) Medal ribbons are to be ½ inch in length and there is to be an interval of ¼ inch between each row. The whole display is to be as symmetrical as possible about the vertical.

(iv) The ribbons in any one row are to be close together and are to be sewn to a cloth attachment which is to be stitched to the jacket or jumper. The size of the cloth attachment is to be such as to leave ¼ inch above and below the ribbons and ¼ inch between the end of the row and the side of the cloth attachment.

(v) In no case must the ribbons overlap.

7. On white uniform medal ribbons are to be worn on a removable bar or bars and are to conform with paragraph 6 (ii) (iii) and (v). The top bar is to be placed in the position indicated in paragraph 2 above for the medal bar.

MANNER OF WEARING ORDERS, DECORATIONS AND MEDALS.

1. Orders, Decorations and Medals are to be worn in the manner laid down for Naval Officers except that:—

- the medal bar is to be positioned directly over any ribbons already stitched to the garment;
- miniature medals are to be worn when Naval Officers wear miniature medal ribbons. Miniature medals are to be worn on the lapel of the mess jacket $\frac{1}{2}$ -inch below the Corps Badge.

2. *Medal Ribbons.*—When no medals are worn, ribbons $\frac{1}{2}$ inch long are to be worn without intervals on the left breast of blue uniform, khaki drill, blue and khaki battledress.

Order of precedence of wearing is to be from right to left, starting with the top row. Normally, if the total number of ribbons does not exceed five, they are to be worn in one row, but in no case is the row to extend to the right further than the outer edge of the lapel or to the left further than $\frac{1}{2}$ inch from the shoulder seam. The row is to be sewn $\frac{1}{2}$ inch above the top seam of the left breast pocket—centrally above the pocket button. With khaki

drill, the ribbons are to be worn on a metal bar or bars.

When more than five ribbons are worn or where the space available does not permit five ribbons being worn in one row, any additional row or rows are to be worn above the first row, the lower row to be full. Rows of ribbons are to be $\frac{1}{2}$ inch apart, but this may be reduced if rendered necessary by the number of rows and the space available. The additional row (or rows) is to be sewn as nearly centrally above the pocket button as practicable, but it is in no case to extend beyond the ends of the bottom row.

3. *Neck Orders.*—An officer in possession of one badge is to wear it round the neck with the riband under the shirt collar and the badge over the tie. An officer in possession of badges of more than one Order is to wear the badge of the highest grade as above described, and the second badge is to be worn below the other, suspended from a riband emerging about $\frac{1}{2}$ inch below the top button of the jacket. The riband is to be fastened by a hook to a small eye stitched inside the jacket.

THE GILBERT BLANE MEDAL.

In 1830 Sir Gilbert Blane, Baronet, formerly a member of the Board for sick and wounded seamen, established, with the sanction of the Board of Admiralty, a fund for the encouragement of Naval Medical Science, which is vested in the Corporation of the Royal College of Surgeons of London, in trust.

This Fund is employed for the purpose of conferring a Gold Medal annually on the Medical Officer of the Royal Navy who, to a degree which is considered worthy of recognition, has brought about an advance in any branch of Medical Science in its application to Naval Service, or has contributed to an improvement in any matter affecting the health or living conditions of Naval personnel.

Consideration is given to achievement in research, in original articles and reports, criticisms and information which is brought to notice of meritorious work performed, or suggestions made, by Medical Officers within the scope of the Regulations governing the award of the Medal as stated above.

The Medal is awarded annually unless no officer is considered to have qualified, in which event the Medal is held over until the following year or any subsequent year, when, if considered justifiable to do so, it is given as an additional award.

Medical Officers of all ranks are eligible for the award, and an officer is not restricted to receiving the Medal on one occasion only during his career.

The Bertrand Stewart Prize consists of a sum of £70 devoted annually as a prize for the best paper on some military subject, the study or discussion of which would tend to increase the efficiency of Her Majesty's Services.

The subject of the essay for each year is published in the Army Quarterly and in Admiralty Fleet Orders.

The right to compete is limited to British subjects who have served, or who are actually serving, as Officers or in other ranks or ratings of Her Majesty's Forces.

The term "Her Majesty's Forces" includes the Navy and the Royal Marines, the Regular Army The Special Reserve, The Territorial Army, The Militia and the Royal Air Force, and also the Naval, Military and Air Forces of India, the Dominions and Crown Colonies.

The essays submitted for the prize must not exceed 10,000 words in length; they must be typewritten and submitted in quadruplicate.

The authorship of the essays must be strictly anonymous. Each competitor must adopt a motto and enclose with his essay a sealed envelope with his motto typewritten on the outside and his name and address inside.

The title and page of any published or unpublished work, to which reference is made in any essay or from which extracts are taken must be quoted.

The essays, which are to be addressed to the Editors of the Army Quarterly, must reach the office of the Army Quarterly, 94, Jermyn Street, London, S.W., not later than (date to be published).

The essays will be judged by three referees—two to be appointed by the Army Council, the third to be one of the Editors of the Army Quarterly. The decision of the referees, or of the majority of them, will be final.

The referees are fully empowered if, in their opinion, or in the opinion of the majority of them, no essay submitted to them comes up to a sufficiently high standard of excellence, not to award the prize; or they may, if they consider such a course desirable, divide the prize among two or more competitors.

The result of the competition will be made known in the Army Quarterly, and the prize essay will be published in the Review. In the event, however, of there being two or more prize essays, the Editors of the Army Quarterly reserve to themselves the right of deciding which of these essays they will publish.

The copyright of any essay which appears in the Army Quarterly belongs to the Proprietors of the Review.

Neither the Proprietors nor the Editors of the Army Quarterly are to be held responsible for the loss of, or failure to return any essay submitted for the competition, nor do they incur any liability whatsoever in connection with the receipt of the essays, any dealings therewith, the judging thereof, or the reports thereon.

THE HAROLD TENNYSON MEMORIAL PRIZE.

This Prize was founded in 1917 by Lord Tennyson, in memory of his son, Acting Sub-Lieutenant The Hon. Harold Courtenay Tennyson, R.N., of H.M.S. "Viking," who was killed in action on the 29th January, 1916.

The interest on a sum of £230, Government Stock, held upon trust by the Admiralty, is em-

ployed in providing a Prize to be awarded each term to the Cadet of the Sixth Term at the Britannia Royal Naval College, who comes out first in an Examination in English Literature. This examination is on the work of the great English Prose or Poetical Writers, including from time to time, one or more of the late Lord Tennyson's poems.

The prize consists of books, including the single volume edition of the late Lord Tennyson's complete works. Cadets of the Commonwealth Navies are eligible for this Prize.

THE WALLROCK TROPHY.

This Trophy was presented in 1949 on the Institution of the Short Service Commission (Aircrew) entry, by Samuel Wallrock, Esq.

The trophy consists of a bronze plaque 12½" x 8½" on an oak background 21" x 14" engraved at the top "Best All-Round Aviation Cadet."

To have inscribed on it the name of the best all-round Naval Cadet (Aircrew) of each term on passing out of the Training Ship. To be retained in the ship in which the Naval Cadets (Aircrew) receive training.

THE AULAY WATSON MEMORIAL PRIZE.

This prize was founded in 1949 by Colonel W. D. Watson and his wife, in memory of their son, Lieutenant (E.) A. W. Watson, M.B.E., R.N., who was killed in an accident between naval aircraft on 11th February, 1940.

2. The interest on a sum of £1,400 held upon trust by the Admiralty, will be used to provide prizes from time to time for the best contributions to the scientific advancement of Naval air engineering. The contribution may take the form of an original thesis, an invention, an idea (even if not fully developed) or otherwise, provided only that it shall in the opinion of the Admiralty have resulted in the scientific advancement of Naval air engineering.

3. All personnel of the Royal Navy or its Reserves (excluding Commonwealth Navies) up to and including officers of the rank or equivalent rank of Lieutenant are eligible for the prize. An award of a prize may also be made to the widow or other relative of a deceased officer or rating who, but for his death would have been awarded such prize.

4. All awards will be made in cash without any conditions attached.

5. A Committee specially convened at the Admiralty, to be known as the Aulay Watson Memorial Fund Committee and consisting of representatives of the Departments of the Engineer-in-Chief of the Fleet and Aircraft Maintenance and Repair will review all recommendations annually in January.

6. Recommendations for consideration by the Committee should be forwarded to the Secretary of the Admiralty (C.W. Branch) as occasion requires, through the administrative authorities, who should endeavour to furnish all information necessary to form accurate assessments of merit.

THE WEMYSS PRIZE.

This prize was founded in 1946 by the Hon. Alice Wemyss in memory of her father, Admiral of the Fleet Lord Wester Wemyss, who had been the first Captain of the Royal Naval College at Osborne.

The interest on a sum of £100 will be employed in providing a prize of books, annually for the cadet of the senior year at the Britannia Royal Naval College, Dartmouth, who writes the best thesis on a subject generally drawn from social, economic or political history which will be announced.

The prize will be awarded at the end of each summer term.

THE WHARTON TESTIMONIAL.

The Wharton Testimonial was founded in 1907 to commemorate the service of Rear-Admiral Sir William J. L. Wharton, K.C.B., F.R.S., who filled the post of Hydrographer of the Navy from 1884 to 1904. It exists for the same purpose as the Beaufort Testimonial. The funds available amount to about £950. The interest on a portion of this sum will be added to the interest on the capital of the Beaufort Testimonial and the total amount

will be employed in purchasing some instrument or work of a kind to be practically useful to a Naval Officer. The interest on the remaining sum will be used to purchase for the winner of the joint prizes a gold medal having on the obverse a bust of Sir William Wharton, and on the reverse

a suitable inscription.

The two awards for the same object will be given annually under the names of "The Beaufort Testimonial and the Wharton Testimonial," thus associating the names of two Hydrographers of the Navy.

ENTRY AS NAVAL CADETS OF CANDIDATES FROM THE TRAINING SHIPS "CONWAY" AND "WORCESTER," AND THE NAUTICAL COLLEGE, PANGBOURNE.

(The Admiralty reserves the right to amend these arrangements from time to time but as much notice as possible will be given of any alterations made).

1. Candidates must be British subjects and the sons of persons who are British subjects at the time of the candidate's entry. The burden of clear proof of the nationality of the candidates will rest upon their parents or guardians, who, if they are in any doubt, should seek the opinion of the Admiralty at the earliest opportunity. Candidates not of pure European descent must be resident in the United Kingdom at the time of application.

2. Candidates who possess a foreign as well as British nationality may be ineligible for entry to the commissioned ranks of the Royal Navy. Parents or guardians are therefore advised to seek an early decision from the Admiralty as to the eligibility for entry of prospective candidates possessing double nationality.

3. Candidates must be unmarried.

4. Candidates cannot be considered for entry as Naval Cadets under these regulations unless they are recommended by the authorities of their Establishment as being, in their opinion, suitable for commissioned rank in the Royal Navy.

5. Parents or Guardians of Candidates for appointments as Naval Cadets must undertake for them that they are prepared to serve as long as the Admiralty is satisfied with their conduct and progress.

6. Candidates will be required, irrespective of whether they have been passed fit in connection with a previous examination, to present themselves for medical examination, according to the prescribed regulations, before the Medical Director-General of the Navy, or officer deputed by him, and must be found physically fit for service in the Royal Navy. The medical examination will normally be held on the day before the tests referred to in paragraph 13. Physical defect of body, impediment of speech, defect of sight or hearing, and predisposition to constitutional or hereditary disease or weakness will cause rejection, if these defects are of such a nature as to render the candidate unfit for general duties in his Branch of the Service. A candidate will not be entered unless he has been vaccinated within the past three years and is prepared to be re-vaccinated when considered necessary by the Naval authorities.

7. A Medical Board of Appeal is available to consider cases in which the parent or guardian of a candidate is not satisfied with the result of the official Medical Examination. This Appeal Board will consist of the Medical Director-General of the Navy and a physician or a surgeon or a specialist nominated by the Medical Consultative Board, according to the nature of the alleged disqualification or disqualifications.

8. A parent or guardian who wishes to make an appeal must do so by a date which will be stated in the letter notifying the candidate's rejection. The appeal must be forwarded to the Medical Director-General of the Navy, Admiralty, Queen Anne's Mansions, St. James's Park, London, S.W.1, and be

accompanied by a cheque or crossed postal order for one guinea, payable to the Director of Navy Accounts.

9. The Admiralty does not bind itself to appoint as Cadets any particular number of candidates, but no limit will be placed upon the number of candidates, provided they satisfy the conditions.

10. The following certificates must be forwarded at the time of application:—

(a) Certificate of birth.

(b) Form of undertaking signed by parent or guardian (see paragraph 23).

The name and address of the parent or guardian must also be supplied.

11. To be eligible to compete for a Naval cadetship, candidates must have been at least six terms in the CONWAY or WORCESTER or at the Nautical College, Pangbourne (including the term in which they are examined).

12. Examinations will be held twice a year, about March and November. Candidates must be more than 17 years 8 months and not more than 18 years 4 months on the 1st May for examination in the preceding March, and on 1st January for examination in the preceding November. Candidates will be restricted to one attempt under these regulations, but this will not preclude them from competing at the open examinations under the Special Entry regulations.

13. At least a month before the written examination Candidates will be required to undergo tests of aptitude, character and personality before an Interview Board. These tests will last one day and entail two nights' stay. Third class rail or bus fares in excess of £1 - 5 - 0 incurred in travelling to and from the Naval establishment where the tests are held, will be refunded by the Admiralty. Lodging and food will be provided free of charge to candidates while they are at the Testing Establishment.

14. A fee of ten shillings will be charged to each candidate.

15. Candidates will be required to sit at a competitive examination to be held at a suitable centre, the subjects and marks for which will be as follows:—

Mathematics (2)	..	..	..	200
English	..	..	..	200
History	..	..	..	150
Geography	..	..	..	100
Physics I	..	..	..	225

				1,800

16. Copies of the syllabus for this examination may be obtained on application to the Admiralty.

17. Candidates will be selected on a competitive basis in accordance with the following procedure:—

- (a) To qualify at the educational examination candidates must obtain at least 50% of the maximum aggregate of marks in that examination and at least 50% marks in Mathematics (1).
- (b) Marks up to a maximum of 500 will be allowed for the tests of Personal Qualities.
- (c) Appointment to Naval Cadetships will be made by the Admiralty to the best candidates in order of merit, their places being determined by the combined totals of the Tests and Examination, but the Admiralty reserves the right not to appoint any candidate whom it considers unsuitable for commissioned rank, irrespective of his performance at the examination.

18. The examination results will be completed and selections made by approximately the middle of the month which follows the month of the examination.

19. Candidates selected for entry as Cadets will be appointed to the Britannia R.N. College, Dartmouth:—

early in May following the March examination,
early in January following the November examination.

20. Before a candidate is entered as a Cadet, a certificate by the school or other responsible authorities must be forwarded to the Secretary of the Admiralty, to the effect that the candidate is able to swim at least 50 yards.

21. The seniority of Cadets so entered will be 1st May and 1st January respectively.

22. Cadets will spend one term at the Britannia R.N. College, Dartmouth; they will then proceed to a Training Carrier for a further two terms.

During this period they will be subject to the same regulations as are laid down for Special Entry Cadets.

23. The Admiralty will provide the Cadet with all the articles of uniform and clothing required on entry and on joining the Training Carrier, and will also assume initial responsibility for sundry expenses, such as travelling expenses to and from the cadet's place of residence within the United Kingdom, laundry, etc. The cost of these items will be waived or charged against the parent or guardian, according to his financial circumstances. The repayment will be spread over three instalments payable at the beginning of each term, and will be determined with reference to net income, which is assessed by the Admiralty. In assessing net income, allowances are made for income tax, children, insurance charges, etc.

24. If the net income as thus assessed falls below £300 a year the parent or guardian will not be required to repay any of the expenses involved. If the net income exceeds £300 a year the parent or guardian will be required to make a repayment varying from a minimum of £1 a term to a maximum of £50 a term until the Cadet passes out of the Training Carrier. Apart from the cost of maintenance while on leave and the cost, when proceeding on leave or returning from leave, of travel to destinations outside the United Kingdom, no other form of expense will fall on the parent or guardian.

25. The Cadet will be eligible without charge for medical and dental treatment while under training, and, while on leave, from the local Admiralty Surgeon and Agent. The repayment of expenses incurred through consulting a civil medical practitioner will be considered by the Admiralty if an Admiralty Surgeon and Agent is not available, or under other exceptional circumstances.

26. Parents or guardians will be required to submit a confidential statement of their financial position at the time of the Cadet's entry, in order that the Admiralty may assess the appropriate rate of repayment to be made.

ENTRY OF NAVAL CADETS FROM THE SOUTH AFRICAN TRAINING SHIP "GENERAL BOTHA."

The rules in the regulations for the entry as Naval Cadets of candidates from the Training Ships "Conway" and "Worcester" and the Nautical College, Pangbourne, apply also to entries from the South African Training Ship "General Botha," subject to the following modifications:—

There will be one entry a year.

Candidates must have spent four terms (two years) in the "General Botha," and must be more than 17 years and 4 months but not more than 18 years and 4 months on the 1st May of the year of entry into Royal Navy, following their

examinations in the "General Botha" in the previous November.

The C-in-C, South Atlantic, will be responsible for the interview and medical examination of candidates.

Possession of the "General Botha" Senior Grade Certificate will be accepted as the educational qualification for entry, provided the certificate includes passes in Mathematics and Physics. The entry of the candidate will be subject to a scrutiny at the Admiralty of the marks obtained in the examination.

REGULATIONS FOR THE SPECIAL ENTRY OF NAVAL CADETS IN THE EXECUTIVE, ENGINEERING, AND SUPPLY AND SECRETARIAT BRANCHES OF THE ROYAL NAVY.

NOTE.—The Admiralty reserves the right to amend these regulations from time to time, but as much notice as possible is given of any alterations.

1. Competitive examinations for the Special Entry of Naval Cadets in the Executive, Engineering, and Supply and Secretariat Branches of the Royal Navy are held in February, May and October of each year. The examinations are the Navy, Army and Air Force Entrance Examinations, conducted by the Civil Service Commissioners.

2. Candidates are restricted to three attempts for the examination as a whole, including not more than two attempts for any one Service (i.e. Royal Navy, Royal Marines, Army or Royal Air Force).

3. Successful candidates will be entered as follows:

Examination	Date of Entry
February	Following September
May	" January
October	" May.

II. Age Limit

4. Candidates must be within the age limits of 17 years 8 months and 19 years on the first day of the month of entry as given in paragraph 3 above (i.e. they must attain the age of 17 years 2 months, but must not attain the age of 18 years 6 months on the first day of March, July and November following for the February, May and October examinations respectively.) Every candidate will be required to furnish the Civil Service Commissioners, as soon as called upon to do so, with an extract from the register of his birth, or, if this cannot be obtained, other documentary evidence, accompanied by a statutory declaration made by one of his parents or guardians before a magistrate, giving the exact date of his birth. Certificates of registry of birth or of baptism are not in themselves accepted as evidence of the date of birth.

III. Nationality.

5. Candidates must be British subjects and the sons of persons who are British subjects at the time of the candidate's entry. The burden of clear proof of the nationality of the candidates will rest upon their parents or guardians, who, if they are in any doubt, should seek the opinion of the Admiralty at the earliest opportunity. Candidates not of pure European descent must be resident in the United Kingdom at the time of application.

6. Candidates who possess a foreign, as well as a British, nationality, may, in certain cases, be regarded as ineligible for entry into the commissioned ranks of the R.N. and R.M. Parents or guardians are therefore advised to seek an early decision from the Admiralty as to the eligibility for entry of prospective candidates possessing double nationality.

IV. Physical Standard.

7. Candidates who pass high enough in the educational examination will be called for medical examination before the naval medical authorities. The medical examination will normally be held on the day before the tests referred to in Section VIII. Candidates will not be passed unless they are in good health and regarded as physically fit for service in the Royal Navy or Royal Marines. Physical defect of body, impediment of speech, defect of sight or hearing, and predisposition to constitutional or hereditary disease or weakness will cause rejection, if these defects are of such a nature as to render the candidate unfit for general duties in his Branch of the Service. A candidate will not be entered unless he has been vaccinated within the past three years and is prepared to be re-vaccinated when considered necessary by the Naval authorities. Details of the physical requirements for candidates are contained in Appendix I.

8. Candidates who are successful in the medical examination will not receive any special notification of this fact from the Admiralty. If a candidate is rejected on medical grounds, however, the parent or guardian will be informed at once.

9. A Medical Board of Appeal is available to consider cases in which the parent or guardian of a candidate is not satisfied with the result of the official Medical Examination. This Appeal Board will consist of the Medical Director-General of the Navy and a physician or surgeon or a specialist nominated by the Medical Consultative Board, according to the nature of the alleged disqualification or disqualifications. A parent or guardian who wishes to make an appeal must do so by a date which will be stated in the letter notifying the candidate's rejection. The appeal must be forwarded to the Medical Director-General of the Navy, Admiralty, Queen Anne's Mansions, St. James's Park, London, S.W.1. and be accompanied by a cheque or crossed postal order for one guinea, payable to the Director of Navy Accounts.

V. Preliminary Educational Qualification.

10. Before admission to the written examination candidates must be in possession of one of the following:—

(i) A General Certificate of Education showing passes (not necessarily at the same examination) in (i) English Language, and (ii) any two of the following subjects:—

English Literature.	Chemistry.

(iv) A Senior Certificate issued by the Ministry of Education for Northern Ireland in 1952 or after, or evidence of having obtained passes in the Northern Ireland Examination in 1952 or after in English Language and two other subjects chosen from the list in Section 10(i) above.

(v) Evidence of having passed any other examination which in the opinion of the Civil Service Commissioners is of equal or higher standard.

(vi) A statement from the Ministry of Education

for Northern Ireland showing that a candidate educated in Northern Ireland and not in possession of any of the qualifications given in (i) to (v) above has attained a standard equivalent to that of the General Certificate of Education under Section 10(i) above.

11. If a candidate has not passed an examination qualifying him for the award of a General Certificate of Education (as specified above) or of a full School Certificate, he may submit qualifications based partly on his performance in the School Certificate examination and partly on that in the General Certificate of Education examination. For this purpose a pass with a credit in a subject in a School Certificate examination will be accepted instead of a pass in the corresponding subject at the "Ordinary" level in the General Certificate of Education examination.

An intending Scottish candidate who for any reason does not hold a Scottish Leaving Certificate with the required passes should consult his Headmaster.

12. A candidate who is awaiting the result of his General Certificate (or equivalent) examination will be accepted as a provisional candidate, but will not be allowed to compete unless he produces evidence that he has obtained the necessary passes before the beginning of the written examination. If a candidate has not yet received his certificate, a statement from the *Examining Body* to the effect that he has passed the examination will be accepted.

13. In exceptional cases a candidate who has been prevented from obtaining one of the qualifications named above by circumstances outside his control may, at the discretion of the Commissioners, be admitted to the examination if he can produce a statement from a suitable person (e.g., his Headmaster) that his *general education* is up to the required standard. He must also produce a statement from a responsible person (not a relative) about the circumstances which prevented his obtaining the necessary qualifications.

14. A Naval Rating or Naval Apprentice who has not taken the General Certificate of Education may be allowed to compete for a Naval Cadetship (Special Entry) or First Appointment in the Royal Marines if he is recommended by his Commanding Officer, and if he produces, when requested by the Civil Service Commissioners, a statement from the Senior Instructor Officer of the R.N. Training Establishment that his *general education* is up to the standard required to obtain the necessary passes in that examination.

15. A candidate educated in a Commonwealth country or elsewhere abroad must produce evidence satisfactory to the Civil Service Commissioners of having attained a standard equivalent to that required of candidates educated in this country.

VI. Applications.

16. The examinations will normally be held on the third Tuesday in February, the last Tuesday in May, and the last Tuesday in October. Every candidate must obtain the necessary printed form of application† for admission to the examination. This will be furnished on application by letter or postcard addressed to the Secretary, Civil Service Commission, 6 Burlington Gardens, London, W.1. The form must be filled up in the candidate's own handwriting and should be returned to the Secretary, Civil Service Commission as early as possible.

17. The written examinations are held at various centres, a list of which may be obtained on written application to the Secretary, Civil Service Commission. All candidates will be required to pay a fee of 40 shillings.

18. The closing date for applications, usually about three months before the examination, is announced by the Civil Service Commissioners. Any

candidate who has filled up and returned the printed application form, but has not received an acknowledgment of it within four complete days, should at once write to the Secretary, Civil Service Commission. Failure to comply with this provision may deprive the candidate of any claim to consideration.

19. A separate form of application must be obtained, filled up and duly returned by a candidate in connection with each examination which he wishes to attend. A candidate is, however, warned not to delay his application for the next examination until the result of the previous examination has been announced, since there may then be insufficient time for fresh application to be made.

20. The subjects of examination, with the marks obtainable in each subject, will be found in Appendix II. Specimen question papers may be obtained from Her Majesty's Stationery Office, Kingway, W.C.2. These papers cannot be supplied by the Admiralty or the Civil Service Commissioners. Any further particulars regarding the examination must be obtained by written application to the Secretary, Civil Service Commission.

21. Where a candidate's aggregate travelling expenses from his normal place of residence within the United Kingdom (third class railway fares or bus fares) incurred in connection with the written examination and tests exceed £1 5s., the excess will be refunded. During the school term, the normal place of residence may be taken to mean the school which the candidate attends, if it is a boarding school. The Civil Service Commissioners reserve the right to limit the payment to an amount calculated on the basis of travel to the nearest examination centre. Claims for refund should be submitted to the Commissioners on the form which will be supplied to each candidate. Lodging and food will be provided free of charge to candidates while they are at the Testing Establishment.

VII. Concurrent Candidature for other Appointments.

22. The candidate will be required to state on the application form whether he desires to enter the Executive Branch, the Engineering Branch or the Supply and Secretariat Branch of the Royal Navy or, if he is prepared to enter any of these Branches, to state his order of preference. A candidate for a Cadetship under these regulations may, if he so desires and provided he fulfils all the necessary conditions, present himself at the same time and without payment of additional fees for examination for a First Appointment in the Royal Marines. Regulations about First Appointments in the Royal Marines may be obtained on application to the Commandant-General, Royal Marines, Queen Anne's Mansions, St. James' Park, London, S.W.1.

23. Candidates should note particularly that medical rejection for the Branches of their choice will not entitle them to be considered for any Branch not included in their choice, for which they may be medically fit. It is therefore most important that candidates should include in their order of preference on the application form all the appointments which they would be prepared to accept.

24. A candidate is not allowed to add to his choice of Branch or Branches or to change his order of preference unless his request to do so is received at the Civil Service Commission not later than the first day of the written examination.

VIII. Tests of Personal Qualities.

25. As part of the scheme of examination, those candidates who qualify at the written examination, will be required, irrespective of whether or not they have competed at a previous examination, to undergo tests of aptitude, character and personality which

† The forms of application are ready for issue about four months before the date of each examination.

will be conducted by the Admiralty. The tests will occupy one day and entail a stay of two nights. Marks up to a maximum of 400 for Personal Qualities will be awarded by the Interview Board on the results of these tests. This mark will be added to the mark scored at the written examination, and the final order of merit will normally be determined by the aggregate mark, but failure to attain a mark of 180 for Personal Qualities will disqualify candidates from the competition. See, however, paragraph 32.

IX. *Service Nominations.*

26. Candidates who are the sons of Officers or men of the Royal Navy or Royal Marines who have been killed in action, or who have been lost at sea on Active Service or killed on duty, or who have died of wounds received in action or injuries received on duty within six months from the date of such action or injury, or who have performed long and meritorious service, are eligible for selection for a Service nomination.

Nominations will be available for award as follows:

Executive or Engineering Cadet	One at each examination
Supply and Secretariat Branch Cadet.	One each year.

27. Candidates for nomination are required to take the examination prescribed in Appendix II to the Regulations in the same manner as other candidates.

28. The selection of Service nominees will be made from among the eligible candidates who are unsuccessful in the examination, but who qualify therein and are medically fit.

29. After entry the place of Service nominees is governed by the marks obtained in the same way as other candidates.

30. Application to be considered for a Service nomination should be addressed separately to the Secretary of the Admiralty (N.C.W. Branch), and should reach that Department not later than the date of the commencement of the written examination. The award of the Service nomination will be communicated by the Secretary of the Admiralty.

X. *Conditions of Entry.*

31. Candidates must be unmarried.

32. A candidate will not be accepted if he is not, in the opinion of the Admiralty, in all respects suitable to hold a commission in the Royal Navy.

33. Successful candidates are entered as Cadets and appointed to the Britannia Royal Naval College, Dartmouth, for training. They remain at this College for one term, and are then sent to sea in the Training Cruiser for two terms.

34. The Admiralty may require a cadet to be withdrawn if, in their opinion:—

- (i) He fails to reach a satisfactory standard in work or
- (ii) His conduct is unsatisfactory, or
- (iii) He does not display the qualities required of a Naval Officer.

35. It is to be clearly understood that the period of training, including the time spent as a Cadet in a sea-going ship, is one of probation, and that the parent or guardian of a Cadet is required to withdraw him immediately on the receipt of an official request for his withdrawal.

36. On completion of their Cadet training, Cadets are rated Midshipmen, subject to their qualifying in the passing out examination, and proceed to Ships of the Fleet. From this point they come under the ordinary regulations for Naval Officers.

37. Candidates who enter the Executive Branch may be required, after passing for the rank of Lieutenant or at an earlier stage, to serve either as general service officers, as Specialists in Gunnery, Torpedo-Anti-Submarine, Navigation-Direction, Signal Communications, Submarines, or Naval Aviation, or to be employed on other special duty. Similarly, Engineer Officers may be required to serve in submarines or naval aviation or on other special duties. Officers who wish to qualify as specialists will, as far as possible, be allowed to make their own choice provided that the requirements of the Service are satisfactorily met. Parents or guardians must undertake on behalf of candidates, that the candidates will be prepared to serve in any capacity within the Branch they enter.

XI. *Health Certificate.*

38. A Cadet must also produce on joining a health certificate to the effect that he has not suffered from, or been exposed to, infectious disease during the previous 30 days.

XII. *Swimming Certificate.*

39. Before entry as a Cadet, a certificate by the school or other responsible authority must be forwarded to the Secretary of the Admiralty to the effect that the candidate is able to swim 60 yards.

XIII. *Financial Arrangements.*

40. The Admiralty will provide the Cadet with all the articles of uniform and clothing required on entry and on joining the Training Ship, and will also assume initial responsibility for sundry expenses, such as travelling expenses to and from the cadet's place of residence within the United Kingdom, and laundry. The cost of these items will be waived or charged against the parent or guardian, according to his financial circumstances. The amount of repayment will be spread over three instalments payable at the beginning of each term, and will be determined with reference to net income, which is assessed by the Admiralty. In assessing net income, allowances are made for income tax, children, insurance charges, etc.

41. If the net income as thus assessed falls below £300 a year the parent or guardian will not be required to repay any of the expenses involved. If the net income exceeds £300 a year the parent or guardian will be required to make a repayment varying from a minimum of £1 a term to a maximum of £50 a term until the Cadet passes out of the Training Ship. Apart from the cost of maintenance while on leave and the cost, when proceeding on leave or returning from leave, of travel outside the United Kingdom to destinations abroad, no other form of expense will fall on the parent or guardian.

42. The Cadet will be eligible without charge for medical and dental treatment while under training and, while on leave, from the local Admiralty Surgeon and Agent. The repayment of expenses incurred through consulting a Civil Medical Practitioner will be considered by the Admiralty if an Admiralty Surgeon and Agent is not available, or under other exceptional circumstances.

43. Parents or guardians will be required to submit a confidential statement of their financial position at the time of the Cadet's entry in order that the Admiralty may assess the appropriate rate of repayment.

XIV. *Applications from Other Commonwealth Countries.*

44. The Governments of other Commonwealth countries are allowed to nominate exceptionally, for appointment to Cadetships outside the normal entry arrangements, specially recommended candidates belonging to families resident in those Commonwealth countries. Such candidates must actually reside and receive their education in the Commonwealth country. They will be required to undergo an examination on the lines shown in Appendix II, and to pass a Naval Interview Board.

45. Nominations must be forwarded through the Secretary of State for Commonwealth Relations or the Secretary of State for the Colonies, as appropriate, and must reach the Admiralty at least eight months before the particular entry for which the candidate is eligible by age. A nominated candidate will not be accepted unless he attains a standard not below that of the lowest successful candidate in the competitive examination held in the United Kingdom.

46. Enquiries should be addressed in the first instance to the Government of the Commonwealth country concerned, and should be made before the prospective candidate reaches the age of 17 years.

XV. General.

47. Letters about Cadets should be addressed to the Commanding Officer, The Britannia Royal Naval College, Dartmouth, Devon, or to the Commanding Officer, H.M.S. (Name of Ship), c/o G.P.O., London, if the Cadet is serving afloat, and not to the Captain by name.

48. Parents or guardians of Cadets must, in all cases of a permanent change of residence, inform the Admiralty and the Commanding Officer of the Britannia R.N. College or of the Training Ship.

49. These regulations do not apply to Naval Cadets who are entered at age 16 or to Cadets in the Electrical Branch of the Royal Navy, for whom separate regulations are issued.

APPENDIX, I

PHYSICAL REQUIREMENTS FOR CANDIDATES FOR SPECIAL ENTRY CADETSHIPS IN THE ROYAL NAVY.

With a view to preventing Candidates who may be physically unfit for Her Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they undergo examination by the medical adviser of the family, or any other qualified medical practitioner.

It is to be understood that this private examination is merely suggested as a guide for intending candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular official physical examination. The following list of defects which cause rejection may be submitted to the private medical practitioner for guidance.

1. A weak constitution, imperfect development, important malformation or skeletal deformity; physical weakness, either hereditary or acquired; obesity.

2. Skin disease, unless temporary or trivial. Scars which, by their extent or position, cause, or are likely to cause, disability or marked disfigurement.

3. Impaired intellect, epilepsy, paralysis of speech, stammer, neuro-psychiatric disorder or history thereof.

4. Impaired hearing; discharge from, or disease of, one or both ears; unhealed perforations of the tympanic membranes; radical or modified radical mastoid operations. A cortical mastoid operation, provided the ear is healthy, the tympanic membrane intact, and there is no defect of hearing, is not a cause for rejection.

5. Disease of the bones or cartilage of the nose, and nasal polypus. Disease of the naso-pharynx.

6. Disease of the throat, palate, and tonsils; simple hypertrophy of the tonsils, if there is no history of attacks of tonsillitis, is not a cause for rejection.

7. Diseased gums; disease or injury affecting the normal function of either mandibular joint. Many unsound or functionless teeth.*

8. Tuberculous glands of the throat and neck. Enlargement of the thyroid gland. Scars of operations for the removal of tuberculous glands are not a cause for rejection, provided that there has been no active disease within the preceding five years, and the chest is clinically and radiologically clear.

9. Pulmonary tuberculosis, unless there is clear evidence that the disease is arrested and has been inactive for the preceding five years. Chronic disease of the chest.

10. Functional or organic disease of the heart and blood vessels.

11. Allergic diseases, including asthma, hay fever and eczema where these form, or are likely to form, a serious impediment to the efficient performance of duty.

12. Undue swelling or distension of the abdomen; peptic ulceration or history thereof. Disease of the liver, spleen or kidneys; hernia or tendency thereto. Successful surgical repair of hernia will not cause rejection.

13. Albuminuria; unless the first morning specimen is clear, and there is no clinical evidence (e.g., cardiac Hypertrophy or raised blood pressure), or history which suggests impaired renal function.

14. Glycosuria; unless a satisfactory report of a sugar tolerance test is produced.

15. Hydrocele, or other serious defect or malformation of the genital organs. Incontinence or enuresis. Varicocele, if it clearly forms, or is likely to form, a serious impediment to the efficient performance of duty.

16. Fistula or fissure of the Anus; haemorrhoids or any disease of the bowels.

17. Paralysis, weakness, impaired motion, or deformity of the upper or lower extremities from whatever cause; a varicose state of the veins, especially of the leg. Bunions, distortion or malformation of the hands, feet, fingers or toes.

18. No person will be admitted to Her Majesty's Service unless he has been vaccinated or re-vaccinated during the three years preceding the date of his entry.

19. Deformity or any chronic disease of the eye or eyelids.

*i.e., seven teeth missing or defective, a tooth being considered as defective when it cannot be made permanently serviceable by dental repair. Candidates must, however, possess some sound opposing molars and incisors. The number given above is intended as a general guide, and is not necessarily strictly adhered to, provided the general condition of the teeth is good. Parents or guardians must arrange for dental defects in accepted candidates to be remedied before joining.

VISUAL STANDARDS

Executive Cadet.

The minimum standard of unaided distant vision on entry is Snellen, 6/6 in one eye and not less than Snellen, 6/12, in the other eye. The defect must be due solely to error of refraction. For unaided near vision the candidate must be able to read Snellen, D = 0.5 (Jaeger, 1) with each eye separately.

Hypermetropia (under homatropine) must not exceed the following limits: In the better eye:—Hypermetropia, 1.5 dioptries. Simple Hypermetropic astigmatism, 0.75 dioptrie. Compound Hypermetropic astigmatism 1.5 dioptries (of which not more than 0.75 dioptrie may be due to astigmatism) in the meridian of greater error. In the worse eye:—Hypermetropia, 2.5 dioptries. Simple hypermetropic astigmatism, 1.0 dioptrie. Compound Hypermetropic astigmatism 2.5 dioptries (of which

not more than 1.0 dioptré may be due to astigmatism) in the meridian of greater error.

The fields of vision must be normal (confrontation test).

Candidates should possess binocular vision. Squint will debar from entry. Heterophoria must not be excessive and the acceptable limits, tested with the Maddox Rod are:—

Eso- and Exo-phoria .. 6 prism dioptrés.
Hyperphoria .. 1 prism dioptré.

Colour perception must be Standard 1. This standard of colour perception entails, in general terms, success in the complete Martin Lantern Test.

Engineering Cadet.

For the Engineering Branch the minimum standards are: Unaided distant vision, Snellen 6/12 in one eye and not less than Snellen 6/18 in the other eye. Any defect must be due to error of refraction only. Unaided near vision, Snellen: D = 0.5 (Jaeger, 1) with each eye separately.

With glasses, vision must not be less than 6/6 in one eye and 6/9 in the other eye.

Hypermetropia (under homatropine) must not, in either eye, exceed 5.0 dioptrés. Compound hypermetropic astigmatism must not exceed 5.0 dioptrés in the meridian of greater error.

The fields of vision must be normal (confrontation test). Glasses are permitted on duty.

Candidates should possess binocular vision. Squint will debar from entry. Heterophoria must not be excessive and the acceptable limits are the same as those required by the Executive Branch.

A degree of defect of colour perception is permitted; This standard of colour perception entails, in general terms, success in a modified Martin Lantern Test, using a single large aperture at a distance of five feet. Sufficient colours should be shown to ensure that the candidates recognise the red, signal green and white lights without guessing.

Supply and Secretariat Branch Cadet.

For candidates for Supply and Secretariat Branch Cadetships, full normal vision is not required. With glasses vision must be not less than 6/8 in one eye and 6/24 in the other eye. The candidate must be able to read Snellen D = 0.6 (Jaeger, 2) with glasses, each eye being tested separately.

Myopia under homatropine must not exceed 3.0 dioptrés in either eye. Compound myopic astigmatism must not exceed 3.0 dioptrés in the meridian of greater error.

Hypermetropia (under homatropine) must not, in either eye, exceed 5.0 dioptrés. Compound hypermetropic astigmatism must not exceed 5.0 dioptrés in the meridian of greater error.

The fields of vision must be normal (confrontation test).

Glasses are permitted on duty.

An alternating concomitant squint with small deviation (not abnormal cosmetically) will not debar from entry, but vision of candidates with such a squint must be capable of correction to 6/6-6/12 at least, and, with glasses, the candidate must read Snellen D — 0.60 with each eye. If binocular vision is present, heterophoria must not be excessive and

the acceptable limits are the same as those required by the Executive Branch.

A degree of defect in colour perception is permitted. This standard of colour perception entails, in general terms, success in a modified Martin Lantern Test, using a single large aperture at a distance of five feet. Sufficient colours should be shown to ensure that the candidates recognise the red, signal green and white lights without guessing.

In part I all candidates must offer English, the General Paper and Elementary Mathematics "A," and must pass in Elementary Mathematics "A." Candidates for Executive and Engineering Cadetships must also offer and pass in Elementary Physics, but the marks obtained in this subject will not be counted in the competitive total.

In Part II candidates may offer any two subjects, but candidates who wish to offer Physics, or Chemistry, or Biology, must satisfy the Civil Service Commissioners that they have had suitable laboratory training. The standard of Part II subjects will be appropriate to candidates of average ability who have done one year's work in the VIth form.

The qualifying standard in Elementary Mathematics "A" and in Elementary Physics will be approximately that required for a pass at Ordinary Level in the General Certificate of Education.

A copy of the syllabus can be obtained on application to the Secretary, Civil Service Commission, 6 Burlington Gardens, London, W.1. Copies of papers set in previous examinations may be obtained on payment from H.M. Stationery Office, Kingsway, London, W.C.2.

* Candidates for Naval Cadetships who are also candidates for the Royal Military Academy, Sandhurst, must also take Elementary Mathematics "B" and reach the necessary qualifying standards for the Services concerned in each paper.

REGULATIONS FOR THE SPECIAL ENTRY OF NAVAL CADETS IN THE ELECTRICAL BRANCH OF THE ROYAL NAVY.

The Admiralty reserves the right to amend these regulations from time to time, but as much notice as possible will be given of any alterations made.

1. Appointments to Cadetships in the Electrical Branch of the Royal Navy are made annually in September in accordance with the arrangements set out below :—

II.—AGE LIMITS.

2. Candidates must attain the age of 17 years and must not attain the age of 10 years 6 months on 1st September in the year of entry.

For example

Candidates born on or between :—	Eligible for entry in
2nd March, 1935 and 1st September, 1937.	September, 1954.
2nd March, 1936 and 1st September, 1938.	
2nd March, 1937 and 1st September, 1939.	September, 1955.
	September, 1956.

3. Candidates who are unsuccessful at their first attempt may renew their candidature in the following year, if they are still eligible by age.

III.—NATIONALITY.

4. Candidates must be British subjects and the sons of persons who are British subjects at the time of the candidate's entry. The burden of clear proof of the nationality of the candidates will rest upon their parents or guardians, who, if they are in any doubt, should seek the opinion of the Admiralty at the earliest opportunity. Candidates not of pure European descent must be resident in the United Kingdom at the time of application.

5. Candidates who possess a foreign as well as British nationality may be ineligible for entry into the commissioned ranks of the Royal Navy. Parents or guardians are therefore advised to seek an early decision from the Admiralty as to the eligibility for entry of prospective candidates possessing double nationality.

IV.—PHYSICAL STANDARD.

6. Candidates will be called for medical examination before the Naval medical authorities. The medical examination will normally be held on the day before the tests referred to in Section VI. Candidates will not be passed unless they are in good health and regarded as physically fit for service in the Royal Navy. Physical defect of body, impediment of speech, defect of sight or hearing, and predisposition to constitutional or hereditary disease or weakness will cause rejection, if these defects are of such a nature as to render the candidate unfit for general duties in his Branch of the Service. A candidate will not be entered unless he has been vaccinated within the past three years and is prepared to be re-vaccinated when considered necessary by the Naval authorities.

7. Details of the physical requirements for candidates are contained in Appendix 1.

8. Candidates who are successful in the medical examination will not receive any special notification of this fact from the Admiralty. If a candidate is rejected on medical grounds, however, the parent or guardian will be informed at once.

9. A Medical Board of Appeal is available to consider cases in which the parent or guardian of a candidate is not satisfied with the result of the official Medical Examination. This Appeal Board will consist of the Medical Director-General of the Navy and a physician or a surgeon or a specialist nominated by the Medical Consultative Board, according to the nature of the alleged disqualification or disqualifications.

10. A parent or guardian who wishes to make an appeal must do so by a date which will be stated in the letter notifying the candidate's rejection. The appeal must be forwarded to the Medical Director-General of the Navy, Admiralty, Queen Anne's Mansions, St. James's Park, London, S.W.1, and be accompanied by a cheque or crossed postal order

for one guinea, payable to the Director of Navy Accounts.

V.—EDUCATIONAL QUALIFICATION.

11 (a). Candidates will be required to have obtained passes at Advanced Level in at least two subjects (see Note 1), of the General Certificate of Education taken at one time, and to have obtained passes at Ordinary Level in subjects necessary to complete the minimum educational qualification (see Note 2), for entry to any English University.

Note 1. The subject matter of the Advanced Level subjects must cover Pure Mathematics, Applied Mathematics, Physics. Since the grouping of subjects is different for the different Examining Bodies, two subjects may cover this requirement in some cases.

Example :—Oxford and Cambridge Schools Examination Board
(i) Mathematics for Science
(ii) Physics

while in other cases the requirement may be covered by three subjects.

Example :—University of London School Examinations Council
(i) Pure Mathematics
(ii) Applied Mathematics
(iii) Physics

In cases of doubt, reference should be made to Director, Naval Education Service, Admiralty, London, S.W.1.

Note 2. Passes in the following are required :—

- (i) English Language
- (ii) A Language other than English (Latin or Greek is not necessary).

(b) Successful candidates who have not done so before entry, are subsequently required to pass the Qualifying Examination for the Mechanical Sciences Tripos of the University of Cambridge. For this purpose, it is necessary for candidates to have reached an adequate standard of knowledge in Pure Mathematics, Applied Mathematics and Physics. It will therefore be to the degree of success in these subjects that the Admiralty will pay regard in making their final selection (paragraph 18). The Admiralty will not confine their attention to the minimum qualifications laid down in paragraph 11(a), but will consider for example, results in these subjects in additional papers at Advanced Level or in Scholarship papers of the General Certificate of Education, or in examinations for entrance to Engineering or Science faculties of Universities, such as the Qualifying Examination for the Mechanical Sciences Tripos of the University of Cambridge.

12. In place of the General Certificate of Education a candidate may produce :—

(a) A Scottish Leaving Certificate with passes on the Higher Grade in Physics and Mathematics and with passes on at least the Lower Grade in English, a language other than English and two other subjects, but eligibility will be subject to confirmation by the Admiralty in consultation with the Scottish Education Department. It will be an advantage to candidates to have passed in at least two of the additional mathematical subjects of the Scottish Leaving Certificate Examination as it is essential that they reach a really good standard in Pure Mathematics, Applied Mathematics, Physics: the standard required is that of the Qualifying Examination for the Mechanical Sciences Tripos of the University of Cambridge.

(b) A statement from the Ministry of Education of Northern Ireland showing that he has attained a standard equivalent to that particularised in 11(a) above.

(c) Evidence of having passed any other examination, which in the opinion of the Admiralty is of equivalent or higher standard.

13. A candidate educated in the countries of the Commonwealth or elsewhere abroad must produce evidence satisfactory to the Admiralty of his having attained an equivalent standard.

14. A candidate who is sitting for the General Certificate of Education examination may apply provided that he produces a statement from his Headmaster that his general education is up to the standard required to obtain the General Certificate of Education as particularised in paragraph 11 (a), and (b) above. This will allow of his being interviewed by the Selection Board, so that the Admiralty may reach a decision immediately the results of the examination are known.

VI. TESTS OF PERSONAL QUALITIES.

15. Candidates who satisfy the educational requirements set out in Section V above will be required to undergo tests of intelligence, aptitude, character and personality.

16. The tests will occupy one day and entail a stay of two nights at the Naval Establishment where the tests are held.

17. Third class rail or bus fares in excess of £1 5s incurred in travelling in connection with this competition from the candidate's normal place of residence in the United Kingdom will be refunded. The normal place of residence may, during the school term, be taken to mean the school which the candidate attends, if he does so as a boarder. Lodging and food will be provided free of charge to candidates while they are at the Testing Establishment.

18. Cadetships, within the number of vacancies available, will be awarded to medically fit candidates at the discretion of the Admiralty who, in making the final selection, will be guided by the candidate's performance in their educational examinations (Section V) and tests of personal qualities (paragraph 16).

VII.—APPLICATIONS.

19. Every candidate must obtain the printed form of application for admission to the competition. This will be furnished on application by letter, addressed to the Secretary of the Admiralty (N.C.W. Branch), Queen Anne's Mansions, St. James's Park, London, S.W.1. The form must be completed in the candidate's own handwriting and returned to that address. A Registrar's copy of the candidate's birth certificate (or if this cannot be obtained, other documentary evidence, accompanied by a statutory declaration made by one of his parents or guardians before a magistrate, giving the exact date of his birth) must accompany the completed application form. Certificates of Registry of Birth or Baptism are not in themselves accepted as evidence of the date of birth. Candidates should also forward with the application form their Higher School Certificate or a certificate of equivalent standard. If they are applying under the arrangement set out in paragraph 14, their Headmaster should complete the Certificate on page 3 of the application form.

20. A certificate by the school or other authorities to the effect that the candidate is able to swim at least 50 yards must be sent with the application form.

21. Applications on the prescribed form, complete with the necessary enclosures, must be received in the Admiralty by the 1st July. Applications received after this date cannot be considered.

22. Any candidate who has filled up and returned the printed application form and has not received an acknowledgment of it within four complete days should write at once to the Secretary of the Admiralty (N.C.W. Branch), at the above address. Failure to comply with this provision will deprive the candidate of any claim to consideration on the grounds of loss or delay in the post.

VIIa. SERVICE NOMINATION.

23. Candidates who are the sons of officers or men of the Royal Navy or Royal Marines who have been killed in action, or who have been lost at sea on Active Service or killed on duty, or who have died of wounds received in action or injuries received on duty within six months from the date of such action

or injury, or who have performed long and meritorious service, are eligible for selection for a Service nomination.

24. One nomination will be available for award each year.

25. Candidates for nominations are required to take the competition prescribed in the Regulations in the same manner as other candidates.

26. The selection of the Service nominee will be made from among the eligible candidates who are unsuccessful in the competition, but who qualify therein and are medically fit.

27. After entry the place of a Service nominee is governed by his place in the final order of merit in the competition in the same way as other candidates.

28. Application to be considered for a Service nomination should be addressed separately to the Secretary of the Admiralty (N.C.W. Branch), and should reach that Department not later than 1st July. The award of a Service nomination will be communicated by the Secretary of the Admiralty.

VIII.—CONDITIONS OF ENTRY.

29. Candidates must not be married.

30. A candidate will not be accepted if he is not, in the opinion of the Admiralty, in all respects suitable to hold a commission in the Royal Navy.

31. The Admiralty may require a Cadet to be withdrawn if, in their opinion:—

(i) He fails to reach a satisfactory standard in work, or

(ii) His conduct is unsatisfactory, or

(iii) He does not display the qualities required of a Naval Officer.

32. It is to be clearly understood that the period of training, including the time spent as a Cadet in a sea-going ship, is one of probation, and that the parent or guardian of a Cadet is required to withdraw him immediately on the receipt of an official request for his withdrawal.

33. All Cadets will be required at present to pass Part I (Mathematics and Mechanics) of the Qualifying Examination for the Cambridge University Mechanical Sciences Tripos.* This examination will be taken about a week after entry to the Britannia Royal Naval College, unless it has already been taken privately before entry. (Exemption from Part II (Physics) may be obtained by means of a pass at Advanced Level in Physics at the General Certificate of Education examination.)

34. Parents or guardians must undertake on behalf of candidates that they will serve in any capacity within the Electrical Branch.

IX.—FINANCIAL ARRANGEMENTS.

35. The Admiralty will provide the Cadet with all the articles of uniform and clothing required on entry and on joining the Training Ship and will also assume initial responsibility for sundry expenses, such as travelling expenses to and from the cadet's place of residence within the United Kingdom, and laundry. The cost of these items will be waived or charged against the parent or guardian according to his financial circumstances. The amount of repayment will be spread over three instalments payable at the beginning of each term of Cadet training, and will be determined with reference to net income, which is assessed by the Admiralty. In assessing net income, allowances are made for income tax, children, insurance charges, etc.

36. If the net income as thus assessed falls below £300 a year, the parent or guardian will not be required to repay any of the expenses involved. If the net income exceeds £300 a year the parent or guardian will be required to make a repayment varying from a minimum of £1 a term to a maximum of £50 a term until the Cadet passes out of the Training Ship. Apart from the cost of maintenance while on leave and the cost, when proceeding on leave or returning from leave, of travel to destinations outside the United Kingdom, no other form of expense will fall on the parent or guardian.

37. The Cadet will be eligible without charge for medical and dental treatment while under training

*The papers of Part I of the Qualifying Examination for the Cambridge University Mechanical Sciences Tripos may be found to differ appreciably in form from Mathematics and Mechanics papers in a General Certificate of Education. Candidates are therefore strongly advised to prepare for this examination before entry. Copies of previous question papers can be purchased from the Cambridge University Press, 200 Euston Road, London, N.W.1 (Single set 6d., booklet 2/-).

and, while on leave, from the local Admiralty Surgeon and Agent. The repayment of expenses incurred through consulting a Civil Medical Practitioner will be considered by the Admiralty if an Admiralty Surgeon and Agent is not available, or under other exceptional circumstances.

38. Parents or guardians will be required to submit a confidential statement of their financial position at the time of the Cadet's entry, in order that the Admiralty may assess the appropriate rate of repayment.

X—DURATION OF COURSE

39. Successful candidates will be entered as Naval Cadets (L) in the term commencing in September and be appointed to The Britannia Royal Naval College, Dartmouth, for training. They will remain at the College for one term, and will then be sent to sea in the Training Ship for two terms.

40. On passing out of the Training Ship they will be promoted to Midshipman (L) and will be placed at a University for three years to read for an Honours Degree in Engineering or Electrical Engineering.

41. After fourteen months as a Midshipman (L), they will be promoted to Acting Sub-Lieutenants (L) and confirmed as Sub-Lieutenants (L) at the end of their third year at University provided they have made satisfactory progress.

42. On completion of the University course they will undergo two years' further training at Electrical Schools, at sea, and with manufacturing firms. During this period they will be promoted to acting Lieutenants (L) and, on completion of the training, to Lieutenants (L).

XI.—GENERAL.

43. Letters about Cadets should be addressed to "The Commanding Officer, Britannia Royal Naval College, Dartmouth, Devon" (or "The Commanding Officer, H.M.S. (name of ship), c/o G.P.O., London," if the Cadet is serving afloat) and not to the Captain by name.

44. Parents or guardians of Cadets must inform the Admiralty and the Commanding Officer of the College or of the Ship in which the Cadet is serving of any permanent change of residence without delay.

45. These regulations do not apply to Naval Cadets who are entered in the Executive Engineering and Supply and Secretariat Branches, of the Royal Navy, for whom separate regulations are issued.

APPENDIX I.

A degree of defect of colour perception is permitted. This standard of colour perception entails, in general terms, success in a modified Martin Lantern Test, using a single large aperture at a distance of five feet. Sufficient colours should be shown to ensure that the candidates recognise the red, signal green and white lights without guessing.

REGULATIONS FOR ENTRY OF ENGINEER OFFICERS, R.N. (UNIVERSITY CANDIDATES).

1. Entries will be made once a year (in September).

2. Candidates must be in possession of an Engineering degree (Mechanical, Aeronautical, Electrical, Chemical or Petroleum (Production) Engineering) or a science degree with an engineering subject, of a recognised university. Candidates whose academic qualifications have not been determined by the date of forwarding the lists by the university authorities may be recommended provisionally and their qualifications subsequently confirmed or otherwise.

3. *Age Limits.*—Candidates must not have attained the age of 25 years on 1st July for appointment in the following September. An extension of the age limit may be allowed at Admiralty discretion to candidates whose university course has been delayed or interrupted by compulsory military service.

4. *Nationality.*—Candidates must be British subjects and the sons of persons who are British subjects at the time of the candidate's entry. The burden of clear proof of nationality will rest upon the candidates, who, if they are in any doubt, should seek the opinion of the Admiralty at the earliest opportunity. Candidates not of pure European descent must be resident in the United Kingdom at the time of application. Candidates who possess a foreign as well as British nationality may be ineligible for entry into the commissioned ranks of the Royal Navy; they are, therefore, advised to seek an early decision from the Admiralty as to their eligibility for entry.

5. *Conditions of Entry.*—A candidate will not be accepted if he is not, in the opinion of the Admiralty, in all respects suitable to hold a commission.

6. *Applications.*—Candidates, including post-graduates, should apply on the proper form (supplies of which can be obtained from the Secretary of the Admiralty (N.C.W. Branch) or, in the case of other Commonwealth Universities, from the university authorities), to the authority of their university shown in Appendix I. Applications must reach the university authorities by the 30th April of the year of entry. Lists of recommended candidates will then be forwarded to the Admiralty from the universities.

7. *Interview.*—From the list of recommended candidates, the Admiralty will select those considered suitable, to appear before the Admiralty Interview Board. Interview Boards convened locally will be held for candidates from other Commonwealth countries.

8. *Physical Requirements.*—The physical standard is given in Appendix II. Candidates who appear before the Admiralty Interview Board will be required to undergo an examination by the Medical Director-General of the Navy as to their physical fitness for appointment. This examination will be held on the day preceding the interview. No candidate will be entered unless he has been vaccinated, and re-vaccination may be required, if considered necessary. The decision of the Admiralty as to physical fitness will be final.

9. *Conditions of Service.* Successful candidates will be entered as Acting Sub-Lieutenants (E) and undergo a short divisional course before appointment to the Royal Naval Engineering College, Manadon, where they will carry out initial practical training and naval indoctrination for one term. During this period, Officers will be categorised into the specialisation they will subsequently follow,

viz: marine, ordnance or air engineering, their wishes being taken into account as far as possible. On conclusion of this period of training they will be confirmed in the rank of Sub-Lieutenant (E) and appointed to sea for a period of nine months in order to obtain an Engineer Officer's watchkeeping certificate. On obtaining this qualification they will be promoted to the rank of Lieutenant (E) with seniority as follows :—

(a) Officers possessing a First Class Honours Degree—5 months from date of entry.

(b) Officers possessing a Second Class Honours Degree—8 months from date of entry.

(c) Officers possessing a Pass Degree—11 months from date of entry.

Failure to obtain a watchkeeping certificate will involve a delay in promotion or the question of the Officer's discharge from the Service.

On completion of sea training, Officers will return to the Royal Naval Engineering College, Manadon, for their Specialist Courses. The Specialist Courses will be of one year's duration in each case except that the Course in Ordnance Engineering, which will be divided between the Royal Naval Engineering College, H.M.S. EXCELLENT and other establishments, will be of one year and four months' duration.

Officers may, at the discretion of the Admiralty be selected to undergo an advanced course of two years' instruction in marine, ordnance or air engineering.

After promotion to Lieutenant (E), Officers will be subject to the same regulations as Officers of the Engineering Branch entered as Cadets. Officers will be promoted to Lieutenant-Commander (E) on attaining 8 years' seniority as Lieutenant (E).

Advancement to Commander (E) and higher ranks will be by selection.

10. *Uniform.*—Before joining, successful candidates will be required to provide themselves with a minimum of uniform, details of which will be supplied. A cash grant towards the provision of the necessary outfit of uniform is payable in addition to a free issue of certain articles of clothing, subject to certain conditions of refund in the event of an officer failing to serve for certain prescribed periods from date of entry. Grants on this scale are not payable to Officers who have already received a gratuity in respect of a previous period of Naval Service as an Officer. Such Officers may receive modified grants which will depend upon the length of break in service.

11. *Pay.*—The rates of pay are given on page 5. Ante-dates in seniority will count towards increments in pay and for promotion, but the time so gained will not count for retired pay or for other financial purposes. Ante-dates will not carry back pay on the scale for the higher rank.

12. *Retirement.*—Officers will be compulsorily retired on reaching the following ages :—

Lieutenant-Commander (E)	45
Commander (E)	50
Captain (E)	55
Rear-Admiral (E)	60

Officers may be permitted to retire voluntarily at Admiralty discretion after reaching 40 years of age.

The rates of retired pay are given on pages 22 to 27

APPENDIX II.

PHYSICAL REQUIREMENTS FOR CANDIDATES FOR ENTRY AS ENGINEER OFFICERS IN THE ROYAL NAVY

With a view to preventing candidates who may be physically unfit for Her Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they undergo examination by the medical adviser of the family, or any other qualified medical practitioner.

It is to be understood that this private examination is merely suggested as a guide for intending candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular official physical examination. The following list of defects which cause rejection may be submitted to the private medical practitioner for guidance.

1. A weak constitution, imperfect development, important malformation or skeletal deformity; physical weakness, either hereditary or acquired; obesity.

2. Skin disease, unless temporary or trivial. Scars which, by their extent or position, cause or are likely to cause, disability or marked disfigurement.

3. Impaired intellect, epilepsy, paralysis of speech, stammer, neuro-psychiatric disorder or history thereof.

4. Impaired hearing; discharge from, or disease of, one or both ears; unhealed perforations of the tympanic membranes, radical or modified radical mastoid operations. A cortical mastoid operation, provided the ear is healthy, the tympanic membrane intact, and there is no defect of hearing, is not a cause for rejection.

5. Disease of the bones or cartilage of the nose, and nasal polypus. Disease of the naso-pharynx.

6. Disease of the throat, palate, and tonsils; simple hypertrophy of the tonsils, if there is no history of attacks of tonsillitis, is not a cause for rejection.

7. Diseased gums; disease or injury affecting the normal function of either mandibular joint. Many unsound or functionless teeth.*

8. Tuberculous glands of the throat and neck. Enlargement of the Thyroid gland. Scars of operations for the removal of tuberculous glands are not a cause for rejection, provided that there has been no active disease within the preceding five years, and the chest is clinically and radiologically clear.

9. Pulmonary tuberculosis, unless there is clear evidence that the disease is arrested and has been inactive for the preceding five years. Chronic disease of the chest.

10. Functional or organic disease of the heart and blood vessels.

11. Allergic diseases, including asthma, hay fever and eczema where these form, or are likely to form, a serious impediment to the efficient performance of duty.

12. Undue swelling or distension of the abdomen; peptic ulceration or history thereof. Disease of the liver, spleen or kidneys; hernia or tendency thereto. Successful surgical repair of a hernia will not cause rejection.

13. Albuminuria; unless the first morning specimen is clear, and there is no clinical evidence (e.g., cardiac hypertrophy or raised blood pressure), or history which suggests impaired renal function.

14. Glycosuria; unless a satisfactory report of a sugar tolerance test is produced.

15. Hydrocoele, or other serious defect or malformation of the genital organs. Incontinence or enuresis. Varicocele, if it clearly forms, or is likely to form, a serious impediment to the efficient performance of duty.

16. Fistula or fissure of the Anus; hæmorrhoids or any disease of the bowels.

17. Paralysis, weakness, impaired motion, or deformity of the upper or lower extremities from whatever cause; a varicose state of the veins, especially in the leg. Bunions, distortion or malformation of the hands, feet, fingers or toes.

18. No person will be admitted into Her Majesty's Service unless he has been vaccinated or re-vaccinated during the three years preceding the date of his entry.

19. Deformity or any chronic disease of the eye or eyelids.

Visual Standards.

The standard of distant vision on entry is (without glasses) Snellen 6/12 using both eyes together, worse eye not less than 6/24, correcting to at least 6/8 in one eye and 6/12 in the other with glasses. For near vision, the candidate must be able to read Snellen D=0.6 (Jaeger 2) with each eye separately without glasses. Hypermetropia exceeding 5.0 dioptres (under homatropine) in the meridian of greater error will disqualify.

Defects of colour vision do not necessarily disqualify, but the minimum standard acceptable is grade III. This standard of colour perception entails, in general terms, success in a modified Martin Lantern Test, using a single large aperture at a distance of five feet. Sufficient colours should be shown to ensure that the candidates recognise the red, signal green and white lights without guessing.

* i.e., seven teeth missing or defective, a tooth being considered as defective when it cannot be made permanently serviceable by dental repair. Candidates must, however, possess some sound opposing molars and incisors. The number given above is intended as a general guide, and is not necessarily strictly adhered to, provided the general condition of the teeth is good. Parents or guardians must arrange for dental defects in accepted candidates to be remedied prior to joining.

REGULATIONS FOR ENTRY OF ELECTRICAL OFFICERS, R.N. (UNIVERSITY CANDIDATES).

1. Entries will be made once a year (in September).

2. *Academic Qualifications.*—Candidates should possess an Honours Degree in Electrical Engineering of a recognised University. Applications from candidates with an Honours Degree in Physics, or a Pass Degree in Engineering, will also be considered, depending on the nature of the subjects taken and the standard reached. Before a candidate is accepted he should also, wherever possible, have six months' works experience, including that gained in University vacations. Candidates whose academic qualifications have not been determined by the date of forwarding the lists by the University authorities may be recommended provisionally subject to confirmation of their qualifications later.

3. *Age Limits.*—Candidates must not have attained the age of 25 years on 1st July for appointment in the following September. An extension of the age limit may be allowed at Admiralty discretion to candidates whose University course has been delayed or interrupted by compulsory military service.

4. *Nationality.*—All candidates must be British subjects and the sons of persons who are British subjects at the time of candidates' entry. The burden of clear proof of nationality will rest upon the candidate who, if he is in any doubt, should seek the opinion of the Admiralty at the earliest opportunity. Candidates not of pure European descent must be resident in the United Kingdom at the time of application. Candidates who possess a foreign as well as British nationality may be ineligible for entry into the commissioned ranks of the Royal Navy; they are, therefore, advised to seek an early decision from the Admiralty as to their eligibility for entry.

5. *Conditions of Entry.*—A candidate will not be accepted if he is not, in the opinion of the Admiralty, in all respects suitable to hold a commission.

6. *Applications.*—Candidates, including post-graduates, should apply on the proper form (supplies of which can be obtained from the Secretary of the Admiralty (N.C.W. Branch), or, in the case of other Commonwealth Universities, from the University Authorities), to the authority of their University shown in Appendix I. Applications must reach the University Authorities by the 30th April of the year of entry. Lists of recommended candidates will then be forwarded to the Admiralty from the Universities.

7. *Interview.*—From the list of recommended candidates the Admiralty will select those considered suitable to appear before the Admiralty Interview Board. Interview Boards convened locally will be held for candidates from other Commonwealth countries.

8. *Physical Requirements.*—The physical standard is given in Appendix II. Candidates who appear before the Admiralty Interview Board will be required to undergo an examination by the Medical Director-General of the Navy as to their physical fitness for appointment. This examination will be held on the day preceding the interview. A candidate will not be entered unless he has been vaccinated, and re-vaccination may be required, if considered necessary. The decision of the Admiralty as to physical fitness will be final.

9. *Conditions of service.*—Successful candidates will be entered as Acting Sub-Lieutenants (L) and will be appointed to the Royal Naval Electrical School (H.M.S. COLLINGWOOD) at Fareham,

Hants, for a course of training lasting about 3½ months.

On completion of this course, officers will be appointed to a ship for a period of 6 months' sea training, after successful completion of which they will be confirmed as Sub-Lieutenants (L) and then appointed to H.M.S. COLLINGWOOD for a further course lasting 14 months. During this latter period, which will include 6 months' Radio Industrial Training, they will hold the rank of Acting Lieutenant (L).

On completion of this further course, officers will be confirmed as Lieutenants (L) with seniority assessed in accordance with the regulations applicable to Cadet Entry Officers, i.e., adjusted according to their degree and the results achieved on their Naval post graduate courses so as to date from between 5 and 13 months after their date of joining the Royal Navy.

Failure to achieve satisfactory progress in the above courses will involve a delay in promotion, and loss of seniority, or the question of the officer's discharge from the Service.

After promotion to Lieutenant (L), officers will be subject to the same regulations as officers of the Electrical Branch entered as cadets. They will be promoted to Lieutenant-Commander (L) on attaining eight years' seniority as Lieutenant (L); advancement to Commander (L) and higher ranks will be by selection.

10. *Uniform.*—Before joining, successful candidates will be required to provide themselves with a minimum of uniform, details of which will be supplied. A cash grant towards the provision of the necessary outfit of uniform is payable in addition to a free issue of certain articles of clothing, subject to certain conditions of refund in the event of an officer failing to serve for certain prescribed periods from date of entry. Grants on this scale are not payable to officers who have already received a gratuity in respect of a previous period of Naval Service as an officer. Such officers may receive modified grants which will depend upon the length of break in service.

11. *Pay.*—The rates of pay are given on Page 5. Ante-dates in seniority will count towards increments in pay and for promotion, but the time so gained will not count for retired pay or for other financial purposes. Ante-dates will not carry back pay on the scale for the higher rank.

12. *Retirement.*—Officers will be compulsorily retired on reaching the following ages:—

Lieutenant-Commander (L)	..	..	45
Commander (L)	..	..	50
Captain (L)	..	..	55
Rear-Admiral (L)	..	..	60

Officers may be permitted to retire voluntarily at Admiralty discretion after reaching 40 years of age. The rates of retired pay are given on pages 22 to 27.

APPENDIX II.

PHYSICAL REQUIREMENTS FOR CANDIDATES FOR ENTRY IN THE ELECTRICAL BRANCH OF THE ROYAL NAVY

With a view to preventing candidates who may be physically unfit for Her Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they undergo examination by the medical adviser of the family, or any other qualified medical practitioner.

It is to be understood that this private examination is merely suggested as a guide for intending candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular official physical examination. The following list of defects which cause rejection may be submitted to the private medical practitioner for guidance.

1. A weak constitution, imperfect development, important malformation or skeletal deformity; physical weakness, either hereditary or acquired; obesity.
2. Skin disease, unless temporary or trivial. Scars which, by their extent or position, cause, or are likely to cause, disability or marked disfigurement.
3. Impaired intellect, epilepsy, paralysis of speech, stammer, neuro-psychiatric disorder or history thereof.
4. Impaired hearing; discharge from, or disease of, one or both ears; unhealed perforations of the tympanic membranes; radical or modified radical mastoid operations. A cortical mastoid operation, provided the ear is healthy, the tympanic membrane intact, and there is no defect of hearing, is not a cause for rejection.
5. Disease of the bones or cartilage of the nose, and nasal polypus. Disease of the naso-pharynx.
6. Disease of the throat, palate, and tonsils; simple hypertrophy of the tonsils, if there is no history of attacks of tonsillitis, is not a cause for rejection.
7. Diseased gums; disease or injury affecting the normal function of either mandibular joint. Many unsound or functionless teeth.*
8. Tuberculous glands of the throat and neck. Enlargement of the thyroid gland. Scars of operations for the removal of tuberculous glands are not a cause for rejection, provided that there has been no active disease within the preceding five years, and the chest is clinically and radiologically clear.
9. Pulmonary tuberculosis, unless there is clear evidence that the disease is arrested and has been inactive for the preceding five years. Chronic disease of the chest.

10. Functional or organic disease of the heart and blood vessels.

11. Allergic diseases, including asthma, hay fever and eczema where these form, or are likely to form a serious impediment to the efficient performance of duty.

12. Undue swelling or distension of the abdomen; peptic ulceration or history thereof. Disease of the liver, spleen or kidneys; hernia or tendency thereto. Successful surgical repair of a hernia will not cause rejection.

13. Albuminuria; unless the first morning specimen is clear, and there is no clinical evidence (e.g., cardiac hypertrophy or raised blood pressure), or history which suggests impaired renal function.

14. Glycosuria; unless a satisfactory report of a sugar tolerance test is produced.

15. Hydrocoele, or other serious defect or malformation of the genital organs. Incontinence or enuresis. Varicocele, if it clearly forms, or is likely to form, a serious impediment to the efficient performance of duty.

16. Fistula or fissure of the Anus; haemorrhoids or any disease of the bowels.

17. Paralysis, weakness, impaired motion, or deformity of the upper or lower extremities from whatever cause; a varicose state of the veins, especially of the leg. Bunions, distortion or malformation of the hands, feet, fingers or toes.

18. No person will be admitted into Her Majesty's Service unless he has been vaccinated or re-vaccinated during the three years preceding the date of his entry.

19. Deformity or any chronic disease of the eye or eyelids.

* i.e., seven teeth missing or defective, a tooth being considered as defective when it cannot be made permanently serviceable by dental repair. Candidates must, however, possess some sound opposing molars and incisors. The number given above is intended as a general guide, and is not necessarily strictly adhered to, provided the general condition of the teeth is good. Parents or guardians must arrange for dental defects in accepted candidates to be remedied prior to joining.

Visual Standards

Full normal vision is not required. With glasses vision must be not less than 0/6 in one eye and 6/24 in the other eye. The candidate must be able to read Snellen D=0.6 (Jaeger, 2) with glasses, each eye being tested separately.

Myopia under homotropine must not exceed 3.0 dioptries in either eye. Compound myopic astigmatism must not exceed 8.0 dioptries in the meridian of greater error.

Hypermetropia (under homotropine) must not, in either eye, exceed 5.0 dioptries. Compound hypermetropic astigmatism must not exceed 5.0 dioptries in the meridian of greater error.

The fields of vision must be normal (confrontation test).

Glasses are permitted on duty.

An alternating concomitant squint with small deviation (not abnormal cosmetically) will not debar from entry, but vision of candidates with such a squint must be capable of correction to 8/6—6/12 at least, and, with glasses, the candidate must read Snellen D = 0.6 with each eye.

If binocular vision is present, heterophoria must not be excessive and the acceptable limits tested with the Maddox Rod are:—

Eso- and Exo-phoria	... six prism dioptries
Hyperphoria	... one prism dioptrie

A degree of defect of colour perception is permitted. This standard of colour perception entails, in general terms, success in a modified Martin Lantern Test, using a single large aperture at a distance of five feet. Sufficient colours should be shown to ensure that the candidates recognise the red, signal green and white lights without guessing.

REGULATIONS FOR FIRST APPOINTMENTS IN THE ROYAL MARINES.

(Note.—The Admiralty reserves the right to amend these regulations from time to time, but as much notice as possible is given of any alterations.)

1. Competitive examinations for appointments as Second Lieutenant in the Royal Marines are held in February, May and October of each year. The examinations are the Navy, Army and Air Force Entrance examinations, conducted by the Civil Service Commissioners.

2. Candidates are restricted to three attempts for the examination as a whole, including not more than two attempts for any one Service (i.e., Royal Navy, Royal Marines, Army or Royal Air Force).

8. Successful candidates will be entered as follows:—

Examination	Date of Entry
February	Following November.
May	Following November.
October	Following May.

II.—Age Limits.

4. Candidates must be within the age limits (i.e., they must attain the age of 17 years 2 months, but must not attain the age of 18 years 6 months on the first day of the month following the normal date of the examination). Every candidate will be required to furnish the Civil Service Commissioners, as soon as called upon to do so, with an extract from the register of his birth, or, if this cannot be obtained, other documentary evidence, accompanied by a statutory declaration made by one of his parents or guardians before a magistrate, giving the exact date of his birth. Certificates of registry of birth or of baptism are not in themselves accepted as evidence of the date of birth.

III.—Nationality.

5. Candidates must be British subjects and the sons of persons who are British subjects at the time of the candidate's entry. The burden of clear proof of the nationality of the candidates will rest upon their parents or guardians, who, if they are in any doubt, should seek the opinion of the Admiralty at the earliest opportunity. Candidates not of pure European descent must be resident in the United Kingdom at the time of application.

6. Candidates who possess a foreign, as well as a British, nationality may, in certain cases, be regarded as ineligible for entry into the commissioned ranks of the Royal Marines. Parents or guardians are therefore advised to seek an early decision from the Admiralty as to the eligibility for entry of prospective candidates possessing double nationality.

IV.—Physical Standard.

7. Candidates who pass high enough in the educational examination will be called for medical examination before the Naval medical authorities. The medical examination will normally be held on the day before the tests referred to in Section VIII. Candidates will not be passed unless they are in good health and regarded as physically fit for service in the Royal Marines. Physical defect of body, impediment of speech, defect of sight or hearing, and predisposition to constitutional or hereditary disease or weakness will cause rejection, if these defects are of such a nature as to render the candidate unfit for general duties in his Branch of the Service. A candidate will not be entered unless he has been vaccinated within the past three years and is prepared to be re-vaccinated when considered necessary by the Naval authorities. Details of the physical requirements for candidates are contained in Appendix I.

8. Candidates who are successful in the medical examination, will not receive any special notification of this fact from the Admiralty. If a candidate is rejected on medical grounds, however, the parent or guardian will be informed at once.

9. A Medical Board of Appeal is available to consider cases in which the parent or guardian of a candidate is not satisfied with the result of the official Medical Examination. This Appeal Board will consist of the Medical Director-General of the

Navy and a physician or a surgeon or a specialist nominated by the Medical Consultative Board, according to the nature of the alleged disqualification or disqualifications. A parent or guardian who wishes to make an appeal must do so by a date which will be stated in the letter notifying the candidate's rejection. The appeal must be forwarded to the Medical Director-General of the Navy, Admiralty, Queen Anne's Mansions, St. James's Park, London, S.W.1, and be accompanied by a cheque or crossed postal order for one guinea, payable to the Director of Navy Accounts.

V.—Preliminary Educational Qualifications.

10. Before admission to the written examination candidates must be in possession of one of the following:—

- (i) A General Certificate of Education showing passes (not necessarily at the same examination) in (i) English Language, and (ii) any two of the following subjects:—

English Literature, Geography, History (see Note 1), Latin, Greek, French, German, Spanish, Italian, Russian, Mathematics or Pure Mathematics, Applied Mathematics, Physics, Chemistry, Physics-and-Chemistry (see Note 2), Botany, Zoology, Biology (see Note 3), General Science or Additional General Science (see Note 4), Geometrical Drawing or Geometrical and Mechanical (or Machine) Drawing or Technical Drawing.

Note 1.—Any one of the subjects recognised by the examining bodies will be accepted, e.g. History, History of the British Empire, Foreign History, Ancient History, etc.

Note 2.—Physics-and-Chemistry may not be offered with Physics or Chemistry.

Note 3.—Biology may not be offered with Botany or Zoology.

Note 4.—General Science or Additional General Science may not be offered if any other science subject is chosen.

- (ii) A Scottish Leaving Certificate showing passes on the lower grade in (i) English, and (ii) any two of the following subjects:—

Geography, History, Mathematics, Science, Technical Subjects, Latin, Greek, French, German, Spanish, Italian, Russian.

- (iii) A School Certificate awarded in 1950 or before.

- (iv) A Senior Certificate issued by the Ministry of Education for Northern Ireland in 1952 or after, or evidence of having obtained passes in the Northern Ireland Examination in 1952 or after in English Language and two other subjects chosen from the list in Section 10 (i) above.

- (v) Evidence of having passed any other examination which in the opinion of the Civil Service Commissioners is of equal or higher standard.
- (vi) A statement from the Ministry of Education for Northern Ireland showing that a candidate educated in Northern Ireland and not in possession of any of the qualifications given in (i) to (v) above has attained a standard equivalent to that of the General Certificate of Education under Section 10 (i) above.

11. If a candidate has not passed an examination qualifying him for the award of a General Certificate of Education (as specified above) or of a full School Certificate, he may submit qualifications based partly on his performance in the School Certificate examination and partly on that in the General Certificate of Education examination. For this purpose a pass with a credit in a subject in a School Certificate examination will be accepted instead of a pass in the corresponding subject at the "Ordinary" level in the General Certificate of Education examination.

An intending Scottish candidate who for any reason does not hold a Scottish Leaving Certificate with the required passes should consult his Headmaster.

12. A candidate who is awaiting the result of his

General Certificate (or equivalent) examination will be accepted as a provisional candidate, but will not be allowed to compete unless he produces evidence that he has obtained the necessary passes before the beginning of the written examination. If a candidate has not yet received his certificate, a statement from the *Examining Body* to the effect that he has passed the examination will be accepted.

13. In exceptional cases a candidate who has been prevented from obtaining one of the qualifications named above by circumstances outside his control may, at the discretion of the Commissioners, be admitted to the examination if he can produce a statement from a suitable person (e.g., his Headmaster) that his *general education* is up to the required standard. He must also produce a statement from a responsible person (not a relative) about the circumstances which prevented his obtaining the necessary qualifications.

14. A Naval Rating or Naval Apprentice who has not taken the General Certificate of Education may be allowed to compete for a Naval Cadetship (Special Entry) or First Appointment in the Royal Marines if he is recommended by his Commanding Officer, and if he produces, when requested by the Civil Service Commissioners, a statement from the Senior Instructor Officer of the Royal Naval Training Establishment that his *general education* is up to the standard required to obtain the necessary passes in that examination.

15. A candidate educated in a Commonwealth country or elsewhere abroad must produce evidence satisfactory to the Civil Service Commissioners of having obtained a standard equivalent to that required of candidates educated in this country.

VI.—Applications.

16. The examination will normally be held on the last Tuesday in February, the last Tuesday in May and the last Tuesday in October. Every candidate must obtain the necessary printed form of application* for admission to the examination. This will be furnished on application by letter, addressed to the Secretary, Civil Service Commission, 6, Burlington Gardens, London, W.1. The form must be filled up in the candidate's own handwriting and should be returned to the Secretary, Civil Service Commission, as early as possible.

17. The written examinations are held at various centres, a list of which may be obtained on written application to the Secretary, Civil Service Commission. All candidates will be required to pay a fee of 40 shillings.

18. The closing date for applications, usually about three months before the examination, is announced by the Civil Service Commissioners.

19. Any candidate who has filled up and returned the printed application form, but has not received an acknowledgment of it within four complete days, should at once write to the Secretary, Civil Service Commission. Failure to comply with this provision may deprive the candidate of any claim to consideration.

20. A separate form of application must be obtained, filled up and duly returned by a candidate in connection with each examination which he wishes to attend. A candidate is, however, warned not to delay his application for the next examination until the result of the previous examination has been announced, since there may then be insufficient time for fresh application to be made.

21. The subjects of examination, with the marks obtainable in each subject, will be found in Appendix II. Specimen question papers may be obtained from H.M. Stationery Office, Kingsway, W.C.2. These papers cannot be supplied by the Admiralty or the Civil Service Commissioners.

* The forms of application are ready for issue about four months before the date of each examination.

Any further particulars regarding the examination must be obtained by written application to the Secretary, Civil Service Commission.

22. Where a candidate's aggregate travelling expenses from his normal place of residence within the United Kingdom (third class railway fares or bus fares) incurred in connection with the written examination and tests exceed £15/-, the excess will be refunded. The Civil Service Commissioners reserve the right to limit payment to an amount calculated on the basis of travel to the nearest examination centre. Claims for refund should be submitted to the Commissioners on the form which will be supplied to each candidate. Lodging and food will be provided free of charge to candidates while they are at the Testing Establishment.

VII.—Concurrent Candidature for other Appointments.

23. A candidate for an appointment under these regulations may, if he so desires, and provided he fulfils all the necessary conditions, present himself at the same time, without payment of any additional fees, for examination for a Cadetship in the Executive Branch, the Engineering Branch, or the Supply and Secretariat Branch of the Royal Navy. Regulations relating to Naval Cadetships (Special Entry) may be obtained on application to the Secretary of the Admiralty (N.C.W. Branch), Queen Anne's Mansions, St. James's Park, London, S.W.1.

24. Candidates should note particularly that medical rejection for the Branches of their choice will not entitle them to be considered for any Branch not included in their choice, for which they may be medically fit. It is therefore most important that candidates should include in their order of preference on the application form all the appointments which they would be prepared to accept. A candidate is not allowed to add to his choice of Branch or Branches or to change his order of preference unless his request to do so is received at the Civil Service Commission not later than the first day of the written examination.

VIII.—Tests of Personal Qualities.

25. As part of the scheme of examination, those candidates who qualify at the written examination, will be required, irrespective of whether or not they have competed at a previous examination, to undergo tests of aptitude, character and personality which will be conducted by the Admiralty. The tests will occupy one day and entail a stay of two nights. Marks up to a maximum of 400 for Personal Qualities will be awarded by the Interview Board on the results of these tests. This mark will be added to the mark scored at the written examination, and the final order of merit will normally be determined by the aggregate mark, but failure to attain a mark of 180 for Personal Qualities will disqualify candidates from the competition. See, however, paragraph 33.

IX. Special Appointments.

26. *Corps Nomination.*—One appointment in the Royal Marines will be given annually to the son of an Officer of the Royal Marine Forces recommended to Her Majesty by the Lords Commissioners of the Admiralty.

27. Selection for this appointment will be restricted:—

(a) to sons of Officers who have been killed in action or have died of wounds received in action within six months of such wounds having been received, or from illness brought on by fatigue, privation or exposure, incident to active operations before an enemy, within six months after having been first certified to be ill; or

(b) to sons of Officers who have attained the substantive or brevet rank of Major or above, and have performed long and distinguished service.

X.—Service Nomination

28. An additional appointment will be offered annually to sons of Officers or men of the Royal

Marine Forces and Royal Navy recommended to Her Majesty by the Lords Commissioners of the Admiralty.

29. The selection for this appointment will be confined to the sons of Officers or men who have been killed in action or have died of wounds received afloat or ashore, or who have died through the destruction of their ship, or through drowning, or have suffered other violent death due directly or wholly to war service, or who have died of disease directly attributable to Active Service, or who have performed long and meritorious service.

30. Both of the foregoing appointments are contingent on the nominees qualifying in the entrance examination and showing a competent knowledge in the subject of Elementary Mathematics.

31. Applications to be considered for these appointments should be addressed separately to the Commandant General, Royal Marines, Queen Anne's Mansions, St. James's Park, London, S.W.1, not later than the date on which the application to take the Civil Service examination is forwarded to the Civil Service Commission. The award of the appointments will be notified by the Admiralty.

XI.—Conditions of Entry.

32. Candidates must be unmarried.

33. A candidate will not be accepted if he is not, in the opinion of the Admiralty, in all respects suitable to hold a commission in the Royal Marines.

34. Successful candidates will be appointed as Second Lieutenants, Royal Marines, and receive the pay and allowances of that rank from date of joining. Their order of seniority on entry will be determined by their place on the examination results.

35. The final order of seniority of Officers will be determined by the results of all their professional (naval and military) examinations during the probationary period of their service.

36. On completion of the training described in Section XV, the Senior Lieutenant may be awarded a revolver, or his personal sword may be suitably inscribed at the public expense and a sum equivalent to the difference between the cost of a sword and the cost of the inscription granted to him, the award being based on the aggregate results of the examinations held.

37. *Period of Probation.*—Officers will be considered as on probation until they have completed all their courses of instruction and training and have been successful in all the examinations hereinafter mentioned.

38. *Removal from the Service.*—An Officer may be removed from the Service if in the opinion of the Lords Commissioners of the Admiralty—

- (i) he fails to reach a satisfactory standard in his work, or
- (ii) his conduct is unsatisfactory, or
- (iii) he does not display the qualities required of a Royal Marine Officer.

XII.—Uniform.

39. A list of uniform required on joining is sent to all successful candidates.

40. An outfit allowance is payable on entry and is supplemented by free issues of clothing. This allowance, together with the free issues, is sufficient to provide all the essential uniform and other clothing required by the officer while under training. The outfit allowance may, at Admiralty discretion, be paid to the officer's parent or guardian if a claim is received before payment is made to the Officer.

XIII.—Swimming Certificate.

41. Before entry, a certificate from the school or other responsible authorities must be forwarded to the Commandant General, Royal Marines, that the candidate is able to swim at least 50 yards.

XIV.—Health Certificate.

42. A Second Lieutenant must also produce on joining a certificate that he has not suffered from, or been exposed to, infectious disease during the previous 30 days.

XV.—Courses of Instruction and Training.

43. The programme of training for Second

Lieutenants is carried out in three phases and is shown in detail below. Phase I consists of 16 months' instruction in the United Kingdom (including 3 months in H.M. Ship), Phase II of one year's service in 3 Commando Brigade, Phase III of a further 16 months' instruction in the U.K.

45. Physical and Recreational Training, Horsemanship, etc., are included in certain courses carried out at R.M. Establishments and Schools.

46. Marks are allotted at the end of the majority of courses, for the results of examinations and for General Qualities, Command and work done.

47. Officers are given the acting rank of Lieutenant before undergoing Phase II training.

XVI.—Applications from Other Commonwealth Countries.

48. The Governments of other Commonwealth countries are allowed to nominate exceptionally for appointment to Second Lieutenants outside the normal entry arrangement, specially recommended candidates belonging to families resident in those Commonwealth countries. Such candidates must actually reside and receive their education in the Commonwealth country. They will be required to undergo an examination on the lines shown in Appendix II, and to pass a Naval Interview Board.

49. Nominations must be forwarded through the Secretary of State for Commonwealth Relations or the Secretary of State for the Colonies, as appropriate, in order to reach the Admiralty at least nine months before the particular entry for which the candidate is eligible by age, and at least 10 months before in the case of candidates for the February examination. A nominated candidate will not be accepted unless he attains a standard not below that of the lowest successful candidate in the competitive examination held in the United Kingdom.

50. Enquiries should be addressed in the first instance to the Government of the Commonwealth country concerned, and should be made before the prospective candidate reaches the age of 16 years 10 months.

APPENDIX I

PHYSICAL REQUIREMENTS FOR CANDIDATES FOR FIRST APPOINTMENTS IN THE ROYAL MARINES.

With a view to preventing candidates who may be physically unfit for Her Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Marines, it is suggested that they undergo examination by the medical adviser of the family, or any other qualified medical practitioner, to whom the following lists of defects which cause rejection may be submitted for guidance.

It is to be understood that this private examination is merely suggested as a guide for intending candidates and to lessen the chances of disappointment and that it is by no means intended to take the place of, or to influence in any way, the regular official physical examination.

1. A weak constitution, imperfect development, important malformation or skeletal deformity; physical weakness, either hereditary or acquired; obesity.

2. Skin disease, unless temporary or trivial. Scars which, by their extent or position, cause, or are likely to cause, disability or marked disfigurement.

3. Impaired intellect, epilepsy, paralysis of speech, stammer, neuro-psychiatric disorder or history thereof.

4. Impaired hearing; discharge from, or disease of, one or both ears; unhealed perforations of the tympanic membranes; radical or modified radical mastoid operations. A cortical mastoid operation provided the ear is healthy, the tympanic membrane intact, and there is no defect of hearing, is not a cause for rejection.

5. Disease of the bones or cartilage of the nose, and nasal polypus. Disease of the naso-pharynx.

6. Disease of the throat, palate, and tonsils; simple hypertrophy of the tonsils, if there is no history of attacks of tonsillitis, is not a cause for rejection.

7. Diseased gums; disease or injury affecting the normal function of either mandibular joint. Many unsound or functionless teeth.*

8. Tuberculous glands of the throat and neck. Enlargement of the Thyroid gland. Scars of operations for the removal of tuberculous glands are not a cause for rejection, provided that there has been no active disease within the preceding five years, and the chest is clinically and radiologically clear.

9. Pulmonary tuberculosis, unless there is clear evidence that the disease is arrested and has been inactive for the preceding five years. Chronic disease of the chest.

10. Functional or organic disease of the heart and blood vessels.

11. Allergic diseases, including asthma, hay fever and eczema where these form, or are likely to form, a serious impediment to the efficient performance of duty.

12. Undue swelling or distension of the abdomen; peptic ulceration or history thereof. Disease of the liver, spleen or kidneys; hernia or tendency thereto. Successful surgical repair of a hernia will not cause rejection.

13. Albuminuria; unless the first morning specimen is clear, and there is no clinical evidence (e.g., cardiac hypertrophy or raised blood pressure), or history which suggests impaired renal function.

* i.e., seven teeth missing or defective, a tooth being considered as defective when it cannot be made permanently serviceable by dental repair. Candidates must, however, possess some sound opposing molars and incisors. The number given above is intended as a general guide, and is not necessarily strictly adhered to, provided the general condition of the teeth is good. Parents or guardians must arrange for dental defects in accepted candidates to be remedied before joining.

14. Glycosuria; unless a satisfactory report of a sugar tolerance is produced.

15. Hydrocoele, or other serious defect or malformation of the genital organs. Incontinence or enuresis. Varicocele, if it clearly forms, or is likely to form, a serious impediment to the efficient performance of duty.

16. Fistula or fissure of the Anus; haemorrhoids or any disease of the bowels.

17. Paralysis, weakness, impaired motion, or deformity of the upper or lower extremities from whatever cause; a varicose state of the veins, especially of the leg. Bunions, distortion or malformation of the hands, feet, fingers or toes.

18. No person will be admitted into Her Majesty's Service unless he has been vaccinated or re-vaccinated during the three years preceding the date of his entry.

19. Squint, deformity or any chronic disease of the eyes or eyelids. The standard of distant vision of entry is not less than Snellen 6/12 in each eye tested separately without glasses. With glasses, vision must be at least 6/8 in each eye. For near vision, candidates must be able to read Snellen, D=0.5 (Jaeger, 1) with each eye without glasses. Hypermetropia exceeding 5.0 dioptres (under homatropine) or compound hypermetropic astigmatism exceeding 5.0 dioptres in the meridian of greater error will disqualify. Candidates must possess binocular vision. Heterophoria must not be excessive and the acceptable limits tested with the Maddox Rod are:—

Eso — and Exo — phoria .. 6 prism dioptres.
Hyperphoria 1 prism dioptre.

The minimum standard of colour vision is Standard 1. This standard of colour vision entails, in general terms, success in the complete Martin Lantern Test.

20. Candidates must be at least 5 ft. 5 ins. in height.

APPENDIX II.

SUBJECTS OF EXAMINATION.

The following subjects will be set:—

Part I—Compulsory Subjects		Maximum marks
(1) English	200	
(2) General Paper	100

The qualifying standard in Elementary Mathematics "B" will be approximately General Certificate of Education (Ordinary level) standard.

A copy of the syllabus can be obtained on application to the Secretary, Civil Service Commission, 6, Burlington Gardens, London, W.1. Copies of paper set in previous examinations may be obtained on payment from H.M. Stationery Office, Kingsway, London, W.C.2.

REGULATIONS FOR THE ENTRY OF OFFICERS FOR AIRCREW DUTIES IN THE ROYAL NAVY AS PILOT OR OBSERVER.

(Short Service)

(The Admiralty reserves the right to amend these regulations from time to time, but as much notice as possible will be given of alterations.)

1. Entries of officers for Aircrew duties will be made four times a year in accordance with the arrangements set out below.

2. The officers will be entered as Naval Cadets, and they will be required to serve on the Active List of the Royal Navy for a period of 4 or 8 years from the date of entry. On completion of this Short Service engagement, they will be placed on an Emergency List and will be liable for service in war or emergency during the subsequent 4 or 7 years. For those entering on a 4 year commission there will be opportunities for extension of service to 8 years. Subject to review from time to time, permanent commissions will be granted to a proportion of those who will complete 8 years Active Service and who are in all respects suitable to hold a permanent commission in the Executive Branch. At present the proportion to be granted permanent commissions is 20%.

3. Officers who leave the Active List on completion of their Short Service engagement will be eligible for a gratuity (free of tax) calculated as shown below:—

8 year Commission.

Officers entered before 1st September, 1950.

- (a) For period before 1st September, 1950.
 - (i) In respect of service below rank of Acting Sub Lieutenant at £40 a year.
 - (ii) In respect of service in rank of Acting Sub Lieutenant or above at £100 a year.
- (b) For period from 1st September, 1950.
 - (i) In respect of any part of first 18 months of service at £140 a year.
 - (ii) In respect of service beyond first 18 months at £200 a year.

Officers entered on or after 1st September, 1950.

- (c) In respect of first 18 months of service at £140 a year.
- (d) In respect of service beyond first 18 months at £200 a year.
(subject to a maximum of £1600).

4 year Commission.

£175 a year, for all service from the award of the flying badge. (The maximum gratuity will be about £450 and those who extend their service to 8 years will continue to earn gratuity at the rate of £175 a year).

Those who are elected for permanent commissions will not be eligible for this gratuity, but they will be eligible for retired pay or gratuity under the regulations in force for permanent officers, and will be allowed to count their actual service on their short service commissions towards such retired pay or gratuity.

4. The rates of pay of officers of the general service branches of the Royal Navy are shown on pages 5—12. These rates will apply to officers entered for Aircrew duties. As Short Service Aircrew Cadets are regarded as serving in a ship of the Fleet during their period of initial training, their commencing rate of pay is 7/6 per day.

II. Age Limits.

5. Candidates must have attained the age of 17 years, but must not have attained the age of 26 years on the first day of the quarter of entry. Every candidate will be required to forward to the Admiralty with his application an extract from the register of his birth, or, if this cannot be obtained, other documentary evidence, accompanied by a statutory declaration made by one of his parents or guardians before a magistrate, giving the exact date of his birth. Certificates of registry of

birth of baptism are not in themselves accepted as evidence of the date of birth.

III. Nationality.

6. Candidates must be British subjects and the sons of persons who are British subjects at the time of the candidate's entry. The burden of clear proof of the nationality of the candidates will rest upon their parents or guardians, who, if they are in any doubt, should seek the opinion of the Admiralty at the earliest opportunity. Candidates not of pure European descent must be resident in the United Kingdom at the time of application.

7. Candidates who possess a foreign as well as British nationality may be ineligible for entry into the commissioned ranks of the Royal Navy. Parents or guardians are, therefore, advised to seek an early decision from the Admiralty as to the eligibility for entry of prospective candidates possessing double nationality.

IV. Physical Standard.

8. Candidates will be required, irrespective of whether they have been passed fit in connection with a previous examination, to present themselves for medical examination and must be found physically fit for flying duties in the Royal Navy. Candidates will not be passed unless they are in good health and regarded as physically fit for service in the Royal Navy. Physical defect of body, impediment of speech, defect of sight or hearing, and predisposition to constitutional or hereditary disease or weakness will cause rejection, if these defects are of such a nature as to render the candidate unfit for the duties in his Branch of the Service. A candidate will not be entered unless he has been vaccinated within the past 3 years and is prepared to be re-vaccinated when considered necessary by the Naval Authorities.

9. Details of the physical requirements for candidates are contained in Appendix I.

10. The attention of candidates is particularly invited to the advice in Paragraph 1 of Appendix I. Experience at recent examination has shown that many candidates have been found to be suffering from defects sufficiently serious to cause their rejection on medical grounds. Had they been examined beforehand, as advised, unnecessary expense and disappointment might have been avoided.

V. Educational Qualification.

11. All candidates must forward, with their applications, one of the following:—

- (a) A School Certificate showing a pass in Mathematics*.
- (b) A General Certificate of Education showing a pass at ordinary level:
 - (i) English Language
 - (ii) Mathematics*
 - (iii) One other subject.
- (c) Scottish Leaving Certificate showing passes at the Lower Grade in subjects as in (b) above.
- (d) Grammar School Senior Certificate of the examination of the Ministry of Education for Northern Ireland, showing passes at ordinary level in subjects as in (b) above.

* Not arithmetic only.

12. If a candidate has not yet received the actual certificate, a certified statement from the Examining Body to the effect that he has passed the examination, the subjects being specified must be forwarded.

13. Provided that in place of the Certificates specified in paragraph 12 a candidate may produce evidence of having passed any other examination which, in the opinion of the Admiralty, is of equivalent or higher standard.

14. Provided further, that a candidate educated in Scotland or Northern Ireland must, if not in possession of a Certificate as specified in paragraph 12, produce a statement from the Scottish Education Department or the Ministry of Education for Northern Ireland showing that he has attained an equivalent standard.

VI. Tests of Personal Qualities and Flying Aptitude

15. Candidates who satisfy the educational requirement are required to undergo flying aptitude tests at the R.A.F. Station, Hornchurch. These tests last about 1½ days.

16. Those who pass the flying aptitude tests are subsequently required to undergo a medical examination and if successful to appear before an Admiralty Interview Board for tests of intelligence, character and personality. The Medical Board and Interview Board will be held on the same occasion and will occupy about 2½ days.

17. Third class rail or bus fares in excess of £1 5s. incurred in travelling in connection with these tests from the candidate's normal place of residence will be refunded. Lodging and food will be provided free of charge to candidates while they are at the Testing Establishments.

VII. Applications.

18. Every candidate must obtain an application form. This will be furnished on application by letter, addressed to the Secretary of the Admiralty (N.C.W. Branch 521), Queen Anne's Mansions, St. James's Park, London, S.W.1. The form must be completed in the candidate's own handwriting and returned to the above address together with the documentary evidence of birth and of educational qualifications.

19. Applications on the prescribed form, complete with the necessary enclosures must be received in the Admiralty by the following dates:—

- 1st October for the first entry in following calendar year.
- 1st January for the second entry
- 1st April for the third entry
- 1st July for the fourth entry

20. Any candidate who has filled up and returned the application form and has not received an acknowledgment of it within four complete days should write at once to the Secretary of the Admiralty (N.C.W. Branch 521) at the above address. Failure to comply with this provision will deprive the candidate of any claim to consideration on the grounds of loss or delay in the post.

21. Unsuccessful candidates may apply again after an interval of six months provided that, on the previous occasion, they were passed as fit for flying duties by the Medical Board and did not fail in the flying aptitude tests.

VIII. Conditions of Entry and Service.

22. A candidate will not be accepted if he is not, in the opinion of the Admiralty, in all respects suitable to hold a commission in the Royal Navy.

23. The allocation of a candidate to Pilot or Observer duties will be at the sole discretion of the Admiralty.

24. Before a candidate's entry as a Cadet, a certificate by the school or other authority must be forwarded to the Secretary of the Admiralty to the effect that the candidate is able to swim at least 50 yards.

25. The Admiralty may require a Cadet to be withdrawn if, in their opinion:—

- (i) He fails to reach a satisfactory standard in his work, or
- (ii) His conduct is unsatisfactory, or
- (iii) He does not display the qualities required of a Naval Officer.

26. It is to be clearly understood that the period of training as a Cadet is one of probation and that

failure to complete satisfactorily that period may lead to termination of his engagement.

27. On invaliding an officer will receive proportionate gratuity calculated as shown in paragraph 1 (subject to the normal provision that any such gratuity is liable to be reduced or withheld if the disability is due to causes within the officer's control.) An officer who, for any other cause, does not complete his full period of service on the Active List will not be entitled to any gratuity, but an award, either at the full rate or at a reduced rate to be decided by the Admiralty, may be sanctioned subject to a minimum period of service of eighteen months in the undermentioned circumstances:—

- (a) For an officer compulsorily transferred to the reserve, required to relinquish his commission or resign.
- (b) For an officer transferred to the reserve at his own request.

28. The gratuity is intended to assist officer's resettlement in civil life and is therefore not payable to the estate of an officer who dies or is killed while serving on the Active List. Gratuities and/or pensions are payable under Ministry of Pensions regulations to the widows, etc., of officers whose death is due to their service.

IX. Duration of Course of Training.

29. Successful candidates will be entered as Naval Cadets (Executive) for Aircrew duties and be given 28 weeks' general naval training. On passing out from this training, they will be promoted to Midshipman or if they have attained the age of 21, will be promoted to the rank of Acting Sub-Lieutenant, provided they are recommended as suitable to hold this rank. Pilots will then undergo basic and applied flying courses lasting about 12 months. Thereafter they will undergo operational flying training. Observers will undergo basic courses lasting in all about 9 months. Thereafter they will undergo applied flying training.

30. Officers serving as Midshipmen will be promoted to Acting Sub-Lieutenant after one year four months in the rank of Midshipman or on attainment of the age of 19 years 6 months, whichever is the later, subject to satisfactory completion of basic and applied flying training and to recommendation for promotion. Those officers who reach the age of 21 before completion of 1 year 4 months in the rank of Midshipman may be promoted to Acting Sub-Lieutenant at age 21 provided they are recommended as suitable to hold this rank.

31. Officers who fail in their courses may have their appointments terminated.

32. Total time to be served as Sub-Lieutenant (Acting and Confirmed) before promotion to Lieutenant will be from 1 year 8 months to 3 years according to time gained on results obtained during courses.

X. General.

33. The Admiralty will provide the Cadets with all the articles of uniform and clothing required on entry. Apart from the cost of maintenance while on leave and incidental expenses, no form of expense will fall on the parent or guardian or Cadet.

34. The Cadet will be entitled without charge to medical and dental treatment while under training and, while on leave, from the local Admiralty Surgeon and Agent. The repayment of expenses incurred through consulting a Civil Medical Practitioner will be considered by the Admiralty if an Admiralty Surgeon and Agent is not available, or under other exceptional circumstances.

XI. General.

35. A Cadet must produce on joining, or on returning from leave, a health certificate to the effect that he has not suffered from, nor been exposed to, infectious disease during the previous 30 days.

36. Letters about Cadets should be addressed to the Commanding Officer, H.M.S. (Name of Ship), c/o G.P.O., London, and not to the Captain by name.

37. Parents or guardians of Cadets must, in all cases of a permanent change of address, inform the Admiralty (N.C.W. Branch) and the Commanding Officer of the Ship.

These regulations do not apply to Naval Cadets who are entered at age 16, or to Special Entry Cadets in the Executive, Engineering, and Supply and Secretariat Branches, or to Special Entry Cadets in the Electrical Branch, for whom separate regulations are issued.

APPENDIX I**PHYSICAL REQUIREMENTS FOR CANDIDATES FOR AIRCREW DUTIES IN THE ROYAL NAVY AS PILOT OR OBSERVER.**

To prevent candidates who may be physically unfit for Her Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they undergo examination by the medical adviser of the family, or any other qualified medical practitioner.

It is to be understood that this private examination is merely suggested as a guide for intending candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular official physical examination. The following list of defects which cause rejection may be submitted to the private medical practitioner for guidance.

1. A weak constitution, imperfect development, important malformation or skeletal deformity; physical weakness, either hereditary or acquired; obesity.

2. Skin disease, unless temporary or trivial. Scars which, by their extent or position, cause, or are likely to cause, disability or marked disfigurement.

3. Impaired intellect, epilepsy, paralysis, or impediment of speech.

4. Impaired hearing; discharge from, or disease of, one or both ears; unhealed perforations of the tympanic membranes; radical or modified radical mastoid operations. A cortical mastoid operation, provided the ear is healthy, the tympanic membrane intact, and there is no defect of hearing, is not a cause for rejection.

5. Deformity or any chronic disease of the eye or eyelids.

6. Disease of the bones of the nose, or of its cartilage, nasal polypus, or disease of the nasopharynx.

7. Disease of the throat, palate or tonsils; simple hypertrophy of the tonsils, if there is no history of attack of tonsillitis, is not a cause for rejection.

8. Diseased gums; disease or injury affecting the normal function of either mandibular joint. Many unsound or functionless teeth.*

* i.e., seven teeth missing or defective, a tooth being considered as defective when it cannot be made permanently serviceable by dental repair. Candidates must, however, possess some sound opposing molars and incisors. The number given above is intended as a general guide, and is not necessarily strictly adhered to, provided the general condition of the teeth is good.

† Dental defects in accepted candidates must be remedied prior to joining.

9. Tuberculous glands of the throat and neck. Enlargement of the thyroid gland. Scars of operations for the removal of tuberculous glands are not a cause for rejection, provided that there has been no active disease within the preceding five years and the chest is clinically and radiologically clear.

10. Pulmonary tuberculosis, unless there is clear evidence that the disease is arrested and has been inactive for the preceding five years. Chronic disease of the chest.

11. Functional or organic disease of the heart or blood vessels.

12. Allergic diseases, including asthma, hay fever and eczema where these form or are likely to form, a serious impediment to the efficient performance of duty.

13. Undue swelling or distortion of the abdomen; peptic ulceration or history thereof. Disease of the liver, spleen or kidneys; hernia or tendency thereto. Successful surgical repair of a hernia will not cause rejection.

14. Albuminuria; unless the first morning specimen is clear, and there is no clinical evidence (e.g., cardiac hypertrophy or raised blood pressure), or history which suggests impaired renal function.

15. Glycosuria; unless a satisfactory report of a sugar tolerance test is produced.

16. Hydrocoele, or other serious defect or malformation of the genital organs. Incontinence or enuresis. Varicocele, if it clearly forms, or is likely to form, a serious impediment to the efficient performance of duty.

17. Fistula or fissure of the Anus, haemorrhoids or any disease of the bowels.

18. Paralysis, weakness, impaired motion or deformities of the upper or lower extremities from whatever cause; a varicose state of the veins, especially of the leg. Bunions, distortion or malformation of the hands, feet, fingers or toes.

19. No person will be admitted into Her Majesty's Service unless he has been vaccinated or re-vaccinated during the three years preceding the date of his entry.

Height, Weight, and Leg Measurements.

The requirements are as follows:—
Height: 64" minimum; 78" maximum.
Leg Length: 39" minimum (Pilots only).
Weight: 200 lbs. maximum.

Fractional deviations from these limits will entail rejection.

(NOTE:—Leg length is measured with the candidate sitting, his buttocks firmly against a wall and the measurement is taken from the wall to the ball of the heel).

Visual Standards.

The minimum standard of distant vision on entry for the 8 year commission is Snellen 6/8 in one eye and not less than Snellen 6/12 in the other eye without glasses, and for the 4 year commission, Snellen 6/12 in both eyes without glasses. The defect must be due solely to error of refraction. For near vision the candidate must be able to read Snellen, D=0.5 (Jaeger, 1) with each eye separately without the aid of glasses.

Hypermetropia (under homotropine) must not exceed the following limits: In the better eye, Hypermetropia, 1.5 dioptre. Simple hypermetropic astigmatism, 0.75 dioptre. Compound hypermetropic astigmatism 1.5 dioptre (of which not more than 0.75 dioptre may be due to astigmatism) in the meridian of greater error. In the worse eye, Hypermetropia, 2.5 dioptres. Simple hypermetropic astigmatism, 1.0 dioptre. Compound hypermetropic astigmatism 2.5 dioptres (of which not more than 1.0 dioptre may be due to astigmatism) in the meridian of greater error.

The fields of vision must be normal (confrontation test).

The candidate is required to pass special tests of his ocular muscle balance and stereoscopic vision before acceptance for Pilot training. The results of these tests are viewed as a whole by the Central Air Medical Board and mere attainment of the limits laid down does not necessarily ensure acceptance. For the guidance of parents and guardians, however, a summary of the limits required in these tests is given below:—

Maddox rod test	Exophoria	0.6 Prism D
(at 20 feet distance)	Esophoria	0.6 Prism D
	Hyperphoria	0.1 Prism D
Convergence	10 cms. at least	
Accommodation	11 cms. at least	
Bishop Harman diaphragm test	Exophoric response 4	
	Esophoric response 5	
Cover Test	Rapid recovery of fixation is necessary.	

Colour perception must be Standard I. This standard of colour perception entails, in general terms, success in the complete Martin Lantern test.

3. In the event of discharge after short service the names of Chaplains who are recommended will be specially brought to the notice of the Bishop in whose Diocese they may desire to take duty.

ALL DENOMINATIONS

Nationality.

1. Candidates must be British subjects and the sons of persons who are British subjects at the time of the candidate's entry. The burden of clear proof will rest upon the candidate, who, if in any doubt, should seek the opinion of the Admiralty at the earliest opportunity.

2. Candidates not of pure European descent must be resident in the United Kingdom at the time of application.

3. Candidates who possess a foreign as well as British nationality may be ineligible for entry in the commissioned ranks of the Royal Navy. Candidates are, therefore, advised to seek an early decision from the Admiralty in such circumstances.

Visual and Dental Standards.

Both eyes to be healthy, the vision to be correctable to 6/6; 6/24 or to 6/12; 6/12 at least. The candidate should be able to read Jaeger 2 with either eye with glasses. There should be no history of asthenopia.

The refractive error should not exceed:—

(a) 7 dioptries of hypermetropic or of compound hypermetropic astigmatism under homatropine in the meridian of greater error in either eye.

(b) 7 dioptries of myopia or of compound myopic astigmatism under homatropine in the meridian of greater error in either eye.

The fields of vision should be full. Colour Perception Standard III. This entails the recognition of red, green and white lights on the Martin Lantern at a distance of 5 feet.

An alternating squint with small deviation (not abnormal cosmetically) will be permitted provided

that the vision shall be correctable to at least $\frac{6}{24}$ in the worse eye.

Candidates who are accepted with a distant visual acuity of less than $\frac{6}{60}$, $\frac{6}{80}$, and whose vision does not correct up to $\frac{6}{12}$ or better in either eye are to have this fact noted in their Medical history documents and are to be examined by a Naval Ophthalmic Specialist should they later apply for a Permanent Commission.

The candidates' teeth must be in a healthy condition and adequate for the efficient mastication of food. The candidate must make his own arrangements for any defects to be remedied prior to entry. The wearing of artificial dentures, provided they are well-fitting, will not necessarily disqualify a candidate who is fit and suitable in every other respect.

General.

6. Chaplains will be appointed for a period of four years only in the first instance. Except for the purpose of completing the four years' full pay service necessary to qualify for a gratuity they will not be retained beyond that period unless the requirements of the Service render it desirable and unless they have proved themselves to be in every way suitable for permanent duty in the Navy, Chaplains not so retained will withdraw with a gratuity. Chaplains leaving the Service on the expiration of a Short Service engagement will be placed on an Emergency List and will be liable for service in war or emergency during the subsequent four years. A Chaplain who, in the opinion of the Admiralty, is unsuitable for the Naval Service may be discharged at any time. In addition if the ecclesiastical authorities of the R.C. Church are not satisfied with the conduct of a Chaplain (R.C.) the Admiralty will take note of their objection.

7. Resignation before the expiration of four years' service may be permitted, in special circumstances, at the discretion of the Admiralty.

PAY, RETIRED PAY, ETC.

8. The pay, allowances, retired pay, etc., of Chaplains are contained under those headings in the appropriate sections of this Appendix.

9. In certain circumstances widows are eligible for pensions with allowances for children as provided in the appropriate sections of this Appendix.

MISCELLANEOUS

10. All Chaplains must be prepared to serve in any part of the world.

11. Chaplains on board ship are victualled under the usual conditions for Naval Officers, i.e., they are required to pay the usual mess subscriptions. When detached for duty in circumstances which render the ordinary service victualling unavailable they are entitled to Provision Allowance.

12. Chaplains, R.N., are required to wear Naval uniform, the initial cost of which is met by a cash allowance and a free issue of certain items of clothing.

REGULATIONS FOR INSTRUCTOR OFFICERS, R.N.

The Instructor Branch is divided into two grades distinguished in the Navy List as:—

- (i) Instructor Officers (Dagger), who are selected from candidates possessing 1st or 2nd Class Honours Degrees, and
- (ii) Instructor Officers, selected from those possessing 3rd Class Honours or Pass Degrees, or in special cases, adequate qualifications in teaching.

ENTRY.

2. Entry into the Instructor Branch, R.N., will in the first instance be on a Short Service basis under the following regulations:—

Candidates must have attained the age of 21 years and must not have reached the age of 36 years on the

date of entry. They must be recommended for entry by the Director of the Naval Education Service.

3. Candidates must be British subjects and the sons of persons who are British subjects at the time of the candidate's entry. The burden of clear proof of the nationality of the candidate will rest with him and if he is in any doubt he should seek the opinion of the Admiralty at the earliest opportunity. Candidates not of pure European descent must be resident in the United Kingdom at the time of application.

Candidates who possess a foreign as well as British nationality may be ineligible for entry into the commissioned ranks of the Royal Navy. Candidates are, therefore, advised to seek an early decision from the Admiralty as to their eligibility for entry if possessing double nationality.

4. Corresponding to the two grades of the Branch, candidates must possess (i) a 1st or 2nd class Honours Degree, (ii) a 3rd class Honours or a Pass Degree, or acceptable teaching qualifications.

The majority of entries will be from candidates with qualifications in Mathematics, Science (Physics, Chemistry or Metallurgy with the Mathematics as a Subsidiary Subject), Engineering (Mechanical, Electrical, Aeronautical or Civil); but a proportion with qualifications in Arts subjects and Geography will be required. Experience in teaching is desirable.

5. Candidates must be pronounced physically fit by the Medical Director-General of the Navy for general duties in the Instructor Branch.

Visual and Dental Standards on Entry.

Both eyes to be healthy, the vision to be correctable to $\frac{6}{8}$; $\frac{6}{24}$ or to $\frac{6}{12}$; $\frac{6}{12}$ at least. The candidate should be able to read Jaeger 2 with either eye with glasses. There should be no history of asthenopia.

The refractive error should not exceed:

- (a) 7 dioptries of hypermetropia or of compound hypermetropic astigmatism under homotropine in the meridian of greater error in either eye.
- (b) 7 dioptries of myopia or of compound myopic astigmatism under homotropine in the meridian of greater error in either eye.

The fields of vision should be full.

Colour perception. The minimum standard of Colour Perception is Grade III. This entails the recognition of red, green and white lights on the Martin lantern at a distance of five feet.

An alternating squint with small deviation (not abnormal cosmetically) will be permitted provided that the vision shall be correctable to at least $\frac{6}{24}$ in the worse eye.

Candidates who are accepted with a distant visual acuity of less than $\frac{6}{60}$, $\frac{6}{80}$ and whose vision does not correct up to $\frac{6}{12}$ or better in either eye are to have this fact noted in their Medical history documents and are to be examined by a Naval Ophthalmic Specialist should they later apply for a Permanent Commission.

The candidate's teeth must be in a healthy condition and adequate for the efficient mastication of food. Any defects must be remedied prior to entry. The wearing of artificial dentures, provided they are well-fitting, will not necessarily disqualify a candidate who is fit and suitable in every other respect.

Training.

6. Instructor Officers in both grades will, on entry, normally undergo a course of instruction in one of the Naval Training Establishments and/or in one of the Ships of the Home Fleet Training Squadron. These courses include Navigation, technical and non-technical subjects and instructional technique; an officer's preliminary training generally lasts about six months. Officers with suitable qualifications in Mathematics or Science

may be required, on entry or at a later date, to undergo a five months' course at the Royal Naval School of Meteorology.

Any officer who fails to qualify in his preliminary course will be discharged.

CONDITIONS OF SERVICE.

7. Instructor Officers (dagger) will be entered in the rank of Acting Instructor Lieutenant and will be confirmed in rank on satisfactory completion of 6 months' service, most of which will have been spent in preliminary training. On confirmation, their seniority as Instructor Lieutenant will be ante-dated to a date two years before the date of entry and they will receive pay appropriate to an Instructor Lieutenant of that seniority, from the date of completion of 6 months' service.

This ante-date of seniority will count during an officer's short service (see para. 9) for the purpose of determining (a) his seniority and (b) his eligibility for increases of pay, and for no other purpose. If, however, a Short Service Officer is transferred to the Permanent List (see para. 15) the ante-date of seniority will count also as service for the purpose of promotion, but not towards retired pay.

8. Instructor Officers (non-dagger) will be entered in the rank of Instructor Sub-Lieutenant (Wardroom rank) and will be promoted to Instructor Lieutenant after one year's satisfactory service.

9. All officers will be entered, initially, on a Short Service Engagement for a period of 3, 4 or 5 years. At any time during the last year of his engagement, but not less than three months before his engagement is due to terminate, an officer may apply through the normal Service channels for:—

- (a) his engagement of three or four years to be extended by one or two years in order to convert it to one of four or five years' duration; or
- (b) a new Short Service engagement of three, four or five years to follow immediately his existing engagement; or
- (c) an extension of his Short Service engagement by any period up to a maximum of six months.

A report on Form S.206 should accompany each application for either (a) or (b) above.

No officer can be permitted to serve for more than a total period of 10 years on Short Service engagements. Any extension under (c) above must fall within this maximum period and only one such extension can be allowed.

10. Officers who leave the Service at the end of their Short Service engagement(s) will be eligible for a gratuity (free of tax) which will be paid at the end of their total period of service.

The (full) rates of gratuity are:—

After 3 years' service	£300
For each additional year of service ..	£100
Portion of year under 9(c) above—proportion of—	£100
Maximum gratuity	£1,000

- (i) Officers whose period on a Short Service engagement is not treated as Contributory Service under the Teachers' (Superannuation) Acts will receive the full rate of gratuity.
- (ii) Officers whose period on a Short Service engagement is treated as Contributory Service under the Teachers' (Superannuation) Acts will receive the full rate of gratuity less the amount of the employer's and employee's contribution under those Acts, which amount, where required to be paid, will be paid by the Admiralty to the Ministry of Education on their behalf. Similar arrangements will be made with the Scottish Education Department and the Ministry of Education for Northern Ireland.

11. Officers serving on Short Service engagements are entitled to the rates of pay according to seniority and are eligible for promotion to Instructor Lieutenant Commander in accordance with the regulations for Instructor Officers, R.N.

12. Service as an Instructor Officer counts as teaching service in determining the incremental position of a teacher on the Burnham Scales, and as qualifying for purposes of the Teachers' (Superannuation) Acts. The position is similar as regards Scotland and Northern Ireland.

13. Details of the full pay, retired pay, etc., of Instructor Officers are contained under those headings in the various sections of this Appendix.

14. A cash grant for the provision of certain tailored items of uniform and a free issue of certain other items of clothing in accordance with an approved scale, is made subject to certain conditions of refund in the event of failure to complete specified periods of service up to a maximum of three years.

Grants on the full scale are not made to officers who have already been provided with uniform and clothing in respect of previous service as an officer. Such officers may receive modified grants according to the length of the break in service.

15. Instructor Officers must be prepared to serve in any part of the world.

EMERGENCY LIST.

16. Officers leaving the service on completion of a Short Service engagement will be placed on an Emergency List and will be liable for service in war or emergency during the subsequent four years.

TRANSFER TO THE PERMANENT LIST.

17. After a minimum period of 2 years' service and provided that they can serve for a further 10 years, Officers, who so desire, may be transferred to the Permanent List at Admiralty discretion. In determining such transfers, regard will be paid to an officer's Short Service career and to his suitability for higher appointments. The number of transfers will be governed by the number of higher appointments available from time to time for officers on the permanent list and by the career aspect of those selected. Interviews for selections will normally be held twice annually in March and October, and applications should be forwarded through normal Service channels.

PROMOTION.

18. Subject to a satisfactory record an Instructor Lieutenant will be promoted to Instructor Lieutenant Commander on attaining 8 years' seniority as Instructor Lieutenant. Promotion to the rank of Instructor Commander and above will be by selection, subject to such periods of service and such other conditions as may be specified from time to time.

DUTIES.

19. Instructor Officers are employed primarily on educational and training duties ashore and afloat. A certain number of officers qualified in meteorology, are, however, seconded for meteorological duties and constitute the major part of the Naval Weather Service.

20. Seagoing appointments are held by Instructor Officers of both grades in battleships, fleet and light fleet carriers, larger cruisers and the Cadets' Training Cruiser. The smaller cruisers, destroyers and frigate squadrons, depot and repair ships normally carry only Instructor Officers (non-dagger).

21. The Instructor Officer is an integral part of the organisation of his ship and at "Action Stations" (except where appointed for full-time meteorological duties), he is employed in a key position in the tactical and strategical plotting organisation. Officers qualified in meteorology may be appointed for forecasting and general meteorological duties in a full or part time capacity, those who show a particular interest or aptitude being seconded to the Naval Weather Service for full time duties for a period of years. All officers with Scientific qualifications must be available to assist with their knowledge in solving any scientific problem which may arise.

22. Ashore, Instructor Officers are appointed to the Naval Colleges, Technical and Training Establishments, the main Naval Air Stations and

other establishments where theoretical technical instruction, basic education, adult education and meteorological requirements exist.

There are a number of administrative posts in Headquarters and Commands open to the more senior Instructor Officers, and occasional opportunities for advanced technical research exist.

In any ship or shore establishment the senior Instructor Officer is responsible to the Commanding Officer for all the educational activities, including the furtherance of Adult Education. The senior officer appointed for meteorological duties will, however, be responsible for the meteorological organisation.

23. Instructor Officers of both grades may be called upon to carry out any of the above-mentioned duties for which they are considered suitable. In general, however, Instructor Officers (dagger) and Instructor Officers (non-dagger) will be employed as indicated in paragraphs 22 and 23 below.

24. Instructor Officers (dagger) are mainly responsible for the instruction of officers. At sea, this includes the training of Junior Officers in Navigation and the continuation of their general education. On the staffs of shore establishments, they are employed as instructors in such subjects as Navigation, Mathematics, Physics, Chemistry, Electrical or Mechanical Engineering, Radio, Aeronautics, Meteorology and Adult Education.

25. Instructor Officers (non-dagger) are generally employed in the training of ratings. At sea, their duties include the instruction of Men and Boys in technical and educational subjects. Ashore, in the New-Entry Training Establishments, their duties include the instruction of Boys, young Seamen and Artificer Apprentices in basic subjects (English, Mathematics, Physics): in the Technical Establishments and Air Stations instruction in such subjects as Electrical and Mechanical Engineering, Radio, Navigation and the organisation of Adult Education; and in the instruction of apprentices and children in Dockyard Technical Colleges and Royal Naval Schools for children abroad.

MEDICAL OFFICERS. REGULATIONS FOR THE ENTRY OF SURGEON LIEUTENANTS, R.N., FOR SHORT SERVICE.

1. Entry for Compulsory Military Service.

Officers are entered as Temporary Acting Surgeon Lieutenants, R.N.V.R. While so serving they are not eligible for the gratuity or ante-date of seniority referred to in paragraphs 11 and 20 respectively. They may, however, apply for a Short Service engagement, R.N., and subsequently for transfer to the Permanent List of R.N. Medical Officers.

Candidates for entry on such temporary engagements must apply to The Central Medical Recruitment Committee and not to the Admiralty.

The fields of vision should be full.

Colour perception. The minimum standard of Colour Perception is Grade III.

An alternating squint with small deviation (not exceeding 15 degrees) will be permitted provided that the vision shall be correctable to at least 6/24 in the worse eye.

Candidates who are accepted with a distant visual acuity of less than 6/60, 6/60 and whose vision does not correct up to 6/12 or better in either eye are to have this fact noted in their Medical history documents and are to be examined by a Naval Ophthalmic Specialist should they later apply for a Permanent Commission.

6. The candidate's teeth must be in a healthy condition and adequate for the efficient mastication of food. Any defects must be remedied prior to entry. The wearing of artificial dentures, provided they are well-fitting, will not necessarily disqualify a candidate who is fit and suitable in every other respect.

Nationality.

7. Candidates must be British subjects and the sons of persons who are British subjects at the time of the candidate's entry. In doubtful cases the burden of clear proof will rest upon the candidates who, if they are in any doubt, should seek the opinion of the Admiralty at the earliest opportunity. Candidates not of pure European descent must be resident in the United Kingdom at the time of application. Candidates who possess a foreign, as well as British nationality may, in certain cases, be regarded as ineligible for entry as Medical Officers, R.N. Prospective candidates possessing dual nationality are therefore advised to seek an early decision from the Admiralty as to their eligibility for entry.

PAY AND ALLOWANCES.

8. The pay, allowances, retired pay, etc., of Medical Officers are contained in the appropriate sections of this Appendix.

In certain circumstances widows are eligible for pensions with allowances for children as provided in the appropriate sections of this Appendix.

A cash grant towards the provision of the necessary outfit of uniform is payable in addition to a free issue of certain articles of clothing, subject to conditions of refund in the event of an officer failing to serve for certain prescribed periods from date of entry. Grants on this scale are not payable to officers who have already received gratuities in respect of previous periods of Naval service as officers. Such officers may receive modified grants which will depend upon the length of break in service.

MESSING.

10. Officers will be allowed the ordinary ship's rations when attached to ships in commission, but will have to pay about 2s. a day towards the maintenance of their Mess as Ward Room Officers.

CONDITIONS OF SERVICE.

11. Successful candidates will be appointed as Acting Surgeon Lieutenants for a period of 4 years' Short Service and will be confirmed as Surgeon Lieutenant after one year's satisfactory service. Officers who leave the Service at the end of the Short Service engagement will be eligible for a gratuity of £000 (free of tax).

12. Under the Regulations, Officers are required periodically and on cessation of medical charge to render a Journal of their practice, and certain other returns. Failure to comply with these Regulations on termination of the engagement may involve delay in payment of the above gratuities.

13. To serve when and where required.

14. To be liable to immediate discharge for misconduct or if for any reason considered by Their Lordships to be unsuitable for retention.

15. A course of instruction on Naval Regulations and Procedure, Tropical Diseases, Naval Hygiene, etc., is given to each Short Service Officer on entry.

16. Surgeon Lieutenants are to report through their Commanding Officer not later than six months before their Short Service is due to expire, whether they desire to be considered for transfer to the permanent list.

TRANSFER TO THE PERMANENT LIST.

17. Officers are transferred to the permanent list at the discretion of the Admiralty, and in determining the number to be transferred regard will be paid by the Admiralty to the number of higher appointments available from time to time for officers on the permanent list.

18. Officers who transfer to permanent Commissions after a minimum of one year's service will be paid a grant of £1,500 (taxable).

19. On transfer to the permanent service Surgeon Lieutenants must provide themselves with the complete outfit of uniform prescribed by the Regulations.

20. Promotion is made to rank of Surgeon Lieutenant-Commander on attaining seven years' seniority as confirmed Surgeon Lieutenant including at least two years' sea service from date of entry. Promotion to rank of Surgeon Commander and above is by selection, subject to completion of such periods of service and sea service and subject to such other conditions as may be specified from time to time.

The general regulations governing promotion to the above ranks and higher ranks are included in the Queen's Regulations and Admiralty Instructions.

COUNTING OF CIVIL HOSPITAL TIME.

21. An ante-date of seniority may be allowed to confirmed Surgeon Lieutenants who held suitable appointments in Civil Hospitals or have undergone other special experience in their profession prior to entry into the Service. Such time will count during an Officer's Short Service Commission for the purpose of determining:—

(i) his seniority, and

(ii) his eligibility for increase of pay, and for no other purpose, but thereafter, if the officer be transferred to the permanent list, it will count also as service for the purposes of promotion.

The suitability of appointments in civil hospitals to count for ante-date of seniority will be decided by the Medical Director-General of the Navy.

EMERGENCY LIST.

22. Officers leaving the Active List on completion of their Short Service engagements will be placed on an Emergency List, and will be liable for service in war or emergency during the subsequent four years.

MEDALS AND PRIZES.

POST-GRADUATE INSTRUCTION.

24. Specialist Courses and Post-Graduate Courses of various duration are arranged at recognised civil teaching centres for Officers selected for specialist posts, or as general revision courses.

25. Medical Officers selected for specialist duties are given ample opportunity to prepare for and take degrees and diplomas in their specialist subjects.

KITCHENER MEDICAL SCHOLARSHIPS.

26. By arrangement with the Lord Kitchener National Memorial Fund these Scholarships may be

awarded to the sons of Officers and Men or of ex-Officers and Men of H.M. Forces who desire to take a medical training with a view to obtaining a regular Commission in the Medical Services of the Navy, Army or Air Force.

27. Ex-holders of Kitchener Scholarships are entered into the Royal Navy for 5 years' short service instead of the normal period of 4 years. On completion of 5 years' full pay service they will be eligible to withdraw from the Royal Navy with a gratuity of £750 (tax free). Since the cost of Scholarships awarded to candidates who enter the Royal Navy is borne by Naval Funds such cost will be deducted from the withdrawal gratuity of £750, any balance of the cost in excess of £750 being waived.

28. Ex-Kitchener Scholars are eligible to apply for transfer to the permanent list. The full cost of the Scholarship, even though its value may exceed £750 will be deducted, at the discretion of the Admiralty from any gratuity which may be payable to an ex-Scholarship holder who is transferred to the permanent list and who fails to serve for 15 years in the Royal Navy.

29. Full particulars of these Scholarships, with the necessary application forms, can be obtained from The Secretary, Lord Kitchener National Memorial Fund, 60, Pall Mall, London, S.W.1.

DENTAL OFFICERS.

The refractive error should not exceed:

(a) 7 dioptries of hypermetropia or of compound hypermetropic astigmatism under homotropine in the meridian of greater error in either eye.

(b) 7 dioptries of myopia or of compound myopic astigmatism under homotropine in the meridian of greater error in either eye.

The fields of vision should be full.

Colour perception. The minimum standard of Colour Perception is Grade III.

An alternating squint with small deviation (not exceeding 15 degrees) will be permitted provided that the vision shall be correctable to at least $\frac{6}{24}$ in the worse eye.

Candidates who are accepted with a distant visual acuity of less than $\frac{6}{80}$, $\frac{6}{60}$ and whose vision does not correct up to $\frac{6}{12}$ or better in either eye are to have this fact noted in their Medical history documents and are to be examined by a Naval Ophthalmic Specialist should they later apply for a Permanent Commission.

6. The candidate's teeth must be in a healthy condition and adequate for the efficient mastication of food. Any defects must be remedied prior to entry. The wearing of artificial dentures, provided they are well-fitting, will not necessarily disqualify a candidate who is fit and suitable in every other respect.

Nationality.

7. Candidates must be British subjects and the sons of persons who are British subjects at the time of the candidate's entry. In doubtful cases the burden of clear proof will rest upon the candidates who, if they are in any doubt, should seek the opinion of the Admiralty at the earliest opportunity. Candidates not of pure European descent must be resident in the United Kingdom at the time of application. Candidates who possess a foreign as well as British nationality, may in certain cases, be regarded as ineligible for entry as Dental Officers, R.N. Prospective candidates possessing dual nationality are therefore advised to seek an early decision from the Admiralty as to their eligibility for entry.

PAY AND ALLOWANCES.

8. The pay, allowances, retired pay, etc., of Naval Dental Officers are contained in the appropriate Sections of this Appendix.

In certain circumstances widows are eligible for pensions with allowances for children as provided in the appropriate sections of this Appendix.

UNIFORM.

9. Prior to joining, officers will be required to provide themselves with a minimum of uniform, details of which will be supplied. A cash grant towards the provision of the necessary outfit of uniform is payable in addition to a free issue of certain articles of clothing, subject to conditions of refund in the event of an officer failing to serve for certain prescribed periods from date of entry. Grants on this scale are not payable to officers who have already received gratuities in respect of previous periods of Naval Service as officers. Such officers may receive modified grants which will depend upon the length of break in service.

MESSING.

10. When serving in H.M. Ships and Establishments, and not in receipt of ration allowance, the ordinary ship's rations are provided, but generally officers contribute about 2s. a day for additional messing.

CONDITIONS OF SERVICE.

11. Successful candidates will be appointed as acting Surgeon Lieutenants (D) for a period of 4 years' Short Service and will be confirmed as Surgeon Lieutenants (D) after one year's satisfactory service.

12. A course of instruction on Naval Regulations and procedure is given to each Short Service Officer on entry.

13. Officers must serve when and where required.

14. Officers are liable to immediate discharge for misconduct or if for any reason considered by Their Lordships to be unsuitable for retention.

15. Officers who leave the Service at the end of the Short Service Engagement will be eligible for a gratuity of £500 (free of tax).

16. Officers desiring to transfer to the Permanent Service are to forward their application through the usual Service channels *not later than* six months before their Short Service is due to expire.

TRANSFER TO PERMANENT LIST.

17. Officers are transferred to the Permanent List at the discretion of the Admiralty and in determining the number to be transferred regard will be paid by the Admiralty to the number of higher appointments available from time to time for officers on the Permanent List.

18. Officers who transfer to permanent Commissions after a minimum of one year's service will be paid a grant of £1,250 (taxable).

19. On transfer to the Permanent List Surgeon Lieutenants (D) must provide themselves with the complete outfit of uniform prescribed by the Regulations.

20. Promotion is made to the rank of Surgeon Lieutenant-Commander (D) on attaining seven years' seniority as *confirmed* Surgeon Lieutenant (D). Promotion to the rank of Surgeon Commander (D) and above is by selection, subject to completion of such periods of service and subject to such other conditions as may be specified from time to time.

The general regulations governing promotion to the above and higher ranks are included in the Queen's Regulations and Admiralty Instructions.

EMERGENCY LIST.

21. Officers leaving the Active List on completion of their Short Service Engagements will be placed on an Emergency List, and will be liable for service in war or emergency during the subsequent four years.

COUNTING OF CIVIL HOSPITAL TIME.

22. An ante-date of seniority may be allowed to confirmed Surgeon Lieutenants (D) who held suitable appointment in Civil Hospitals, or have undergone other special experience in their profession prior to entry into the Service. Such time will count during an officer's Short Service Commission for the purpose of determining:—

(i) his seniority, and
(ii) his eligibility for increase of pay, and for no other purpose, but thereafter, if the officer be transferred to the Permanent List, it will count also as service for the purposes of promotion.

The suitability of appointments in civil hospitals to count for an ante-date of seniority will be decided by the Medical Director-General of the Navy.

POST-GRADUATE INSTRUCTION COURSES.

23. Post-graduate courses are arranged at recognised civil teaching centres for officers selected for specialised posts, or as general revision courses.

ENTRY AND TRAINING OF ARTIFICER APPRENTICES.

METHOD OF SELECTION. Artificer Apprentices are selected by interview and aptitude test from candidates

(a) who have obtained passes at the ordinary level in mathematics (i.e., not arithmetic only) and in a science subject in a General Certificate of Education examination.

(b) who have obtained passes on the lower grade in mathematics (i.e., not arithmetic only) and in a science subject in the Scottish Leaving Certificate examination,

(c) who have obtained passes at the ordinary level in mathematics (i.e., not arithmetic only) and in a science subject in the Grammar School Senior Certificate examination of the Ministry of Education for Northern Ireland,

(d) who can submit a certificate as evidence of having passed an examination which is of equivalent or higher standard,

(e) who qualify in a special examination set by the Admiralty.

Admiralty Examination. Held locally on the second Tuesday in February, June and October. The question papers will be set by the Admiralty, will be the same for all candidates and will be supplied to the Education Authorities, Governing Body or Superintendent of the School or Establishment by whom all arrangements for holding the examination will be made.

The examination is completed in one day and consists of five papers as shown below :—

	Maximum Marks	Time Allowed
Mathematics	300	1½ hours
Science	200	1 hour
Essay	100	½ hour
English (Comprehension Test) 100		¾ hour
General Paper	100	1 hour

The mathematics and science papers are taken in the morning, and the remaining papers in the afternoon.

The worked papers are forwarded for marking to the Secretary of the Admiralty (for D.N.E.S.), immediately after the examination.

Failure in any particular examination will not render a candidate ineligible to compete again if otherwise eligible; nor will it render him ineligible for direct entry, should he subsequently obtain the General Certificate of Education qualification.

RECOMMENDATIONS. All boys who wish to try for an apprenticeship should apply for recommendation to one of the following authorities :

(1) Local Education Authorities in Great Britain and Northern Ireland.

(2) Youth Employment Committees of Local Education Authorities or of the Ministry of Labour and National Service (including the Headmasters' Employment Committee in London and the Home Counties); or Local Employment Committees under the Ministry of Labour of Northern Ireland.

(3) The Governing Body of a Secondary School not provided by the local Education Authority, but recognised by the Ministry of Education, or

the Ministry of Education (Northern Ireland), for purposes of grant, or conducted under the Schools (Scotland) Code, 1950 of the Scottish Education Department.

(4) The Superintendent, Royal Hospital School, Holbrook.

(5) The Superintendents of the Training Ship, *Arethusa* and *Mercury*, the Superintendent of the *Indefatigable* and National Sea Training School, the Headmaster, Woolverstone Hall, or the Superintendent, Parkstone Sea Training School.

NOTE.—Boys who are not entitled to a recommendation from one of the above authorities may be allowed to take the examination at the discretion of the Admiralty.

A candidate should in the first place consult the Headmaster of his school or, if no longer attending school, the local Youth Employment Office.

Recommendations should be made on the appropriate form, which will be supplied only to the authority concerned, on application to the Secretary of the Admiralty, and must reach the Admiralty not later than the fifteenth day of the month previous to that in which the examination is to be held.

NOTE.—Recommendations of Direct Entry candidates should also be submitted by the above-mentioned date.

AGE. Candidates must be between the ages of 15 years and 16 years 8 months on the 1st day of the month of entry, i.e., either January, May or September.

NATIONALITY. Candidates must be British subjects or British-protected persons or citizens of the Irish Republic and normally the sons of parents both of whom are (or, if deceased, were at the time of death) British subjects or British-protected persons or citizens of the Irish Republic.

INTERVIEW, APTITUDE TEST AND MEDICAL EXAMINATION. Candidates will have to satisfy the Selection Board that they will make good Artificer Apprentices. There will be practical tests designed to show the candidates' aptitude for craftsmanship.

Any candidate who qualifies educationally but fails the interview and aptitude test may be permitted to attend the immediately subsequent interview and aptitude test without requalifying educationally, subject to being eligible by age. The candidate should apply by letter to the Secretary of the Admiralty, before the end of the month in which the subsequent educational examination is held (October, February or June), for permission to attend for the second time.

Candidates will be examined by a Naval medical officer to ensure that they are in good health and, as far as can be ascertained, free from any defect that would render them unfit for the duties of Artificer. Details of the medical standard are set out below.

MEDICAL STANDARD.

Candidates must be in good health and of sound constitution, and be free, as far as can be ascertained, from any disease or defect that would unfit them for the duties of Artificer in the Royal Navy.

HEARING must be unimpaired.

VISION. Candidates must possess distant vision, Snellen 6/9 and near vision, Snellen D=0.5 (Jaeger 1) in each eye tested separately without glasses. Colour vision must approximate to normal.

TEETH must be in good condition and afford an efficient masticating area, including sound functionally opposed molars and incisors on both sides of

the mouth. The loss of seven or more teeth will generally disqualify a candidate.

HEIGHT. Candidates must be at least 5 feet in height.

All candidates must be willing to be vaccinated, re-vaccinated, and inoculated if necessary and to undergo such dental treatment as may be necessary. Parental consent to this must be produced.

PRELIMINARY MEDICAL EXAMINATION. To lessen the chances of subsequent disappointment, candidates are advised to present themselves for preliminary medical and dental examination at the nearest headquarters recruiting office and at some time before sitting for the Admiralty educational examination. The preliminary medical examination would be free of charge, but intending candidates would be required to pay their own travelling expenses. It must be clearly understood that the preliminary medical examination is suggested as a guide to candidates and would not influence the final examination mentioned above. Application may, if necessary, be made to the Director of Naval Recruiting, Admiralty, London, S.W.1, for guidance as to the most convenient recruiting office.

CONSENT OF PARENT ON ENTRY. A successful candidate must produce the consent, in writing, of his parent, guardian or nearest relative, to his entering the Navy and engaging to serve for 12 years (Continuous Service) from the age of 18 in addition to whatever period may be served before he attains that age.

CANDIDATES WITH SERVICE CLAIMS.

Candidates with Service claims who reach the necessary qualifying standard in the educational examination may in certain cases be granted preferential entry, but application for a Service Nomination does not of itself constitute an application for admission to the educational examination. Every candidate should ensure that a recommendation to compete is forwarded on his behalf by the local educational or other appropriate authority. Candidates are recommended by Commanders-in-Chief at home and abroad, the Admiral Commanding Reserves, Flag Officers Commanding in Home Waters, the Engineer-in-Chief of the Fleet and the Commandant General Royal Marines.

Candidates must be sons of Commissioned Officers, Chief Petty Officers or Petty Officers of the Royal Navy; Commissioned Officers or Non-commissioned Officers, of or above the rank of Sergeant, of Royal Marines; Clerks, Draughtsmen, Inspectors and Foremen of the Artisan branches, or skilled Artisans not below the grade of Chameleon, of H.M. Dockyards. Service Nominations are restricted to:—

- (a) boys whose fathers are dead;
- (b) boys whose fathers have been invalided or who have, for some similar reason, strong claims to special consideration on compassionate grounds;
- (c) boys whose fathers can show long and faithful service, or other sound reasons for consideration.

In allotting Service Nominations under sub-heading (a), Their Lordships' preference will be given to boys whose fathers have been killed in action, lost at sea on active service, or killed on duty; or have died of wounds in action or injuries received on duty, within six months from the date of such action or injuries. Boys who are ineligible solely because their fathers were below the rank or grade specified in the paragraph above may be included in the recommendations for nomination if considered

deserving and suitable candidates. Their names will, however, be considered after those of candidates whose fathers were of the necessary rank or grade.

Parents, if serving, should apply for a recommendation through the Commanding Officer of the ship or establishment in which they are serving, who will transmit the request to the appropriate authority. If not serving, parents should apply to the Commander-in-Chief at the nearest Home Port. Royal Marines, if not serving afloat, should apply to the Director of Pay and Records, Royal Marines, Melville Barracks, Chatham.

Recommendations by one of the authorities quoted above can be accepted at the Admiralty at any time after the boy has attained the age of 14 years 9 months. The latest date for the receipt of recommendations is the closing date for the receipt of applications for the last examination for which the boy is eligible by age.

Candidates will be eligible for nomination to an Apprenticeship in connection with any Admiralty examination held after the receipt of the recommendation at the Admiralty. If a candidate fails to qualify at the first attempt and sits for the examination on one or more further occasions, the original recommendation for a Service Nomination holds good.

A brief note of the father's services and of the family circumstances must be given.

In exceptional circumstances officers and men holding the ranks or rates mentioned above may apply for a recommendation for boys to whom they stand in the position of guardian. Independent evidence that the boy has been brought up by his guardian for five years or more should be forwarded with the recommendation.

THE TRAINING OF AN ARTIFICER.

On entering the Navy the Artificer Apprentice joins H.M.S. *Fisgard*, the Royal Naval Artificers' Training Establishment at Torpoint, Cornwall. Here he lives and is educated free of charge in an establishment run on the lines of a good training college. He is appointed to one of the Houses, each of which is named after a famous Admiral, and his work and recreational activities are directed by the House Tutor and House Officer.

The Apprentice spends four terms, which last 16 months, in H.M.S. *Fisgard*. During the first three terms, he is trained in general craftsmanship, including wood-work, fitting, metal working and machining. He is also taught the rudimentary principles of all types of machinery to be encountered in the Service. In addition to technical training, he receives a general education and is examined in all the subjects studied.

BRANCH AND TRADE SELECTION. At the end of his first year at H.M.S. *Fisgard* the Apprentice is asked which branch he would like to join—Aviation, Engine Room, Electrical, Ordnance or Shipwright. It cannot be guaranteed that he will enter any particular branch, but his wishes and his aptitude are carefully considered. During his last four months at H.M.S. *Fisgard* he starts on the specialised work of the branch to which he has been allocated.

Within the Engine Room Branch, Apprentices specialise in various trades, namely, boiler making, copper smithery and fitting and turning. Here, again, consideration is given to the Apprentice's preference, but his aptitude and the demands of the Service will determine the final choice.

SPECIALIST COURSES. After leaving H.M.S. *Fisgard*, Aircraft Artificer Apprentices join H.M.S. *Condor*, the Royal Naval Artificers' Training Establishment at Arbroath, Scotland, Electrical Artificer Apprentices join H.M.S. *Collingwood*, the Royal Naval Electrical School near Fareham, Hants., and from there Electrical and Radio Electrical Artificer Apprentices (Air) go on to H.M.S. *Ariel*, the Royal Naval Air Electrical School near Winchester, Hants. All other Apprentices go to H.M.S. *Caledonia*, the Royal Naval Artificers' Training Establishment at Rosyth on the Firth of Forth.

At these training establishments, Apprentices devote two years and eight months to advanced training in their own particular trade. They receive both theoretical and practical instruction in the operation and upkeep of the machinery and other equipment of the kind for which they will later be responsible. There will, for instance, be lathe

work, the taking to pieces and assembling of engines and pumps, aircraft and electrical components, in addition to lectures in which the function of these machines is explained.

PASSING-OUT EXAMINATION. Naval Artificer Apprentices of each branch, have to pass an examination and a practical test set for their branch, and provided they are successful, they are rated Artificer 5th Class, and go to sea. Aircraft Artificers 5th Class, however, are sent to a Naval Air Station for practical training on the servicing and maintaining of aircraft.

Further details are published in the pamphlet "Artificer Apprentices in the Royal Navy" which may be obtained on application to the Secretary of the Admiralty, London, S.W.1, or at any Recruiting Staff Officer, R.N. and R.M.

The number of vacancies in the respective trades in each Dockyard and Naval Establishment will be fixed before each examination, but no undertaking is given that any apprenticeship will be offered for any of the above-named Dockyards or Naval Establishments, or in any trade.

2. All applications for the forms to be filled up by persons who wish to compete* must be sent to the *Secretary of the Admiralty (Labour Branch), Bath*. Care must be taken that the forms when filled up reach the Admiralty on or before the date given on the application form for the competition in question. This will normally be four weeks before the date of the examination. No forms received after the date fixed can be considered.

No candidate will be allowed to compete at any examination for entry as an apprentice at more than one Dockyard or Naval Establishment.

3. A candidate must be a natural-born British subject and the son of a father or a mother who is or was at the time of death a British subject, but if either the father or the mother is or was a naturalised British subject the candidate will not be eligible for appointment without permission of the Admiralty. His hearing must be unimpaired; and the sight of both eyes must be sufficiently good for the performance of any work that may be required of him. He will be required to pass a medical examination.

Candidates whose vision can be corrected to normal (6/8) by glasses will not be rejected on the ground of defective eyesight; but such candidates should bring their glasses with them when presenting themselves for medical examination.

The medical examination of the successful candidates will be held as soon as possible after the result of the competitive examination is known.

5. *The Competitive Examination will be held by the Admiralty so far as circumstances permit, in or near the following centres: Alexandria (Greenock), Antrim, Caerwent, Chatham, Dunfermline, Plymouth, Portland, Portsmouth and Sheerness.
